Day Abbreviations:

M: Monday
T: Tuesday
W: Wednesday
R: Thursday
F: Friday
S: Saturday
TR: Tuesday/Thursday

Every course section has a unique identification number needed for registration:

CRN: course registration number

Some courses include the following codes:

CAI: course held in the Culinary Arts Institute
CEM: \$50 CEM (Course Equipment and Materials) fee applies
CHE: course held in the Center for Health Education
LC: Learning Community
LX: Linked Courses

Northampton: course held in Northampton

Online: Online courses, see pages 14–16

PAFEC: course held in Picknelly Adult & Family Education Center

Web Supported Courses (designated by “Web Enhanced TBA” or “+” for English 101)

Combine traditional classroom learning with an additional hour or two per week of required web learning. You'll spend most of your time on campus but you will also be expected to access class notes and assignments via the Internet, publisher sites, or Moodle.

Blended Courses (previously designated Brick + Click)

Combine online and traditional classroom learning. You'll alternate between on-campus lecture and online learning, therefore, minimizing your time on campus and commute. When not on campus, you access your class via Moodle.

Transfer Compact core course designations: (A), (B), (C), (D), (E), are found after the course name in this schedule. They are included as part of the description of all courses meeting Transfer Compact requirements in the course description section of the *College Catalog*. A list of courses by designation appears in that section as well.

ONLINE LEARNING

What You Need to Know About HCC Online

We would like to invite you to join HCC Online. At HCC you can complete your entire degree online or you can choose to take some of your courses online. In order to take online courses, you should have basic computer skills and access to a computer with Internet.

Online courses are not self-paced. They follow the same academic calendar as on-campus courses. Students are expected to log in and start coursework the first day of classes. All of our online courses are a-synchronous, which means you don't have to meet at a predetermined time. You complete your coursework on your schedule. Each course outlines the attendance policy and participation requirements in the syllabus.

Where do I find my online class? All of our courses run in Moodle (<https://moodle.hcc.edu>). Moodle is an online learning environment where you interact with your instructors and peers, and where you find the course materials, syllabi, assignments and readings, etc. You

can explore and familiarize yourself with Moodle in our Learn Moodle practice course.

Are Online Courses Easier? Not really. You should expect to complete the same amount of work as normally required in an on-campus course. For example, for a 3 credit class, you are expected to be online working at least 3 to 5 days a week.

Most courses require a textbook. Make sure you have your textbook for the first day of classes. A link to our virtual College Store is available in Moodle.

You may be taking your classes online, but you are never alone. All our academic support services are available to you: tutoring (online tutoring), library online services, academic advising, the help desk and MERC, which are students helping students.

For Information about Moodle, eTutoring and Online Library Services, visit us at hcc.edu/online

Learning Communities**LC 100 Surviving: The power of the Human Spirit 6 Credits**

How do men and women overcome unexpected crises and climb out of poverty or rise above abusive working conditions? In this LC, we will read memoirs, articles, essays, and short stories, to explore the inner strength that people discover when they experience injustice, exploitation, displacement, discrimination, racial profiling, and other difficult circumstances. What are the psychological qualities of a survivor? How do survivors connect to other people and community? We'll examine the transformative role adversity can play in elevating the human spirit. The writing assignments will include some personal experience but mostly will be based on the readings and will include one research essay. This semester we will focus on the theme of survival as it pertains to food insecurity, worker exploitation, immigration difficulties, and racism.

Prerequisite: Recommendation of ESL 141 instructor, ENG 095, or placement test, or permission of the LC instructors

LC 101 Reading, Writing and Reforming American Schools 6 Credits

How often have you heard teachers, parents, and media complain that students used to be better educated back in the day? Cheer up! Critics have been complaining about the American school system since at least 1845. So why hasn't it been fixed yet? In "So You Think You Can Fix American Education," we'll explore some of the commonest and most long-running debates about the American school system, including inequality, teacher preparation, and curriculum. Then, we'll learn about the many efforts to reform these areas, and what has resulted from those efforts.

