Introduction

Holyoke Community College has prepared this report in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This report includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Holyoke Community College; and on public property within, or immediately adjacent to and accessible from, the campus. This report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters.

This report is prepared in cooperation with local law enforcement agencies and the offices of Student Affairs, Athletics, and Student Activities. Each entity provides updated information on their educational efforts and programs to comply with the Act.

Campus crime, arrest and referral statistics include those reported to the Holyoke Community College Public Safety Department (HCCPD), designated campus officials and local law enforcement agencies.

The full text of this report is available online at hcc.edu/asr. Each year, an email notification will be made to all enrolled students, faculty and staff. This notification provides information on how to access the Annual Security report online. Employees who do not have a campus email address will receive a postcard through campus mail which provides similar information. Students should familiarize themselves with the HCC Student Handbook, which states that student email accounts will be used to communicate with the student body.

Copies of this report may also be obtained at the Campus Police Department located in the Public Safety building, or by calling HCCPD at 413.552.2400. All prospective employees may obtain a copy from the Human Resources Office in Frost Building, or by calling 413.552.2554. Prospective students may obtain a copy from the Admissions Office in the Frost building or by calling 413.552.2296.

Statement of Policy Addressing General Procedures for Reporting a Crime or Emergency

Community members, students, faculty, staff, and guests are encouraged to report all crimes and public safety related incidents in a timely manner.

In case of fire or to request an ambulance, dial 911 from a campus phone or cell phone. For all other emergencies, dial campus police at 2211 (from campus phones) or 413.552.2211 (from cell phones or off-campus land lines).

Please note that 911 calls are answered at the State Police regional dispatch center. When calls to 911 are made via campus phone (in an office, classroom or hallway), the caller's location, including building and floor, are displayed to the State Police dispatcher.

When 911 calls are made using a cell phone, the police rely on the caller to provide location information, including the full name of the building, floor and room number.

As an added security measure, nine emergency "HELP" phones are located at strategic points in the parking lots and adjacent to entrances. When the red emergency button is pushed, the caller is in immediate contact with the HCCPD. In addition to providing voice contact with a police dispatcher, HELP phone use also enables a dispatcher to pinpoint the caller's location. Additional red phones have been placed in hallways in the buildings and can be used by anyone to report an emergency.

When calling for either emergency or non-emergency service, be prepared to:

- Clearly identify yourself
- State where you are calling from
- State briefly the nature of your call

If possible, stay on the line unless otherwise advised by the officer. If assistance is required from off campus, the officer will summon the appropriate police, fire and/or medical service.

Crimes may also be reported anonymously via phone at 413.552.2808 or online at hcc.edu/reportcrime.

To report a crime that occurs at an off-campus location, contact the appropriate local police department. In the case of an emergency it is always best to dial 911 and follow the procedures outlined above.

Statement of Policy Addressing Timely Warnings

The Holyoke Community College Public Safety Department is responsible for issuing Public Safety Advisories in compliance with the Clery Act. In the event a situation arises, these advisories are issued to keep the campus community informed about safety and security matters. The decision to issue a Public Safety Advisory is decided on a case by case basis in light of all the facts surrounding an incident, including factors such as the nature of the crime, the continuing threat to the campus community, and the possible risk of compromising law enforcement efforts. Public Safety Advisories are issued for crimes defined by the Clery Act. Public Safety Advisories may also be posted for other crime classifications as deemed necessary. To issue a Public Safety Advisory the HCCPD informs the campus community via a campus-wide targeted announcement which is addressed to students, faculty and staff.

In addition to these Public Safety Advisories, Campus Alerts are issued to the campus community in the event of an imminent or ongoing threat to the community. Campus Alerts are disseminated with the goal of notifying as many people as possible, as rapidly as possible. (i.e., active threats, bomb threats, a dangerous chemical spill, etc.) These alerts are sent via text messages, phone and email to individuals through

the campus emergency notification system. These alerts may be sent by the President's Office, members of the senior staff or the Campus Police.

All students, faculty and staff are encouraged to go to hcc.edu/ens/ to ensure that alerts are sent through their preferred communication channel. Individuals with disabilities are encouraged to contact either the Office for Student with Disabilities and Deaf Services at 413.552.2582 or the ITD Help Desk at 413.552.6094 for assistance in subscribing to Campus Alerts.

Policy Addressing Limited Voluntary Confidential Reporting

It is the policy of the HCCPD that all crimes should be reported to the Campus Police Department. Anyone who is the victim or witness of a crime on campus

is encouraged to promptly report the incident to the HCCPD. However, due to the sensitive nature of certain types of crime, victims of sexual assault may choose to confidentially report crimes to Olivia Kynard, Affirmative Action Officer & Title IX Coordinator, MRB 319, 413.552.2173, and not to campus police. While crimes that have occurred are counted in the annual crime statistics, specifics are confidential and do not appear in the Annual Security Report.

