

Technology and Marketing Internships

Internship Opportunities are available with Mount Vida. Participants will support the following areas:

- **Research and Strategy**
- **Database Management and Technical Support**
- **Marketing and Sales Activities**
- **Customer Engagement**

This program offers a structured environment for students to build skills, receive feedback, and gain valuable experience solving real-world business and technology problems. Business and Technology track students are encouraged to apply. This is a great opportunity for anyone interested in business, technology, and marketing.

We Will Provide:

- **Unique and Real Experience.** This is an exciting real-world experience and an opportunity to enhance your practical business skills. We work as a team, we cross-train, we work hard, and we have fun.
- **Technology and Equipment.** Real world means real tech. We are using the latest technology in CRM, VOIP, E-Commerce, and other business systems.

You Will Provide:

- A self-motivated can-do attitude.
- A genuine interest and willingness to learn business, technology, and marketing.
- Superior organization skills.
- Superior communication skills.
- A commitment to performance and approximately 10-15 hours per week.