LC 102 Sustainability of the 21st Century 7 Credits

As one community, the Earth's inhabitants are faced with many critical problems in the 21st century—extinction, diminishing energy resources, increasing population, and human civilizations' limited vision of alternatives. Whether *Homo sapiens* can learn to manage their life styles in a sustainable manner will impact the long-term survival of all the species on this planet. This is the concern that animates this Learning Community (LC). Its participants will explore in expository writing and class discussion the interconnectedness of all lives on Earth in issues particularly related to energy and food production and consumption. Prerequisites: Placement scores for ENG101

LC 103 The Nature of New England 7 Credits

This Learning Community combines English 101 and The Natural History of New England, a lab science, for a seven-credit interdisciplinary course that fulfills two graduation requirements. In this course, we will explore the rich geologic history and the diverse natural flora and fauna of the region.

New England possesses a great assortment of landforms and ecological systems in a relatively small geographic area. The geologic past included volcanoes, lava flows, collisions and divergences of continental plates, and most recently retreating glaciers. This newly renovated landscape made way for a succession of varied forest types and other ecosystems as the flora and fauna adapted to this newly warming and transformed environment. In both reading and field observations, we will learn about the geologic history of New England, natural and human disturbance, forest succession, and the resulting shifting mosaic of the biotic community. Students will reinforce their understanding of the science curriculum by writing academic essays, journaling, and creating multi-media projects. Students will read, analyze, and cite a range of nonfiction texts and will produce several formal essays totaling approximately 3,000 words. Field experiences require some walking over uneven terrain.

LC 104 Stories of Strength 6 Credits

What are "stories of strength" and what is resilience? In this course, we will explore obstacles to education and how people overcome them. Through the lens of both sociology and literature, we will examine educational challenges and how they connect to larger social issues. What roles do family, race/ethnicity, income inequality, and gender play when it comes to challenges to pursuing an education? How do factors such as food insecurity, domestic violence, incarceration, teen pregnancy and discrimination influence our educational choices? Who are our role models when it comes to persisting in spite of barriers placed in our way? What is the best way to empower ourselves and support others when it comes to

achieving educational goals? We will study the ways that writers have addressed persistence in education in non-fiction and literature and will participate in civic engagement activities as a way to deepen our understanding of resilience and of “stories of strength.”

LC 105 STEM in History, Literature and Film

6 Credits

Students in our LC will examine and apply STEM core concepts and practices in historical, literary, and pop culture context. Students will work collaboratively on four case studies that seek to develop solutions for these significant and vexing problems: human disease, environmental degradation and climate change, communication through coding and code-breaking, and space exploration. Exploring these challenges across a range of perspectives, students will analyze texts (including history, poetry, fiction, and films) that chronicle the quests to cure human disease (Still Alice on Alzheimer's), environmental degradation and climate change (Silent Spring and Wall E), communication (The Imitation Game and Social Network), and space travel (Hidden Figures and The Martian).

LC 106 Money Shot-Gender, Politics and Economics in HBO's "The Deuce"

6 Credits

"It's now a multibillion dollar industry and it affects the way we sell everything from beer to cars to blue jeans. The vernacular of pornography is now embedded in our culture. Even if you're not consuming pornography, you're consuming its logic. Madison Avenue has seen to that."

– David Simon, creator of The Deuce

Situated in 1970s NYC, The Deuce locates hustlers, pimps, sex workers, and cops in a Times Square filled with graffiti, trash, neon lights, rising crime and sex shops. This course uses the acclaimed HBO series as a semester-long case study to examine the dynamic relationship between capitalism and patriarchy. This includes an investigation of how the intersections of race, class, gender, politics, economics and culture impact women's lives as well as a critical examination of relevant policy solutions. Note: this class contains mature content.

LC 107 Teatro Nuestro: Performing Latinx Cultural Identity, Community, Aesthetic, Movement and "Conexion"

6 Credits

According to Stuart Hall, "[c]ultural identity... is a matter of becoming as well as being. It belongs to the future as much as to the past." Latinx cultural and performative identity formation is "always in process" yet it has histories grounded in the past moving towards the future. Colonialism and resistance in the Americas informs Latinx contemporary artistic representations, social identities, cultural practices, structural inequalities and immigration patterns that connect the experience of the diverse Latinx populations. Theater has the potential of confronting and decentering this colonial logic and dominant racial and cultural hierarchies. Authors write and actors perform about the strains between the oppressors and the oppressed – destabilizing cultural oppression and reinterpreting the work of the oppressed and providing a potential emancipation. We can think of cultural identity as a "production" which is never complete, always in process and always constituted within, not outside, representation. How do we perform cultural identity? This course will engage in a critical examination of a wide selection of materials ranging from visual art, literature, film, and documentary to historical, cultural, political, economic, and sociological texts while participating in performative practices. This learning community will explore the problematic Latinx cultural experience in the United States from its indigenous and colonial roots through struggles of social movements for Pan-ethnic solidarity in the era of neoliberal globalization and the Age of Trump. Prerequisite: Eligibility for ENG 101