Although most police reports are public records under state law, certain reports involving Domestic Violence and/or Sexual Violence will remain confidential.

Regardless of whether a report is made anonymously or not, all reports will be investigated. When appropriate, crime reports will be referred to the Dean of Students and/or the Title IX Office for reporting purposes.

When a potentially dangerous threat to the college community arises, Public Safety Advisories or Campus Alerts will be issued to notify individuals of the threat in a timely manner. These advisories and alerts will also inform the community of any recommended action to be taken. (See Timely Warning Policy).

A link for confidential reporting of a sexual assault has been placed on the HCC website at: hcc.edu/reportcrime.

Policy Addressing Counselors

As a result of the negotiated rulemaking process which followed the signing into law of the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities.

Campus “Pastoral Counselors” and Campus “Professional Counselors,” when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion in the annual disclosure of crime statistics. As a matter of policy, professional counselors at Holyoke Community College are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion in the annual crime statistics.

The rulemaking committee defines counselors as:

Pastoral Counselor

An employee of an institution, who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor. Holyoke Community College does not have pastoral counselors.

Professional Counselor

An employee of an institution, whose official responsibilities include providing psychological counseling to members of the institution’s community, and who is functioning within the scope of his or her license or certification.

Statement of Policy for Addressing Security and Access

Most campus buildings and facilities are accessible to members of the campus community, guests, and visitors during normal hours of business, Monday through Friday, and for limited designated hours on Saturday, Sunday, and holidays. The college has no on-campus residence housing. Facilities are maintained, and their security monitored, in the interest of students, staff, and faculty. Campus Police and Security officers routinely monitor college facilities and security cameras in multiple locations are utilized to investigate alleged criminal activity. Many cultural and athletic events held in college facilities, such as the Bartley Center for Athletics and Recreation and the Leslie Phillips Theater are open to the public. Other facilities such as the bookstore, library, and cafeteria

are also open to the public. Access to academic and administrative facilities on campus is generally limited to students, employees, and visitors for the purpose of study, work, teaching, and to conduct other college business. Areas such as the Kittredge Center conference and computer rooms are rented to other government and private entities at times. All groups using the Kittredge Center are registered through the office of the Vice President for Business and Community Services. Campus buildings are secured either by key or a key card system.

Statement of Policy for Addressing Campus Law Enforcement Authority and Jurisdiction

Campus police officers possess the power and authority to apprehend and arrest anyone involved in illegal acts on campus. If needed, the HCCPD receives assistance from the Holyoke Police Department, Hampden County Sheriffs Department, and the Massachusetts State Police.

The Holyoke Community College Public Safety Department operates 24 hours per day, seven days a week, providing all patrol and emergency response services at the HCC campus.

By mutual agreement with state and federal agencies, HCCPD maintains a Criminal Justice Information Services terminal which provides department personnel with access to the National Crime Information Computer System as well as the Criminal History Systems Board for the Commonwealth of Massachusetts. These computer databases are used to enhance public safety by accessing criminal history data, nationwide police records, driver/vehicle identification information, as well as other local, state and federal law enforcement information.

The sworn personnel and support staff of the Holyoke Community College Public Safety Department are dedicated to ensuring that the campus is a safe environment for studying, teaching, researching, and recreating. The department strives toward this goal through problem-solving partnerships with the faculty, staff, and students, as well as state and local governmental bodies, and community neighbors.

The Holyoke Community College Public Safety Department works in collaboration with state and federal law enforcement agencies on an ongoing basis.

Feel free to contact us for routine business or if you have any questions, concerns, or suggestions regarding the Holyoke Community College Public Safety Department.

You may call the HCCPD at 413.552.2400.

Statement of Policy for Addressing Security Awareness and Crime Prevention Programs

The Holyoke Community College Public Safety Department believes that through crime prevention and safety awareness education, community members are better prepared to prevent crime and to respond if crime does occur.

The Director of Emergency Preparedness and Response, together with the HCC Public Safety Department, conduct campus-wide Emergency Preparedness 101 training, and work with college departments to develop individualized response plans and provide additional training as needed.

The Director of Emergency Preparedness and Response and public safety officers also actively seek response partners within our community. These partners, such as the HCC veterans group and HCC faculty and staff, receive additional training and assume communication and coordination duties in the event of an emergency.

The Director of Public Safety or a designee sits on the college's Behavioral Intervention Team, and partners with the Dean of Students and the Title IX Coordinator to address mental health issues in a supportive and timely manner, and offer support to students who are victims of violence either on or off campus. In addition to first responder training, public safety officers receive ongoing mental health first aid training, in order to better serve our community.

