Course Registration Information
Community Education courses fill fast. We suggest you register at least two weeks before class start date, or by registration deadline if noted. If space is still available in a class, HCC can accept registration for most classes up to the business day before a class starts.

A $20 fee will be charged for returned checks. All returned checks not made good will be referred to a collection agent.

CLASS SCHEDULES
Class dates are subject to change. Please check the website (www.hcc.edu/bce) for the latest updates, and be sure to check with the instructor on the first day of class. Classes are not held on state and national holidays, and individual instructors may make other adjustments.

FEES
Fees for materials are now included in the tuition price unless specifically noted.

REFUND POLICY FOR NON-CREDIT COURSES
Courses (with six or more meetings)
1. By the Friday before the first class meeting, 100% of all tuition, less $30.
2. After the Friday before the first class meeting but before the third class meeting 50% of the course cost.
3. No refund will be granted after the start of the third class meeting.
4. Courses (with five or fewer meetings)
1. Refunds are available only if the student withdraws by the Friday before the first class meeting, less 25% of course cost, but not to exceed $25.
2. Youth Programs: By the Friday before the first class meeting, 100% of tuition. No refunds will be granted after the start of the program.

COURSE CANCELLATION
Low enrollments can necessitate course cancellations.

HCC will attempt to notify students whose class has been cancelled and help them choose another course or obtain a refund. Completing your course registrations as early as possible helps the college avoid cancelling classes. If the college cancels a course, 100 percent of all course costs are refunded.

BENEFITS, TUITION WAIVERS, AND THIRD PARTY BILLING
State Employee Tuition Waivers
Present waivers at the time of registration. Waivers are not accepted by telephone, Fax, or mail.
For non-credit courses, full-time state employees, their spouses and dependent children up to age 25 are eligible for tuition remission of 50 percent of tuition only for any non-credit course(s) or program(s). Tuition waivers will be honored so long as the minimum number of full-tuition-paying students per class has been met.

Third Party Billing (Company-Agency Payments)
Please submit, by mail or in person, an enrollment form for each student along with an original purchase order or letter on company-agency letterhead including the student name(s) and the amount to be paid.

To sign up for classes: www.hcc.edu/bce

Following the spring 2023 semester at Holyoke Community College, proof of COVID-19 vaccination will no longer be required for faculty, staff, students, or visitors to the campus. We continue to emphasize sanitation protocols and encourage vaccinations, social distancing, masking, and testing when necessary.

HCC offers a variety of classroom and online courses to help people develop skills to start a new career or enhance existing career skills. Earn a certificate, update industry credentials or start on a path toward a degree.

**Corporate & Professional Education**

**MBTI-Understanding Yourself & Others through the Myers-Briggs Personality Assessment**

CRER 088 (1 session)

This interactive program gives participants an overview of the Myers-Briggs personality assessment tool, and offers approaches to enhancing relationships, honing communication skills, developing leadership potential, and gaining self-awareness. Through interactive discussions and collaborative exercises, participants will gain an awareness of their own preferences in terms of how they think, learn, plan, communicate, interact with others, and make decisions, and also gain an appreciation for the preferences of others who are different from them. Instructor Thomas Piccin, Ph.D.

$60

**ServSafe Prep. & Exam**

CWD 026 (2 sessions)

Obtaining and maintaining your ServSafe Food Handling and Sanitation certification means you have the tools and knowledge you need to ensure your workplace meets industry standards for cleanliness along with proper safety requirements for food handling & preparation. Participants will receive a ServSafe Certificate and license directly from the National Restaurant Association (NRA). Price includes class hours and exam. Textbook (ServSafe Manager Book 7th Ed, English) not included but may be purchased from popular booksellers.