LC 200 Lies My Teacher told me: National Myth-making in the United States

6 Credits

The Pilgrims introduced Thanksgiving. Northern states opposed slavery. The Civil Rights Movement ended segregation. None of these statements is correct and yet all continue to be taught as historical truth. Where do these false narratives come from? Why do they persist and why do we continue to believe them, even when evidence clearly demonstrates their falsehood? Why, as a nation, do we put forward such simplistic and incorrect narratives and repeatedly teach them, even when such stories feel irrelevant and boring to many skeptical students? This 200-level Learning Community will use the lens of history and literature to explore historical narratives, while unpacking some of the nation's primary myths in order to reveal their political, social, and cultural functions. Prerequisites: ENG 102 (concurrent)/Any History Course.

HON 206 Un-Natural Causes: Is Inequality Making Us Sick

6 Credits

This course is an exploration of health (in) equity through an interdisciplinary analysis. New research suggests there is much more to our health than bad habits, limited health care access, or unlucky genes. The social circumstances in which we are born, live, and work can actually impact our physiological responses as much as germs and viruses. They will work in the classroom and in the community to gain a deeper understanding of health and social justice in the United States, and specifically in Holyoke and Springfield. Students will have the opportunity to work in research teams to design and implement a service learning project to address health inequality on a local level as well as do research on a topic of their choosing. Prerequisites: a 3.5 GPA after 20 hours of study OR permission of instructor

BIO 107 HON: Gen Biology I: Intro to Cell Functions

4 Credits

How does your body know what time it is? Why do some people get cancer and others not? Why is there a range of human skin colors? Why are bacteria becoming resistant to antibiotics, and what can we do about that? Can renewable biofuels save the planet? Will gene-editing destroy the biological world as we know it? This honors course provides a rigorous introduction to the living processes within cells by exploring the chemical and molecular basis of life in the context of these or similar questions. Emphasis is placed on basic chemistry, biochemical reactions, cell structure and function, and molecular genetics. Students are required to do online assignments outside of class that require internet access. In the laboratory, students will carry out an original lab research project to discover new antibiotics. 3 class hours and 3 laboratory hours.

LX 1 Addiction, Mental Illness and Motivation**6 Credits**

In this course we will study the psychology of motivation in addiction and mental illness, and we'll also study the intersections of addiction, mental illness, and crime. Do the institutions that appear to serve us actually keep us from being free and enlightened? How has science shaped the way we understand human behavior? Is there such a thing as insanity, and is it manufactured rather than treated by the field of psychiatry? What role does the economy play in the debate over addiction, mental illness, and crime? What does society owe to criminals who are addicted and/or mentally ill? Prerequisites: ENG 085 with a C- or better: or appropriate Placement Test Scores.

Events & Information Sessions

Foundations of Health

The Foundations of Health (FOH) degree offers a wide base of courses designed to prepare students for a variety of healthcare options and careers. Working with an FOH advisor, students design the path that best matches their education and career goals, such as earning certification as a nurse's aid (CNA), graduating with a Direct Care Worker or Community Health Worker certificate or Foundations of Health degree, or applying to one of our selective programs such as Nursing or Radiologic Technology.

Information sessions are held monthly, dates and times are listed at www.hcc.edu/infosessions. For more information contact Becky Lewis, 413.552.2426 or Kimberly Slepchuk 413.552.2108 kslepchuk@hcc.edu

Nursing

Learn about HCC's two-year Associate Degree Nursing (RN) program and the Practical Nurse Certificate (PN) program. Be prepared! We'll tell you the application requirements and the process to apply.

Application deadline: February 1

Prospective students must attend an information session to apply to this program. Dates and times are listed at www.hcc.edu/infosessions.