Along with working one-on-one with members of the college community, HCC provides extensive information on safety and emergency preparedness is available on the college website at hcc.edu/safety. Emergency information posters have been placed in every classroom and office on campus, and telephones are available in campus hallways that can be used to obtain emergency assistance. The college has installed a public address system in all campus buildings, augmented by strategically placed LCD screens, which also carry emergency messages.

Campus Safety, in conjunction with HCC Facilities staff, are continually reviewing and assessing safety features, such as lighting and infrastructure, to address any defects or improvements in a timely manner. Blue light stanchions are checked weekly to assure their functionality. The department is also currently assessing new communication tools that will permit two-way emergency communications within the department, both on and off campus.

Statement of Policy for Addressing Criminal Activity Off Campus

If a student is charged with an off-campus violation of federal, state, or local laws, the college reserves the right to take disciplinary action and impose sanctions against the student. Proceedings under this student code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus. Campus police officers may assist local, state and federal law enforcement agencies with investigations of off-campus offenses by HCC students. The college operates no off-campus housing or off-campus student organization facilities.

Statement of Policy Addressing Alcohol, Illegal Drugs, and Substance Abuse Education

Substance abuse and its related consequences undermine the goals of academic success and civility at Holyoke Community College. For this reason, the college has established policies and

regulations pertaining to the possession and consumption of alcoholic beverages and the possession, use, distribution and sale of illicit drugs, and paraphernalia. These standards conform to state and federal laws, and enhance the health, safety, property and educational interests of all members of the college community.

Health risks associated with alcohol and other drug consumption include impaired judgment, vision, speech, coordination, memory, sensation and perception. Long-term use of alcohol and other drugs can negatively impact many of the body's systems, and cause physical and psychological dependence.

In accordance with the Drug-Free Schools and Communities Act, Amendments of 1989 (PL101-226 20 U.S.C. sec. 1145g), college regulations and laws pertaining to alcoholic beverages and the possession, use, distribution and sale of illicit drugs shall be strictly and consistently enforced. Any violation of the college's Code of Student Conduct or violation of federal, state or local laws shall subject the offender to the college disciplinary process and/or criminal prosecution.

The college presents campus-wide drug and alcohol education programs on an annual basis, as well as educational opportunities available in current or future academic offerings. In addition, mental health and alcohol use screenings are available for free through WellConnect's CU Thrive website at wellconnect.cuthrive.com.

Drug Policy

Violators of HCC drug policies are subject to severe sanctions including, but not limited to, suspension and expulsion from the campus. Unlawful possession of a controlled substance is prohibited, as defined

by Massachusetts General Law (MGL) Chapter 94C, Section 32, which states “no person knowingly or intentionally shall possess a controlled substance, unless such substance was obtained directly, or pursuant to a Drug paraphernalia used with controlled substances is prohibited, as defined by MGL Chapter 94C, Section 32, which states “no person shall sell, possess with intent to sell, or manufacture with intent to sell drug paraphernalia, knowing, or under circumstances where one reasonably should know, that it will be used to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, package, repackage, store, contain, conceal, inject, ingest, inhale or otherwise introduce into the human body a controlled substance.” Determination of whether an item is drug paraphernalia will be made considering all relevant facts, including, but not limited to, the proximity of the item to the controlled substances. Penalties include imprisonment and/or fines.

- Unlawful sale/distribution/manufacture of controlled substances is prohibited, as defined by MGL 94C, Section 32, which states, “any person who knowingly or intentionally manufactures, distributes, dispenses or possesses with intent to manufacture, distribute or dispense a controlled substance in Class A of section thirty-one shall be punished by imprisonment in the state prison for not more than ten years or in a jail or house of correction for not more than two and one-half years or by a fine of not less than one thousand nor more than ten thousand dollars, or by both such fine and imprisonment.”

Policy Against Sexual Violence

A. Introduction

Sexual violence is prohibited under state law and the College's Policy on Affirmative Action. Sexual violence is prohibited pursuant to Title IX of the Educational Amendment Act of 1972, which states: No person in the United States, shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal assistance.

All reported or suspected cases of sexual violence shall be reported to Olivia Kynard, Affirmative Action Officer & Title IX Coordinator, MRB 319, 413.552.2173. Please refer to the Complaint Procedures for specific complaint procedures and guidelines (see Section L).

The College prohibits retaliation against any person who presents a formal or informal complaint of sexual violence or who testifies or offers evidence connected with a complaint. Retaliation is a violation of this policy whether or not the underlying claim of sexual violence is confirmed.

B. Sexual Violence Defined

Sexual violence is defined under the “Definitions” section of this Policy and includes rape, acquaintance rape, sexual assault, stalking, domestic and dating violence.

