

# HCC Wireless

HCC Has a wireless network for all students, faculty, staff and guests. It is called **HCC-WIFI**.

## Students, Faculty and Staff with an HCC Account

Connect your personal device to the **HCC-WIFI** network. A login screen should automatically pop up.

Enter your HCC Account username and password and click Sign On.

You must Accept the Acceptable Use Policy.

Click Connect.

You will be connected to the network and redirected to the HCC.edu home page.

### Forget all other networks

Be sure to Forget any other HCC wireless networks (HCC-User or HCC-Guest) that you have used in the past.

## Guests

Guests who do not have an HCC Account may register for an account valid for 7 days.

Connect to **HCC-WIFI** and the login screen should pop up. Click on [Or register for guest access](#) at the bottom.

You will need to enter a username, your first and last name, email address and mobile phone number and be able to either receive an SMS text or email message to receive your guest password.

Once you have your password, return to the Sign On screen and enter the username you registered with and the password.

The screenshot shows the 'Wireless Guest Portal' login interface. At the top, there is a green header with the Holyoke Community College logo and the text 'Wireless Guest Portal'. Below the header, the text reads 'Welcome' and 'Sign on with your HCC email credentials or Register for Guest Access'. There are two input fields: 'Username:' and 'Password:'. Below the password field is a blue 'Sign On' button. At the bottom, there is a blue link that says 'Or register for guest access'.