Radiologic Technology

Learn about HCC's Associate Degree in Radiologic Technology curriculum and the skills and knowledge necessary to enter medical imaging professions. Find out early what the application requirements are and the process to apply.

Application deadline: February 1

Prospective students must attend an information session to apply to this program. Dates and times are listed at www.hcc.edu/infosessions.

For more information, contact Holly Martin-Peele at 413.552.2460 or hmartin@hcc.edu

Veterinary Technician

Learn how HCC's Veterinary Technician A.S. degree trains paraprofessionals who assist veterinarians as technicians or serve in a variety of positions in animal research laboratories, state animal shelters, or other facilities where animals are kept. Review the application requirements and process.

Application deadline: February 1

Prospective students must attend an information session to apply to this program. Dates and times are listed at www.hcc.edu/infosessions.

All info sessions are free and open to prospective and current students, parents, and the public unless otherwise noted. For more info, visit www.hcc.edu/explore or call 413.552.2321.

If you have a disability and may require accommodations in order to fully participate in these sessions, please contact the Office of Students with Disabilities and Deaf Services at 413.552. 2417.

Online Programs & Academic Initiatives

MRB 225, 413.552.2272

onlineprograms@hcc.edu

Save gas, cut your commute and organize college around your schedule, instead of the other way around! Online courses at HCC make college possible for busy people like you. HCC degree and certificate programs can be completed 100%, 80% or 50% online.

Math Center (DON 246)

Drop-in for tutoring or math prep help for all HCC math or math-related courses. Professional and peer tutors, assistance through videos, computer software/tutorials, workshops, and other resources to help you master math.

Writing Center (DON 238)

Drop-in assistance for all HCC courses' writing assignments, not just English. Professional and peer tutors help you brainstorm to get started, polish up your first draft, review grammar, and help with research paper format.

Tutoring Center (DON 244)

Drop-in tutoring and tutoring by appointment in most subjects offered at HCC—from accounting to zoology. If we don't have a tutor for a particular class, fill out a Tutor Match Form and we will find one for you.

Online Tutoring

(www.etutoring.org)

Available to all HCC students. Live one-on-one tutoring seven days a week in math, accounting, statistics, and life sciences. Submit subject-specific questions or your draft paper to an e-Tutor for suggestions and receive a response in 24 to 48 hours.

Learning Coaches: your personal coach for academic success

If you're anxious about keeping it all together or wish to become a better student, CAPS's learning coaches can help. Get support in reading, writing, math, study skills, organization, test-taking, and time management in weekly sessions.

ESL Tutoring Center

(DON 238)

Tutoring by appointment for all levels of ESL.

ALANA Men in Motion Program

Academic Internships

Want to gain hands-on experience in your career field before you graduate? Why not start with an **academic internship!**

An academic internship is an opportunity to:

- combine classroom learning with real-world experience related to your major
- solidify your career goals
- earn credit
- build a professional network

Requirements to participate vary depending on your academic program. For more information, contact the Experiential Learning Coordinator, Andrea Picard: Marieb 231, apicard@hcc.edu, or 413.552.2342.

Plan ahead - preparation is required the semester before the internship takes place.

INFO SESSIONS

*from Student Accounts
and Financial Aid*

Student Loan Online Chat Sessions

Are you having trouble understanding whether or not your financial aid award includes a loan? Do you have questions about your loans? Are you concerned about repayment and need assistance?

To assist you in understanding and managing your student loan debt the Financial Aid office is hosting online chat sessions. The chat sessions are held every Tuesday from 2-3 p.m. with the exception of Tuesday holidays and unexpected shutdowns of the college. Join the conversation at <http://www.hcc.edu/loan-chat>.

Student Accounts Online Chat Sessions

Questions about tuitions and fees, billing process and/or payment options? Or just have general questions about Student Accounts?

Chat with a Student Accounts Representative every Tuesday from 2:00 – 3:00 p.m. with the exception of Tuesday Holidays and shutdowns of the college. Please log on to <https://hcc-uga.chat.edu.185r.net/client/>

Get Help Filling Out Financial Aid Forms

Do you need help completing online financial aid requirements? The Financial Aid office will be holding bi-weekly Financial Aid labs to assist students with FSA ID creation, filing the FAFSA (Free Application for Federal Student Aid), accepting/declining financial aid awards and loan requirements such as entrance counseling and loan agreement/MPN. Please visit www.hcc.edu/fafsa or the Financial Aid Office, FR 201, for lab time, locations and checklist to ensure you are prepared to attend.