C. Reporting Complaints of Sexual Violence

A victim of sexual violence has the right to file (or not file) an Affirmative Action Discrimination Complaint Form with the College. The process for filing a complaint is outlined under the Policy on Affirmative Action's Complaint Procedure. For more information or assistance with filing a complaint, please contact the College's Title IX Coordinator. If the Title IX Coordinator is the subject of a complaint, the President shall designate another College official to administer the Complaint Procedures. A victim may also choose to file a criminal complaint, in which case the Title IX Coordinator and/or Campus Police can assist the victim with that process. Reporting the incident to the Title IX Coordinator or Campus Police does not obligate the victim to file criminal charges.

D. College's Investigation

The College is obligated to investigate allegations of sexual violence, even if the alleged victim chooses not to file a formal complaint and/or participate in the investigation. Additionally, a complaint filed in another forum, including a criminal or civil complaint, shall not delay the College's investigation of a complaint of sexual violence. The College shall promptly and

E. Victim Identification

Personal identifiable information about a victim will be treated as confidential and only shared with persons with a specific need to know and/or who are investigating and/or adjudicating the complaint, delivering resources or support services to the victim or as public safety requires. The College does not publish the names or other identifiable information of victims in the campus police department's Daily Crime Log, in any Timely Warnings issued or online. In accordance with the Family Educational Rights and Privacy Act, a victim may request that no directory information maintained by the College be released absent his/her prior, written consent.

F. Interim Protective Measures

Title IX requires the College to take reasonable steps to ensure equal access to its education programs and activities and protect individuals from Prohibited Conduct, including taking interim protective measures before the final outcome of an investigation. The College shall take these steps promptly once it has notice of an allegation of Prohibited Conduct, including sexual violence. Examples of interim protective measures include, but are not limited to, the following:

- Access to counseling services and assistance in scheduling an appointment, on or off campus;
- imposition of an interim suspension or on-campus "no-contact" order;
- rescheduling of exams and assignments;
- providing alternative course completion options;
- changing class schedules, including withdrawing from a course without penalty;
- changing work schedules or job assignments;
- limiting access to certain College facilities or activities pending resolution of the matter;
- voluntary leave of absence;
- providing an escort to ensure safe movement between classes and activities; and/or
- providing academic support services, such as tutoring.

thoroughly investigate all such allegations in accordance with the Policy on Affirmative Action. The College may also institute protective measures, such as a no-trespass order, restricted access to campus, adjusted class or work schedule, or a leave of absence, during the investigative process and/or upon completion of the disciplinary process. A person found to have committed an act of sexual violence shall be subject to disciplinary action, up to and including suspension, expulsion or termination from the College, as well as criminal prosecution.

The specific interim measures implemented and the process for implementing those measures will vary depending on the facts of each case. The College will

consider a number of factors in determining what interim measures to take, including, for example, the specific needs expressed by the victim; the severity or pervasiveness of the allegations; any continuing effects on the victim; whether the victim and respondent share the same classes, dining hall schedule, transportation, or job location; and whether other judicial measures have been taken to protect the victim (e.g., civil protection orders).

In general, when taking interim protective measures, the College shall minimize the burden on the victim.

To the extent permitted by law, the victim shall be notified of any interim measures taken by the College concerning the respondent. Even under those circumstances where a victim does not wish to pursue a complaint and requests confidentiality, the College must take immediate action to protect the victim while keeping her or his identity confidential.

Amnesty

Students may be hesitant to report sexual violence out of concern that they, or witnesses, might be charged with violations of the College's drug/alcohol policies. While the College does not condone such behavior, it places a priority on addressing allegations of sexual violence. Accordingly, the College may elect not to pursue discipline against a student who, in good faith, reports, witnesses or possesses personal knowledge of an incident of sexual violence.

Protections for Victims of Sexual Violence

A person subjected to sexual violence shall:

- Be provided with a copy of the College's Sexual Violence – Victim's Rights and Information Advisory, which shall include information concerning counseling, health, and mental health services, victim advocacy and support, law enforcement assistance, and other services available on and off campus;
campus personnel should a civil and/or criminal complaint be pursued;
- Be free from any suggestion that they somehow contributed to or had a shared responsibility in the violent act;
- Receive the same level of support at any proceeding before College officials as is permitted to the accused party, including the presence of a personal advisor during any disciplinary proceeding and the right to be notified in a timely manner of the outcome of such proceedings and any appeal right available;
- Receive full and prompt cooperation from College personnel in obtaining and securing evidence (including medical evidence) necessary for any potential criminal proceedings;
- Have access to existing College counseling and medical professionals, victim support services, and to obtain referrals to off-campus counseling and support services if desired;
- Be permitted to attend classes, work and participate in College activities free from unwanted contact or proximity to the respondent insofar as the College is permitted and able;
- Be permitted to request changes to an academic schedule if such changes are requested by the alleged victim and are reasonably available; and
- Be informed of any no-contact or no-trespass orders issued to the respondent by the College and the College's commitment to honor any court-issued restraining or protective orders, to the extent permitted by law.

