

## Advanced Placement (AP) Exams

The College Board Advanced Placement Program (AP) provides participating high schools the opportunity to offer college-level coursework to students in a variety of subject areas. Upon completion of an AP course, the high school student may take an AP examination. AP scores range from 1 to 5 points. AP scores of 3, 4, and 5 are commonly acceptable as the equivalent of college-level course work.

AP exam scores and transfer credit awarded by HCC:
