This is not an articulation agreement. This chart should serve as a reference for Holyoke Community College students who eventually plan to transfer to Western New England University. We hope that this will aid you in working towards your academic goals and maximize the transfer credit applied towards a degree at Western New England University. Please reference our University Catalogue for additional information. A maximum of 70 semester hours may be transferred from two-year institutions.

Lab Science—any courses from the following areas: BIO, CHM, ESC, FRS, or PHS.

Business courses from a college not accredited by AACSB that are determined to be equivalent to 300-400 level courses at Western New England University will be considered for credit (up to two courses).