G. Recommended Procedures for a Victim of Sexual Violence

For a person subjected to an act of sexual violence, there can be time-sensitive decisions to make about sexually transmitted infections, pregnancy, and collecting physical evidence in the event of prosecution. Individuals who have been victims of sexual violence are advised as follows:

- **Protect Yourself and Get Medical Attention** – A victim should be advised to go to a safe place as soon as possible and seek medical attention immediately.

Injuries and exposure to disease may not be immediately apparent.

A medical examination can provide necessary treatment and collect important evidence.

It is recommended that a physical exam be conducted within 72 hours of the violence. Submitting to a physical exam does not mean that a victim is required to press charges. This action merely preserves the option to do so. Designated College personnel can assist in providing transportation to the hospital.

- **Preserve Evidence** - It is important to preserve all physical evidence following an act of sexual violence. Physical evidence may be necessary in the event criminal prosecution is pursued. If possible, a victim should be advised not to wash, eat, drink, douche, clean, use the bathroom, or change clothes. If clothes are changed, all clothes that were worn at the time of the incident should not be cleaned and should be placed into an unused or a clean paper bag.

Disciplinary Proceedings

College disciplinary proceedings are detailed in the Holyoke Community College Code of Student Conduct. The Dean of Students Office is in charge of college discipline and allows the accused and the victim to select a person who has no formal legal training to accompany them throughout the hearing. In cases involving the allegation of violent crime, both the victim and the accused will be informed of the outcome of the judicial hearing. A student found guilty of violating the college Policy Against Sexual Violence could face criminal proceedings as well as suspension or expulsion from the college.

Statement of Policy Addressing Sex Offender Registration

The Federal Campus Sex Crimes Prevention Act requires colleges and universities to issue a statement advising the campus community where state law enforcement agency information concerning registered sex offenders may be obtained. The act also requires registered sex offenders to provide to appropriate state officials notice of each institution of higher education in that state at which the offender is employed, carries on a vocation, or is a

student.

How to Inquire

Members of the Holyoke Community College community may request information about sex offenders in Massachusetts at the Massachusetts Sex Offender Registry Board, telephone 978.740.6400 or state.ma.us/sorb

Penalties for Improper Use of Sex Offender Registry Information

Information contained in the Sex Offender Registry shall not be used to commit a crime against an offender or to engage in illegal discrimination or harassment of an offender. Any person who improperly uses Sex Offender Registry information shall be punished by not more than two and one-half years in the house of correction or by a fine of not more than \$1,000 or by both such fine and imprisonment.

Statement of Policy for Reporting the Annual Disclosure of Crime Statistics

As required by federal law, HCCPD yearly crime statistics for this report are compiled on a calendar- year basis in accordance with the definitions of crimes provided by the FBI for use in the Uniform Crime Reporting (UCR) system. The report includes statistics for the previous three years concerning crimes that occurred on campus reported to HCC Police, designated campus officials, including but not limited to directors, deans, department heads, dean of students staff, advisors to students, and athletic coaches. In addition, these statistics also include persons referred for campus disciplinary action for categories required under the Clery Act, including liquor and drug law violations, and illegal weapons possession. Statistical information for certain off- campus locations or property owned or controlled by the college as well as public property within or immediately adjacent to and accessible from the campus are collected or requested from the Holyoke police department and the Ludlow police department for the Adult Learning Center in Ludlow. For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year during which the crime was reported.

The crime statistics tables located at the end of this report are reflective of the requirements mandated by Federal law for compiling this report which became effective July 1, 2000.

Specific Information about Classifying Crime Statistics

The following statistics are published in accordance with the standards and guidelines used by the Federal Bureau of Investigation Uniform Crime Reporting Handbook and the federal law (the Clery Act).

The number of victims involved in a particular incident is indicated for the following crime classifications: Murder/Non-Negligent Manslaughter, Negligent Manslaughter, Forcible and Non-Forcible Sex Offenses, Aggravated Assault. For example, if an aggravated assault occurs and there are three victims, this would be counted as three aggravated assaults in the crime statistics chart.

The number of incidents involving a particular offense is indicated for the following crime categories (includes one offense per distinct operation): Robbery, Burglary, Larceny, and Arson. For example, if five students are walking across campus together and they are robbed, this would count as one instance of robbery in the crime statistics chart.

In cases of motor vehicle theft, each vehicle stolen is counted.

In cases involving Liquor Law, Drug Law, and Illegal Weapons violations, each person who was arrested is indicated in the arrest statistics. If an arrest includes offenses for multiple liquor or drug law violations, it is only counted as a Drug Law Violation as that is the more egregious offense.

