## Mich Kabay

Program Director, Master  
of Science in Information  
Assurance, Norwich University

Kabay, PhD, CISSP-ISSMP began programming computers in assembly language in 1965. Since 1986, he has published over 950 articles in operations management and security, written a college textbook on enterprise security (McGraw-Hill, 1996), and served as Technical Editor of the 4th Edition of the *Computer Security Handbook* (Wiley, 2002). He writes two security-management columns a week distributed by *Network World* and is working on the 5th Edition

of the *Computer Security Handbook*. He has been an invited lecturer at the United States War College, NATO HQ, and at NATO Counterintelligence training in Germany. He was inducted into the ISSA (Information Systems Security Association) *Hall of Fame* in December 2004 and earned his ISSMP (Information Systems Security Management Professional) designation in November 2005. Dr Kabay is Associate Professor of Information Assurance in the School of Business and Management at Norwich University, Northfield, VT 05663-1035 USA and currently the full-time Director of the Master's Program in Information Assurance in the School of Graduate Studies (SGS) where he is also the CTO (Chief Technical Officer) of the SGS.

## Susan Miller

COO, and CPO of Health  
Transactions.com

Susan A. Miller, J.D. is an independent consultant and attorney. She is also COO, and CPO of HealthTransactions.com. She has 35 years of professional leadership experience spanning teaching, biochemistry research and law. Currently she is the assistant project manager for the NJ-HISPC project; and the contract manager for the MA-HISPC project. She is also the health care research analyst for the Blue Cross Blue Shield Association Federal Employees Program.

Attorney Miller is the recent past Co-chair of WEDI SNIP, a member of the Steering Committee, is a founding Co-chair of the Security and Privacy Work Group and chairs many of the privacy and security sub-workgroups. She has worked on numerous legislative initiatives and is responsible for analysis of state and federal health care reform proposals and payment reform.

Attorney Miller had been named the third winner of Melcer award by WEDI in November 2007 for "providing exemplary service by giving her time to WEDI and the industry." The award recognizes a person "whose business philosophy is to make the world a better place by sharing one's time and talents."