$109

**Preparation for the Real Estate Salesperson’s Licensing Exam**

CWD 829 (5 sessions)

Gain the knowledge you need to successfully pass the licensing exam and start your career in real estate sales. Topics include property rights & ownership, ownership types: condominiums, cooperatives, timeshares, land use - subdivision, contracts & deeds, financing & mortgages, brokerage, appraisal, Fair Housing Laws and consumer protection issues, Massachusetts License Law. Participants must attend all classes in order to meet 40 hours of training required by the state of MA. Books and other materials must be purchased separately. Scholarships may be available for eligible students. Apply online at hcc.edu/free.

$399

**Notary Public**

CWD 830 (1 session)

Whether you are preparing to add “Notary Public” to your resume, you are a notary and need to renew your commission, or you just want a refresher on the process and requirements, this course is designed to help you earn your commission quickly and effectively. You will review the responsibilities, duties, and powers that come with your commission as well as Massachusetts General Laws and regulations covering you as a notary. Learn what is entailed at the swearing in. Gain an understanding of the code of conduct for notaries; review ethical issues and how to avoid them. Learn how to properly offer your services, to prospect for clients, to charge appropriate fees for your service, and to track and report those fees. (Course price includes instructional time only. Additional fees for the notary application, notary supplies, textbook, and/or notary exam are not included in price of this course.)

$45

**EMT-B Certification**

CERT 004 (30 sessions)

Learn the skills to provide basic emergency medical care and transportation for critical and emergent patients. This program consists of over 170 hours of in-class and online preparation for the state certification exams. Approved by the Massachusetts Office of Emergency Medical Services. Scholarships may be available for eligible students. Students must be interviewed and take an entrance assessment to make sure they are appropriate for the class before registration. For more information and to set up an interview before registration, contact Emily. Chandler@gmr.net.

$1,099

Following the spring 2023 semester at Holyoke Community College, proof of COVID-19 vaccination will no longer be required for faculty, staff, students, or visitors to the campus. Certificate In Cybersecurity
CERT 018

CRN 25904  SEC 51  Online

Cybersecurity, also known as Information Security, is the protection of data and personally identifiable information from malicious attacks, theft, and destruction. Failures of cybersecurity policies, both in large corporations and governmental agencies, have earned significant visibility and negative publicity in recent months and years. As the amount of data being stored continues to increase, and as hackers become more sophisticated, the need for cybersecurity is greater than ever. This Certificate in Cybersecurity offers an introduction to the critical elements of information security, as well as foundational information about key certifications for professionals in the industry. Each of the eight courses in this suite will help learners master the vocabulary of the industry and offers examples, videos, interactive games, and review questions to ensure mastery of the material. Courses can be taken in any order. This certificate has no textbooks or prerequisites. Courses include: • Asset Security • Communications and Network Security • Identity and Access Management • Security and Risk Management • Security Assessment and Testing • Security Engineering • Security Operations • Software Development Security. To register and pay go to: https://www.mindedge.com/pd-ce-catalog
$499

Certificate in Data Analytics
CERT 020

CRN 25905  SEC 51  Online

This certificate in data analytics provides an overview of topics in statistics and their applications in a variety of fields. This certificate will present the basics of quantitative analysis and its increasing use in today’s professional landscape. Learners are exposed to quantitative decision-making tools and techniques, which tie into real-world case studies. Each course in this certificate utilizes games, videos, interactive exercises, quizzes, real world case studies, and other engaging content to ensure rapid mastery of the content and direct application. Course videos and lessons focus on use of both Microsoft Excel and OpenOffice. Courses can be taken in any order. This certificate has no textbooks or prerequisites. Program includes the following courses: • Data Analysis for Improving Organizational Performance • Data Analysis in the Real World • Introduction to Data Analysis • Statistical Process Control • Statistics as a Managerial Tool • Tools of Data Analysis. To register and pay go to: https://www.mindedge.com/pd-ce-catalog
$399

Project Management Online
CERT 021

CRN 25906  SEC 51  Online

Create your own program based on your personal professional needs from a variety of long course, short course, Certificate and Simulation options. All are aligned with the PMBOK® Guide and include interactive exercises, videos, real-world examples and case studies to help you apply newly learned concepts. Courses to prepare you for the PMP Exam are available as well. To register and pay go to: https://www.mindedge.com/pd-ce-catalog
$999

How to Write, Publish & Market a Book
EXPR 059 (1 session)

CRN 26041  SEC 51  Online

May 24  W  6:00 p.m.-9:00 p.m.