The statistics captured under the "Referred for Disciplinary Action" section for Liquor Law, Drug Law, and Illegal Weapons violations indicate the number of people who are referred to the Dean of Students Office.

Hate Crime statistics are separated by their category of prejudice. Statistics for Hate Crimes are counted in each specific Clery reportable crime category and therefore, are part of the overall statistics reported for each year. The only exception to this is the addition of a bias motivated simple assault resulting in bodily injury; the law requires that this statistic be reported as a hate crime even though there is no requirement to report the crime in any other area of the compliance document.

Specific Information about the Crime Statistics Reported by HCCPD

Unless otherwise indicated, all statistics are from incidents that were reported to HCCPD. "Reported to Other Campus Agencies" includes crime statistics from incidents reported by other Campus Security Authorities (e.g. athletic coach).

Offense Definitions Relating to the Hate/Bias Related Crime Statistics Per the UCR Hate Crimes Reporting Guidelines

A hate crime is a criminal offense committed against a person or property which is motivated, in whole or in part, by the offender's bias.

Holyoke Community College is required to report statistics for hate (bias) related crimes by the type of bias as defined below for the following classifications: murder/non-negligent manslaughter, negligent manslaughter, sex assault (rape, fondling, statutory rape and incest), robbery, aggravated assault, burglary, motor vehicle theft, arson (see definitions above) and larceny, vandalism, intimidation, and simple assault (see definitions below).

Larceny: The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another.

Vandalism: To willfully or maliciously destroy, injure, disfigure, or deface any public or private property, real or personal, without the consent of the owner or person having custody or control by cutting, tearing, breaking, marking, painting, drawing, covering with filth, or any other such means as may be specified by local law.

Intimidation: To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

Note: If a hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document. A hate or bias related crime is not a separate, distinct crime, but is the commission of a criminal offense which was motivated by the offender's bias. For example, a subject assaults a victim, which is a crime. If the facts of the case indicate that the offender was motivated to commit the offense because of his bias against the

victim's race, sexual orientation, etc... the assault is then also classified as a hate/bias crime.

Geography Definitions from the Clery Act

by the institution in direct support of or in a manner related to the institution's educational purposes, including residence halls; and 2. Any building or property that is within or reasonably contiguous to the area identified in paragraph (1), that is owned by the institution but controlled by another person, is frequently used by students and supports institutional purposes (such as a food or retail vendor).

Non-Campus Building Or Property—defined as:

1. Any building or property owned or controlled by a student organization that is officially recognized by the institution; or 2. Any building or property owned or controlled by an institution that is used in direct support of or in relation to the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

Public Property—defined as: All public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus or immediately adjacent to and accessible from the campus.

Emergency Response and Evacuation Procedures

It is the policy of HCC to notify, without delay, the campus community of any confirmed significant emergency or dangerous situation involving an immediate threat to the health and safety of students or employees. The content of the notification will be determined and the notification system will be initiated unless, in the professional judgment of responsible authorities, the release of such notification at that time would compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency. The notification system's purpose is to provide brief and immediate instructions to the campus community and identify other resources where additional information can be obtained. During an emergency, detailed information about an incident would be provided in other forms of communication, such as: email, website, voice mail, and emergency bulletins issued through the media. All students, faculty, and staff are strongly encouraged to update their contact information with the college's emergency notification service at hcc.edu/alert.

Affirmative Action Complaint Procedure

General Information

A. Application of Policy

The complaint procedure is intended to provide a mechanism to investigate and where possible resolve complaints of alleged violations of this Policy against employees and students. The procedures outlined below are intended to ensure that the College will conduct an impartial, fair, effective, and efficient investigation of all allegations of discrimination without fear of retaliation. The complaint procedure is available to any employee or student who believes he/she has been discriminated against on the basis of a protected classification or retaliation. A complaint filed in another forum

does not preclude a student or employee from filing a complaint under this Policy. Further, a complaint filed in another forum, including a criminal or civil complaint, shall not delay an investigation of a complaint filed under this Policy.

B. Confidentiality of Process

The complaint procedure will be conducted as confidentially as reasonably possible to protect the privacy rights of all individuals involved. The College may share information concerning the complaint with parties, witnesses and/or others during any phase of the procedure on a need-to-know basis and shall share information with union representatives as provided for in G.L.c.150E. All individuals with whom information is shared shall be advised of the confidential nature of the information and directed not to discuss the matter with anyone other than a personal advisor, if applicable.

