Are You Cleared to Graduate?

Students on track to fulfill their graduation requirements by the end of the Fall 2022 semester should have received an email from the Registrar confirming their status as “Cleared to Graduate.”

Students who believe that they have fulfilled their graduation requirements and have yet to receive an email or it is not listed in Online Services should inquire by submitting a Graduation Audit Application.

You can also find the Student Records Staff at our "Are You Cleared to Graduate?" table at the Campus Center during the activity period on Wednesdays from 11 a.m. to noon until Dec. 1, 2022. Please come by and visit us with your graduation questions.

**RESOURCES FOR STUDENTS**

**Student Emergency Fund**

If you are struggling financially, the President’s Student Emergency Fund can help! This fund assists HCC students who encounter unforeseen financial emergencies that would prevent them from continuing their education.
The COVID-19 pandemic has made these emergencies even more prevalent, but funding is available to help you overcome barriers related to housing, food, utilities, transportation and childcare. The application takes just a few minutes to complete and is reviewed within 48 hours. Students receive the support they need -- or are directed to other resources -- within a few days. The application form and details can be found on the President’s Student Emergency Fund webpage.