Financial Aid Assistance

HCC now has another source of assistance with FAFSA -- Free Application for Federal Student Aid -- completion and loan requirements. Representatives from the Chicopee Educational Opportunity Center will be in the Financial Aid office (FR 201) on Mondays to help students. If you would like to take advantage of this opportunity, call 413.552.2150 or stop at the Financial Aid counter in Frost 201 to make an appointment.

Credit Course Enrollment Information

New and Re-Admit Students

Students new to HCC and students who have been away for two or more semesters must apply for admission at hcc.edu/apply. All degree or certificate seeking students are required to show proof that they meet the eligibility requirements for courses they are interested in taking. Students may do this by providing one or more of the following that apply to them: final high school transcript, AP math scores, AP English scores, SAT scores, GED results, or prior college transcripts. If you do not have those documents, you may also take the HCC Placement Tests in Math and English or provide College Board Accuplacer scores from an approved testing site. After providing proof of eligibility, you will meet with an advisor to register for classes.

Current Students

Registration for current students begins March 18. Students may add and drop classes through September 6, if you have earned fewer than 12 college-level credits at HCC or your cumulative GPA is under 2.5, you must obtain a registration code from your assigned advisor in order to register. HCC provides academic advising to all current students. To look up your advisor's name and contact information, login to your Degreeworks worksheet and locate your advisor in the Student View section or login to your Online Services at www.hcc.edu/myhcc. Students who have earned 12 or more credits at HCC and have a cumulative HCC GPA of 2.5 or higher may register, add and drop classes through Online Services or on campus without a registration code.

COURSE CANCELLATION

Low enrollment can necessitate course cancellation. HCC will attempt to notify students whose class has been cancelled and help them choose another course or obtain a refund. Completing your course registration as early as possible helps the college avoid cancelling classes.

If the college cancels a course, 100% of all tuition and fees are refunded.

Health Insurance

Massachusetts Universal Health Insurance Law requires that every student enrolled in nine (9) or more credits participate in the Massachusetts Community Colleges Health Insurance Plan if the student does not have comparable health insurance coverage.

Students enrolled exclusively in online courses are exempt from this requirement.

MassPIRG fee

The MassPIRG fee is student elected to support efforts to preserve the environment and protect consumers statewide. The fee is waivable and payment is voluntary. If you would like to waive the fee, please stop by Student Account Services located in Frost 201 and request a waiver form; or email studentaccounts@hcc.edu.

*2019-20 Tuition and Fees are determined by a vote of the Board of Trustees after the publication of this booklet. See <https://www.hcc.edu/tuition-and-aid/tuition-and-fees> for the updated tuition and fees.

Billing Notice

It is the student's responsibility to make a payment arrangement by the bill due date. If the student does not plan to participate in a course for which he or she has registered, it is the student's responsibility to drop or withdraw during the appropriate time period. If a payment arrangement, including submitting all necessary documentation to complete the financial aid application is not finalized by the bill due date, the student risks the course(s) being dropped for non-payment. If the student does not drop or withdraw during the appropriate time period, it remains the student's responsibility to officially withdraw for any or all courses he or she does not plan to continue attending. Please be aware that not showing up for a class or non-payment of the student's bill does not constitute withdrawal from the college.

GED and HiSET Testing, CLEP Testing, and Adult Basic Education

HCC's HiSET Testing Center, the largest HiSET testing center in Massachusetts, offers a variety of testing to provide an opportunity to earn your high school equivalency certificate. HCC offers HiSET preparation programs and other services in the afternoon, evening, on-campus, and at the HCC Adult Learning Center at Picknelly Adult & Family Education Center in Holyoke.

HCC offers College Level Examination Program (CLEP) testing, a national examination system administered by the College Entrance Board. The two types of CLEP examinations are administered throughout the year: the general, and subject examinations based on typical colleges courses throughout the country. Score successfully on the tests to receive college credit.

The Ludlow Area Adult Learning Center, a community-based Adult Basic Education program, offers day and evening classes in basic English (beginning through advanced levels) for speakers of other languages; tutoring; computer skills workshops; assistance with citizenship issues; transition to college services; career and academic counseling; and referrals.