C. Complainant Requests Confidentiality

Where a Complainant requests that no action be taken by the College or requests that her/his identity not be revealed, the College shall take reasonable steps to investigate and respond to the complaint, but shall inform the Complainant that such a request may hamper its ability to fully investigate an alleged violation of this Policy and/or to take appropriate remedial steps, including disciplinary action. Where an allegation includes the potential of an ongoing threat to the health, safety or security of the College or a potential adverse employment action, the Affirmative Action Officer shall inform the Complainant that it cannot ensure confidentiality and disclosure of their name may likely be required.

D. Anonymous Complaints

To the extent possible, the College is obliged to investigate and respond to anonymous complaints.

E. Off Campus Behavior

The College reserves the right to investigate alleged prohibited conduct under this Policy occurring off-campus when such conduct adversely affects the College Community, poses a threat of harm to the College Community; interferes with the College's pursuit of its educational objectives and mission, and/or if a student or employee is charged with a serious violation of state or federal law.

F. Interim Action

The College reserves the right to suspend a student on an interim basis or place an employee on paid administrative leave prior to completing an investigation under this Policy when it reasonably concludes that a student or employee: (a) poses a threat to health or safety; (b) poses a threat to College property or equipment; (c) is disruptive or interferes with the normal operations of the College; or (d) is charged with a serious violation of state or federal law. In such cases, the College shall provide the employee or student of the specific reason(s) for the interim action. During a student's interim suspension or an employee's leave, the College reserves the right to prohibit the individual from entering upon the College's property or participating in any College activities absent written authorization from an appropriate official of the College.

G. Joint Investigation

In some circumstances a Responding Party's conduct may constitute a potential violation of this Policy and/or other conduct policies applicable

to employees or students. In such cases, in order to avoid duplicative investigatory efforts, a joint investigation under this Policy may be conducted by the AAO and the administrator charged with enforcing conduct policies. For example, if the Responding Party is a student, the Affirmative Action Officer and Student Code of Conduct Officer may jointly investigate the complaint. Based on the findings of their joint investigation, the student may be subject to disciplinary action for violations of the Affirmative Action Policy and/or the Student Code of Conduct. Where the Responding Party is an employee, a joint investigation may be conducted by the Affirmative Action Officer and the employee's supervisor. Based on the findings of their joint investigation, the employee may be subject to disciplinary action for violations of the Affirmative Action Policy and/or for inappropriate and unprofessional conduct.

H. Collateral Rights of Employees

Any disciplinary action taken against an employee shall be regarded as an administrative action subject to all terms and conditions of applicable collective bargaining agreements or personnel policies.

I. Complaints of Sex Discrimination, Sexual Harassment or Sexual Violence

The Title IX Coordinator Olivia Kynard, Affirmative Action Officer & Title IX Coordinator, MRB 319, 413.552.2173 shall have the responsibility for administering this Policy relative to complaints of sex discrimination, sexual harassment and sexual violence.

Formal & Informal Procedures

The complaint process is comprised of two procedures - the informal procedure and the formal procedure.

A. Informal Procedure

Where appropriate, the parties to a dispute and/ or the Affirmative Action Officer, may attempt to reach an informal and prompt resolution of the potential complaint. Informal resolution is encouraged and any of the parties involved may request the intervention of the Affirmative Action Officer to assist in resolving the matter informally. An informal resolution is achieved through open dialogue between the parties that allows for the airing of any misunderstandings or disputed issues. The informal procedure shall not be used in an effort to resolve allegations of sexual harassment or sexual violence. Further, at no time shall a Responding Party question or confront a Complainant, or engage a third party to do so, as such conduct may constitute intimidation and/or retaliation, which are strictly prohibited under this Policy.

B. Formal Procedure

The following rules apply throughout all phases of the formal complaint process: (1) all parties to a complaint may have a personal advisor (for union employees this may be a union representative); (2) the role of a personal advisor is limited to providing discrete advice and counsel to the party; (3) the filing of a complaint under this Policy shall not preclude a Complainant from pursuing a complaint in a separate legal forum; (4) a complaint involving a grade dispute shall proceed under this Policy when a student alleges that a grade was improper because of discrimination, discriminatory harassment, sexual violence or retaliation; and (5) all findings reached under this procedure must be based on a “preponderance of evidence” (i.e.; more likely than not) standard.

At any point during the formal complaint procedure, either party may request mediation by contacting the Affirmative Action Officer. The purpose of mediation is to resolve the dispute to the satisfaction of both parties. Mediation shall be mutually agreed upon by the parties. The Affirmative Action Officer, or designee, shall select an impartial mediator, who shall be mutually agreed upon and not unreasonably refused by either party, and inform the parties in writing of the mediation process and schedule. The mediator must have training or experience in mediating matters subject to this complaint process. Where practicable, a mediation session shall be conducted no later than thirty (30) days after agreed to by the parties. The timelines presented under the Complaint Procedure shall be tolled pending the outcome of mediation. If mediation is successful in resolving the complaint, the Affirmative Action Officer shall reduce to writing the terms of the mediated resolution, which shall be signed by the parties. The mediation process shall not be used in an effort to resolve allegations of sexual harassment or sexual violence. If mediation does not result in a resolution, all mediation discussions shall remain confidential and may not be used or introduced in this process or any other forum.