Learn some of the key underlying steps required to successfully Write, Publish and Market a book. Instructor Haven Williams.
$75
PERSONAL ENRICHMENT

Career

Getting Paid to Talk/An Introduction to Professional Voice Over
CRER 003 (1 session)

CRN 25967 SEC 51 Jun 20 T 7:30 p.m.-9:00 p.m.
CRN 25968 SEC 52 Aug 17 Th 7:30 p.m.-9:00 p.m.

If you’ve ever wondered how to begin in voice over part time, full time, or for supplemental or retirement income, this workshop is a great, upbeat, and most importantly, realistic first step. Our easy-to-access remote learning system will take you behind the scenes at Voice Coaches main studios, where we regularly produce voice over content for clients including Netflix, Discovery, HGTV, Disney, Lifetime, Nickelodeon, and many more. From audio books, training material, animation, and commercials to socially relevant content, television, and much, much more: today’s voice over field has become a great way to leverage your individual voice qualities and communication skill in a whole new way. The class will be presented via Zoom.

$45

Expression

Belly Dancing
EXPR 060 (6 sessions)

- Appetizer: Hummus
- Salad: Tabouli
- Starch: Hashwee’ Rice aka Nadim’s rice topped with roasted almonds, Simmered Chicken topped with gravy with dessert being Ismalia (shredded phyllo dough stuffed with Ricotta cheese, baked and topped with rose water)

Seating is limited so please register ASAP!

$199

Health

Fundamentals of Coaching
HLTH 073 (6 sessions)

CRN 26034 SEC 51 Jun 5-28 W 5:00 p.m.-9:00 p.m.

Coaching is the art and science of bringing out the best in others. This training course shines a light on those elements of personal presence and communication that make someone great at bringing out the best in others. Every class is a profound, interesting, and practical conversation into human capacity and relationships. They are fun, too. As a participant in this course, you will become more aware. You will develop characteristics and techniques to make you better at bringing out the best in another person. These skills and approaches are useful in all walks of life, professionally and personally, but especially for people who are managing, teaching, leading, or otherwise supporting others. Developing mastery at coaching, like any art, takes dedicated practice. In this course you will learn the fundamentals which you can continue to practice and grow. You may continue to train also. The credits from this course can be applied to and amount to about 10% of the first level of professional coach certification. Instructor Joshua Hornick.

$149

Following the spring 2023 semester at Holyoke Community College, proof of COVID-19 vaccination will no longer be required for faculty, staff, students, or visitors to the campus. We continue to emphasize sanitation protocols and encourage vaccinations, social distancing, masking, and testing when necessary.

Classes may be delivered as live in-person or live remote sessions, or blended.

**Cardio HIIT Fusion**
HLTH 074 (6 sessions)

| CRN 26037 | SEC 51 | Jun 7-Jul 12 | M 7:00 p.m.-8:00 p.m. |
Cardio HIIT Fusion is a full-body workout. The class is a rigorous interval training sequence with high-intensity exercises. It builds cardiovascular fitness while improving muscular strength and endurance. People are challenged to push to their limits and walk out feeling strong. Instructor Syrus Blake.

$125

**Gentle Kripalu Yoga**
HLTH 075 (4 sessions)

| CRN 26048 | SEC 51 | Jun 6-27 | T 4:30 p.m.-5:45 p.m. |
Beginners and intermediate yogis are encouraged to attend, no experience is necessary. Yoga helps develop balance, flexibility, strength, and body awareness. Often people experience an overall sense of well-being. Each session will incorporate breathing, warm-ups, and yoga postures, and end with a relaxation. After each session, participants will likely feel more calm and alert. Over time, participants will begin to feel stronger and more limber. An introduction to the yoga traditions and philosophy will be encouraged. Diana Peters-Ross holds a masters in Education, She is a Kripalu-trained yoga instructor with 20 years of experience. Please bring your own yoga mat.