High School Equivalency Tests

HCC provides an opportunity to earn your high school equivalency certificate through the HiSET or GED tests. For more information on the HiSET, go to hiset.ets.org. For more information on the GED, go to <https://ged.com>.

College Level Examination Program

CLEP tests help you receive college credit for what you know, regardless where you learned it—on the job or through life experience.

Cost for each CLEP test is:

- \$35 registration fee (money order only, payable to Holyoke Community College)
- \$87 CLEP testing fee (paid on test day with debit or credit card only)

For more information go to www.hcc.edu or call CLEP Testing Services, 413.552.2112.

Tests are administered at HCC's Holyoke campus, Kittredge Center, second floor.

STUDENT ACCOUNT BALANCES AND PAST DUE BILLS

You must pay your bill by the due date listed on the Billing Notice (based on date of course enrollment) to avoid late fees. A hold will be placed on your account preventing you from enrolling in future semesters and/or obtaining an official transcript until the balance is paid in full.

If a balance remains on your account, the balance will be referred to collection agencies where you will be charged legal fees, and collection company fees and costs. Collection costs can be as high as 40 percent of the past due unpaid balance. In addition to collection agencies, unpaid accounts will be referred to the Massachusetts Department of Revenue and reported to the Massachusetts Debt Intercept Program where state and federal payments due to the student, including state tax refunds, will be intercepted and transferred to Holyoke Community College until the student account balance is paid in full.

REFUND POLICIES

Refund Policy for Credit Courses or College Withdrawals After Add/Drop Deadline

FINANCIAL AID

Frost 201, 413.552.2150

HCC students may apply for financial aid at <https://fafsa.ed.gov>. Certain academic standards must be maintained in order to receive these funds. Additional information is available in the Financial Aid Office.

Office hours are

- Mon - Thurs 8:30 a.m. – 6:00 p.m.
- Fri 8:30 a.m. – 4:30 p.m.

Financial Aid

The majority of financial aid funds at HCC come from federal and state programs for which eligibility is

need based. Students must reapply for this aid each academic year. State-funded programs require the student (and parent) to have been Massachusetts residents for at least one year before the start of the school year. All awards are subject to the availability of funds and changes in federal, state, and college regulations, policies and procedures.

All students at HCC benefit from the low community college tuition and fees made possible by substantial support from the Commonwealth of Massachusetts. In addition, many students or families who are taxpayers also benefit from the American Opportunity Credit, the “Lifetime Learning Credit,” the deductibility of student loan interest payments, and/or other federal tax breaks. For detailed information you can read IRS Publication 970, Tax Benefits of Higher Education, which you can download from the web site <https://www.irs.gov>.

Scholarships

HCC has many scholarships available for eligible students. To apply, go to www.hccscholarships.org.

Academic Information

Academic Probation and Dismissal

Academic probation or dismissal for students is determined by the cumulative Grade Point Average (GPA) and Quality Hours, as follows:

Cumulative Quality Hours	Cumulative GPA Required
Below 9	No minimum
9 - 30	1.75
Above 30	2.0

Probation: The first time a student fails to earn the minimum required GPA as listed above, he/she will be placed on Academic Probation.

Dismissal: At the end of two semesters of probation, if the cumulative GPA remains below the minimum standard, the student will be dismissed. However, the student will not be dismissed if, during a probationary semester, he/she earns a GPA of 2.0 or better.

Readmission: A student dismissed because of the lack of academic progress may petition for readmission by contacting the Academic Affairs office 413.552.2770.

Auditing a Course

Auditing a course means attending but not being responsible for written work such as assignments and tests. Audited courses do not earn credits. If a course requires a prerequisite(s), student must provide evidence of meeting the prerequisite(s). To audit a course, complete an Audit Petition at the Student Records office at the time of registration or within the first week of the semester. The cost to audit a course is the same as enrolling for credit.

Credit by Examination

HCC grants credit for certain Advanced Placement, College-Level Examination Program (CLEP), and DANTES examinations. For more detail on minimum score requirements and credit awards, go to hcc.edu/credit.