Upon receiving a written complaint, the Affirmative Action Officer will notify the Responding Party in writing, of the complaint (see Appendix B), and provide the Responding Party with a copy thereof. The timeliness of such notification shall be in accordance with the appropriate collective bargaining agreement, if applicable. The Responding Party shall have ten (10) days from receipt of notice to submit to the Affirmative Action Officer a written response to the complaint.

Where practicable, within thirty (30) days from the date the Respondent's written response is received, or the date it was due if none was submitted, the Affirmative Action Officer shall conduct an investigation and prepare and issue a Report of Preliminary Findings to the parties. The investigation shall include, but is not limited to, an analysis of the allegations and defenses presented, consideration of all relevant documents, including materials presented by the parties, interviews of the parties and other individuals and/or witnesses, and/or reviewing certain documents or materials in the possession of either party that the Affirmative Action Officer has deemed relevant to the complaint. The Affirmative Action Officer's report shall specify the investigation undertaken and summarize his/her preliminary findings. The report shall be delivered to the parties in hand or by certified mail. If the investigation is not completed within thirty (30) days, status updates shall be provided to the parties every thirty (30) days until its completion.

Step 1 - Affirmative Action Officer Investigation

When a Complainant believes that he/she has been discriminated against because of his/her race, color, religion, national origin, sex, age, disability, sexual orientation, gender identity, genetic information, veteran status, maternity leave and/or subjected to sexual harassment, sexual violence, or retaliation, the Complainant may file a formal written complaint in writing with the Affirmative Action Officer. For student Complainants, a formal complaint may be filed within thirty (30) days following the end of the instructional period when the Complainant knew or should have known of the grievable act. For employee Complainants, a formal complaint may be filed within thirty (30) days from when the Complainant knew or should have known of the grievable act. The complaint shall contain a statement of all known facts pertaining to the alleged violation and shall be filed preferably on the Affirmative Action Discrimination Complaint Form (see Appendix A), which shall be available from the Affirmative Action Officer. If a student is involved, the Affirmative Action Officer shall notify the Vice President or Dean of Student Services.

During Step 1, the Affirmative Action Officer has the authority to seek to resolve the complaint through an administrative remedy. If the parties accept the administrative remedy proposed, its terms shall be reduced to writing, signed by both parties and the Affirmative Action Officer shall retain the document, with copies to the parties. Thereafter, the matter shall be considered resolved between the parties.

Thereafter, the parties will have ten (10) days from the date of their receipt of the Report of Preliminary Findings to submit Rebuttal Statements to the Affirmative Action Officer. The parties may present no new allegations at that time. Where practicable, within seven (7) days of receiving the parties' Rebuttal Statements, the Affirmative Action Officer shall review the rebuttal Statements and prepare and submit a Report of Final Findings and Recommendations to the President's Designee for consideration.

Issued: December 9, 2014
Amended and Reissued: March 15, 2015

Step 2 - Review and Decision by the President's Designee

Where practicable, within ten (10) days of receipt of the Affirmative Action Officer's Report of Final Findings and Recommendations, the President's Designee shall issue a written decision to the parties. The written decision shall accept, reject or modify the Affirmative Action Officer's Final Findings and Recommendations. The Designee's written decision shall be delivered in hand or by certified mail and shall include the Report of Final Findings and Recommendations. If the President is the Responding Party in an Affirmative Action Complaint, then the Chair of the College's Board of Trustees shall designate a Board member(s) as Designee to administer Step 2 of the Complaint Process.

Step 3 - Appeal to President

A party who is not satisfied with the Designee's written decision may file an appeal with the President within five (5) days of receiving the Designee's decision. Where practicable, within five (5) days of receiving the appeal, the President shall issue a written decision accepting, rejecting or modifying the Designee's decision. The President's decision is final provided that any corrective action and/or discipline imposed is subject to applicable collective bargaining agreements.

If the President is the Responding Party in an Affirmative Action Complaint, then the Chair of the College's Board of Trustees shall consider the appeal and issue the written decision.

Affirmative Action Discrimination Complaint Form

The purpose of this form is to record information required to initiate an investigation into an alleged violation of the College's Affirmative Action Policy. All reasonable efforts will be made to maintain the confidentiality of the parties involved during the complaint procedure in accordance with the Affirmative Action Policy.

It is unlawful to retaliate against a student, employee or any other person in the College for filing a complaint or for cooperating in an investigation of a complaint. All parties to a complaint may have a personal advisor (for union employees this may be a union representative) assist them throughout the process.
