From the
Executive Director

Holyoke Community College is an institution of excellence and opportunity. Our 75-year history of providing students with the skills, education, and confidence to succeed results in the vibrant and diverse learning environment we know today.

All of this is thanks in large part to you.

The outpouring of support from you and others during our 2020-2021 fiscal year was simply remarkable. And I assure you, your gifts are being put to good use: enabling HCC to deliver strong academic programs, create vibrant student life activities, attract and retain brilliant faculty, and provide life-changing scholarships and financial aid.

Together, with you, we are creating an even stronger future for HCC.

On behalf of the HCC Foundation Board of Directors, I offer you our deepest gratitude for keeping HCC strong. If this past year taught us anything, it's that it takes a dedicated community to keep us moving forward — and to see our students thrive.

Amanda E. Sbriscia
Vice President, Institutional Advancement