$60

**Summer Youth Programs**

Clinic director Chris Montemayor has more than 26 years of college and semi-pro coaching experience.

$179

**REGISTER ONLINE:** WWW.HCC.EDU/BCE
Cooking with Chef Dino (age 9-12)  
YUTH 041 (5 sessions)  
CRN 26030 SEC 51  July 10-14  MTWThF 9:00 a.m.-4:00 p.m.  
Does your child love to cook or watch the Food Network? Students will build knowledge, skills and confidence as they have fun learning how to prepare dishes from around the globe, classic cooking techniques, kitchen etiquette, service and proper table manners, as well as safety and nutrition.  
$399

Cooking with Chef Dino (Advanced)  
(age 10-14)  
YUTH 052 (5 sessions)  
CRN 26031 SEC 51  Aug 7-11  MTWThF 9:00 a.m.-4:00 p.m.  
Learn what it’s like working in a busy, restaurant kitchen atmosphere in a safe and successful fashion. Be involved in selecting recipes and menu planning. Work each station; Sauté, Grill, Fry, Baking and Kitchen Line. Immersed in the exciting energy and “timing” of the kitchen, learn how to communicate with others so that our restaurant is running in a smooth and efficient manner. We’ll create upscale, classic dishes from around the world. In the world of taste, discern the difference between great and WOW! Grab your apron and meet us in the kitchen!  
$399

Into the Wild! Wilderness Survival  
(ages 8-11)  
YUTH 043 (5 sessions)  
CRN 26029 SEC 51  July 10-14  MTWThF 9:00 a.m.-4:00 p.m.  
Explore fields, forests and wildlife habitats while learning basic survival skills. We’ll learn what to pack and how to track, read a compass, build a shelter and fire, and much more. Through the use of games, team challenges and activities, we’ll learn about the environment, our eco-system and the incredible, yet unforgiving world of nature. Program will take place outdoors at the HCC main campus. Veteran Connecticut environmental educator Linda Knorr has taught ecology, environmental science and wilderness survival for grades 1-12.  
$289

Minecraft Redstone Engineers In Person  
YUTH 083 (5 sessions)  
CRN 25665 SEC 51 (age 8-10)  Aug 7-11  MTWThF 9:00 a.m.-12:00 p.m.  
CRN 25666 SEC 52 (age 11-14)  Aug 7-11  MTWThF 1:00 p.m.-4:00 p.m.  
Take the next step beyond simply “playing” Minecraft and become a true Redstone engineer. Expand your Redstone knowledge by constructing your own carnival with a variety of mini-games, roller coasters, and attractions powered by Redstone. Learn how to use Command and Structure blocks to incorporate them into your builds. Activate your skills and take your Minecraft structures to the next level! Students must own a Java version of Minecraft to take this class. Tablet, phone, and game console versions of Minecraft are not compatible.  
$169
ROBLOX Makers In Person  
YUTH 084 (5 sessions)

CRN 25667 SEC 51 (age 8-10)  Aug 21-25  MTWThF 9:00 a.m.-12:00 p.m.
CRN 25668 SEC 52 (age 11-14) Aug 21-25  MTWThF 1:00 p.m.-4:00 p.m.

Unlock the power of ROBLOX Studio, the world creation tool used by real-world ROBLOX® developers! Learn how to build 3D models and create an adventure in your ROBLOX® world. Bring characters to life with unique animations you design. Student-created projects will be available on a password protected Black Rocket website to share with friends and family. *Compatible with MAC and Windows OS only.

$169

YouTube Creator in Person  
YUTH 090 (5 sessions)

CRN 25675 SEC 51 (age 11-14)  Aug 14-18  MTWThF 9:00 a.m.-12:00 p.m.
CRN 25680 SEC 52 (age 8-10)  Aug 14-18  MTWThF 1:00 p.m.-4:00 p.m.

