Methodology of evaluation included a survey of Board members, President Royal’s direct reports, a sample from other staff & faculty, external community members; prior benchmark data from DHE and internal data; and President Royal’s self-evaluation. The results of the evaluation are very positive. The Board asked President Royal to get to know the college and local community, and develop strong relationships both internal and external. The strongest relationships from the evaluation are with the Board, her work with the external community, and with students. Perception of relationships with staff and faculty are positive. The Strategic Planning process showed campus-wide participation and inclusion. The Board is impressed with the Strategic Plan. President Royal has done an excellent job of establishing herself as a leader in the local community.

On a motion by Trustee Plotkin and seconded by Trustee Vidal, it was **VOTED** to accept the report of the evaluation committee, including recommending a raise of 3% for Dr. Royal to the Commissioner of Higher Education.

### REPORT OF THE CHAIR

### PRESIDENT’S REPORT

Emergency Operations Plan Update: presented by Interim Chief of Police, Chester DeGray.

The Public Safety working group has been meeting monthly to update the college’s safety plans. They are currently in the final stages of approving the evacuation plans for each of the campus buildings, as well as the entire campus. Once that is done, they will put up signage around the campus indicating rallying points for each building during an evacuation. They will also update all
of the college maps. Next up will be finalizing the college’s Active Shooter plan for the campus. The Active Shooter Plan should be finalized over the fall semester. The college has an agreement in place with Westfield State University to share an Emergency Management Director. The search for that position is underway.

Chair Gilbert asked Chief DeGray for a status update on the college's armory. A discussion thus ensued.
