For classes having both lecture and lab, the exam time is based on the lecture meeting time. A student having more than two final exams scheduled on the same day may ask instructors for arrangements to limit exams to two per day. A student needing further assistance making such arrangements should see the appropriate Division Dean(s).

*\*Does not include Evening, NUR, PNR, RDL and ENG 101 sections. Evening classes have their exams on the same night as their class meets during the semester. See Health Division for NUR, PNR, RDL schedule.*
