Dual Enrollment Steps to Apply and Enroll at HCC

1. Start by creating an account at www.hcc.edu/apply.

2. Under “What are your Academic Plans?” in the create an account page select the following below.

   - Anticipated Entry Term: Fall 2021
   - Academic Program of Interest: Not Seeking a Degree/Certificate at HCC
   - What will you be entering HCC as?: High school student taking classes at HCC

3. Click on Create a New Application and select Start a new Dual Enrollment Application!

All your information from your create account form will be pre-populated on your application. Complete and submit your application in one session or return to www.hcc.edu/apply and complete later.
4. Check “My Application” for Supplemental Items to see if you need to submit any documents prior to being accepted to HCC.

5. Take the College Placement Test (CPT). Holyoke Community College uses the College Board Accuplacer test as the College Placement Test. Go to https://accuplacer.collegeboard.org/students for practice tests and study guides.

If you previously completed a college level English and/or Math course you may not have to take the CPT. Submit your college transcripts for verification.
