¹ Students must meet all eligibility criteria to receive benefits.

² Freeze reflects the tuition and mandatory fees rates in effect the year the student enters the program. For example: If a student enters the Commonwealth Commitment at Bunker Hill Community College in Fall 2016, that student will be charged the same rates while at BHCC. If the student transfers to UMass Boston in Fall 2018, the student will pay the mandatory fees rates at UMass Boston at their Fall 2016 rates for the next two years and get the *MassTransfer* tuition credit. This freeze does not include discretionary fees and non-mandatory fees.