Find your voice and leave your mark on the world! Whether you are six or sixty, it’s time to start a career as the next YouTube star. Explore the variety of content and personalities that exist on YouTube and how to find your own niche. Learn the Dos and Don’ts of the platform and how to practice good digital citizenship. Develop your on-camera presence, your own channel branding, and professional editing skills. Take home a plan for launching your own channel with the content created in class! Student projects will be available on a password protected Black Rocket website to share with friends and family. *A webcam is required for this course and it is compatible with MAC and Windows OS only. To register please go to https://blackrocket.com/online/hol

$169

Code Breakers In Person  
YUTH 091 (5 sessions)

CRN 25681 SEC 51 (age 11-14) Jul 31-Aug 4  MTWThF 9:00 a.m.-12:00 p.m.
CRN 25682 SEC 52 (age 8-10) Jul 31-Aug 4  MTWThF 1:00 p.m.-4:00 p.m.

Calling all future coders, programmers, & designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of web projects and design challenges each day and be on your way to becoming the next tech star! Whether you want to be a silicon valley CEO or the high school student who just made $1 million dollars for programming in her bedroom, this course has the essentials you need to begin your journey. Projects will be available on a Black Rocket website to share with friends and family. Returning students can create more advanced projects that build on previous years. *Compatible with MAC, Windows and Chrome OS.

$289

Bake with Me (age 11-14)  
YUTH 107 (5 sessions)

CRN 26032 SEC 51  Jul 10-14  MTWThF 9:00 a.m.-4:00 p.m.
CRN 26033 SEC 52  Aug 7-11  MTWThF 9:00 a.m.-4:00 p.m.

In this one week program, you will learn the essential ingredients and methods needed to get the most out of your baking. Students will learn the art of creating tasty baked goods, pastries, and confections, from traditional bread baking to beautiful showpieces. Instructor Maureen Benton.

$399

Youth Robotic STEM Week  
(ages 12-16)  
YUTH 108 (5 sessions)

CRN 26040 SEC 51  Aug 7-11  MTWThF 9:00 a.m.-4:00 p.m.

HCC’s Youth Robotics STEM Week is a fun, educational way to learn about Robotics and Coding and is designed for students of any skill level. Robotics: In the first part of the week students learn about Robotics. Students will engineer a robot which can navigate a unique obstacle course to activate pressure sensitive light switches with the objective of finding and removing an object within a specified time. Coding: In the last part of the week students will learn the basics of programming and coding using an interactive robot that will program to respond to voice, touch, sound, or even lines drawn on specially designed magnetic white boards.

$289

Classes may be delivered as live in-person or live remote sessions, or blended.

**UX/UI Bootcamp:**

- **Duration:** 12 Weeks
- **Time Commitment:**
  - Full-Time; Mon - Fri 9 AM - 5 PM (EST)
- **Total Hours:** 480
- **Cost:** $10,000
- **Dates:** May 22 - Aug 18, 2023

**Job Titles:**
Product Designer, UX Designer, UX/UI Designer, Jr, UX/UI Designer, Marketing Coordinator, Project Coordinator, UX/UI Copywriter, Technical Operations Manager, Strategic Account Manager

**The Opportunity:** Immerse yourself in the world of UX/UI (product) design by learning the research methods and design practices used by industry professionals to change your career into a high-demand, high-growth, and high-paying industry. Obtain not only a technical and design education but also develop critical skills to obtain a successful and sustainable career! Our UX/UI graduates see an average salary increase of 30.75% upon graduation ($12,300 on average).

**Program Benefits:**

- In addition to learning skills that employers need for UX/UI candidates, our graduates are job-ready upon graduation with the assistance of our Career Services team.
- While in class, our students learn about the design industry, career pathways, the job market, and the job search process. They also receive a customized job search strategy and unlimited 1:1 career coaching. Alongside technical instruction and Career Services, students develop their interpersonal skills through collaboration. They work on a real-world project with a real company that further enhances their experience in speaking the industry language and building the skills necessary to contribute to a team effectively. Network weekly with guest speakers from the industry where we hear from different UX/UI designers, managers, and more!

