PROGRAM OVERVIEW

Begins the preparation for becoming a doctor of chiropractic. Effective Fall 2001, the Council on Chiropractic Education (CCE) increased the credit minimum to 90 credits for admission to all CCE accredited chiropractic colleges.

NOTES:

¹ Students are strongly suggested to take a 3-4 math course

* Students interested in transferring are advised to enroll in MTH 142.

* Select from MTH 160 (D), MTH 162 (D), MTH 113 (D), or MTH 142 (D). Students will not receive credit for MTH 162 and MTH 113. Many transfer institutions prefer MTH 160/MTH 162 combination. However, students should check with their academic advisor to be sure that their choices will transfer to their selected institutions.