**What You Will Learn:**
User interface (UI) design is the process of creating the outward-facing appearance of a website or application, while the process of gathering research and using data to inform design decisions is referred to as user experience (UX) design. In this course, you learn both. Starting with the fundamentals, you will quickly advance through topics of increasing complexity, applying creative problem-solving skills to design and iterating on your designs based on research. You will learn how to defend your designs with data using the performance metrics you create. Lastly, you will leave this course knowing how to clearly implement every step of the design process, from concept to full-scale design prototypes.

---

**Software Development Bootcamp:**

- **Duration:** 12 Weeks
- **Time Commitment:**
  - Full-Time; Mon - Fri 9 AM - 5 PM (EST)
- **Total Hours:** 480
- **Cost:** $10,000
- **Dates:** May 22-Aug 18, 2023

**Job Titles:** Web Developer, Software Engineer, Jr. Software Engineer, Jr. Web Developer, Customer Support Specialist, Customer Success Specialist, Software Developer, Software Support Developer, Associate Developer

**The Opportunity:** There is no better time than now to jump into the world of software development! As the world becomes increasingly reliant on technology, the demand for programming skills is at an all-time high. Our graduates see an average increase in salary of $15,000 in their first job after graduation, and salaries only continue to grow from there. This program teaches the most widely used programming language in the world - JavaScript. Companies big and small, including Google, LinkedIn, Facebook, and Netflix all use JavaScript to power parts of their web applications.

**Program Benefits:**

- In addition to learning in-demand skills, our graduates are job-ready upon graduation with the assistance of our Career Services team. While in class, our students learn about the tech industry, career pathways, the job market, and the job search process, and receive a customized job search strategy and unlimited 1:1 career coaching. Alongside technical instruction and Career Services, students develop their interpersonal skills through collaboration, where they work on a real-world project with a real company that further enhances their experience in speaking the industry language and building the skills necessary to effectively contribute to a team. Network weekly with guest speakers from the tech industry where we hear from different software developers, web designers, and development managers. See what code looks like in real technical environments, and discuss interviewing techniques, career pathways, and much more.

**What You Will Learn:** Over the course of 12 weeks, you will learn how to build, test, and deploy software applications using JavaScript on the client- and server-side of an application (front-end + back-end). Starting with fundamentals, you will quickly move into more complex programming concepts that are solidified through challenges, such as pair programming, weekly projects, lab exercises, and code reviews. The projects you create throughout the course will be used to build your portfolio which will serve as a showcase of your work and a valuable asset to your post-bootcamp job hunt. You will learn how to code with JavaScript, web design, responsive layout, client-side programming, server-side programming, React apps, and databases, plus several professional and soft skills from collaborating with teams and working with Career Services.
Software Development Ignition:

| Duration: 10 Weeks |
| Time Commitment: |
| Part-Time; Mon & Wed 6 PM - 9 PM (EST) |
| Dates: May 9-July 17, 2023 |
| Total Hours: 60 |
| Cost: $4,000 |
| Dates: June 5-Aug 9, 2023 |

The Opportunity: JavaScript Ignition is an introductory course perfect for anyone new to the field or just starting out. This course is designed for people who are interested in exploring coding as a career or for professionals who are already working in technology that will benefit from learning the practical and highly sought-after skills taught in this course.

Program Benefits: This course is a 10-week, 2 nights a week (6 hours a week), so it is very flexible for working adults looking to gain new coding skills. You will learn the foundations of software development in a completely virtual classroom setting.

What You Will Learn: JavaScript Ignition is a 10-week, part-time course hosted during the evenings twice per week. Each week you will learn a new concept that guides you through the basics of JavaScript programming to an intermediate level. Along the way, you will be working through projects of increasing complexity as you advance into your final project - a fully functioning web application. You will learn to code with JavaScript, functions, logics, input/output, data structures, the World Wide Web, client-side coding, server-side coding, and advanced layouts with CSS.