Dean's List

Students of superior academic achievement are recognized through the Dean's List. Each time a student accumulates 12 credits, that student is placed on the Dean's List if his/her GPA is 3.2 or higher for that group of 12 credits. Each group of 12 credits is evaluated sequentially; no carryover of credits is allowed.

Developmental Courses

Courses numbered below 100 are developmental and are not applied toward degree requirements. Developmental course credits and grades are not included in credits earned and are not calculated into the Grade Point Average. However, for advising purposes, developmental courses are included in the Academic Standing GPA that is used to determine

academic standing (good standing, probation, continued on probation, or dismissed).

Fresh Start Option

Once in a lifetime, after a three-year minimum absence from HCC, a student with a Grade Point Average of less than 2.0 may elect Fresh Start. This eliminates the effect of all past course work from the GPA. Past HCC courses may be accepted into the Fresh Start program in accordance with the college's transfer credit policy. For information, contact Academic Affairs, Frost 317, 413.552.2770.

Graduation

Student Records, FR 221

After your records are reviewed and all requirements have been met, your name will be placed on the graduation list. Congratulations!

Incomplete Grade

The grade of "I" is given to a student who for good reason (e.g., illness) is unable to complete a major part of the work in a course. It may also be given at mid-semester indicating that work has not been completed. The student has until mid-semester of the following semester to complete work for courses **other than those that serve as a prerequisite for another course.** Unless waived, prerequisite course requirements must be completed before the first day of the following semester/Intersession. A grade of "F" and 0.00 grade points will be recorded for work not completed as required.

Prerequisites

When enrolling for a course with a prerequisite not taken at HCC, students will be responsible for presenting a college transcript which documents that the prerequisite has been met.

Repeated Courses

Students may repeat courses at HCC in an attempt to earn credit or improve their Grade Point Average. Credit may not be earned twice for a repeated course. All grades, including those in repeated courses, will appear on transcripts. The most recent grade will be included in the student's GPA calculation. The previously recorded grade will be excluded from the GPA, but will still appear on the student transcript.

Financial aid can only pay for one repeat of a previously passed course. This repeat policy applies even if you did not receive financial aid when enrolled in the course in the past.

Transferring Credit Into HCC

The college accepts transfer credit from other regionally accredited institutions of higher learning for courses which may be applied to your declared program of study if the courses are similar in content to those offered here. When transfer credit is awarded, the grades earned are not averaged into your Holyoke Community College GPA. Credit is granted for courses carrying a grade of C- or better, regardless of the cumulative GPA at the previous institution. The college also grants credit for military courses which meet guidelines issued by the American Council on Education (ACE). For foreign transcripts, the college will provide you with a list of agencies that evaluate foreign credentials for a fee; the credit award is based on the evaluation which the college

receives directly from the agency and also on the applicability of the course work to your program. The limit of transfer credit from all sources, including CLEP, is in accordance with the college's 30-credit residency requirement. However, you may request a waiver of this requirement by submitting a Request for Exception to Graduation form to the Office of the Vice President for Academic Affairs. Waivers are granted on a case-by-case basis by the Vice President for Academic Affairs.

To submit your transcript for review, contact your previous institution and request that an official transcript be sent directly to the following address: Student Records Office, 303 Homestead Avenue, Holyoke, MA 01040. FAXED transcripts are not accepted.

Parking

Campus Police, E Building, 413.552.2400

All credit and non-credit students are required to register their vehicles with the Campus Police Department. Parking stickers are included with your course(s) purchase and do not expire. A valid vehicle registration and student identification must be provided. Check the campus map for day and evening student parking areas. Illegally parked cars will be ticketed and violators subject to fines. Rules and regulations governing campus parking can be found in the Student Handbook or obtained from the campus police.

Printing

Before the start of the fall semester, a \$25 credit is given to every credit student for the academic year (fall and spring semester) to use for printing through their Go Print account. Once funds are used, additional money can be added to the print account

in increments of \$5 at the Student Accounts Office located in FR 201. Any unused funds at end of June each year is forfeited and new funds allocated in July by the IT Department. Specific instructions for accessing your print account are posted next to the computers in the library.

Smoking

HCC is smoke free. Smoking is prohibited in buildings and outside on the HCC campus. See www.hcc.edu/smokefree for more info.

Student ID Cards

Assessment Center, Frost 271

The first student ID card is issued free of charge to credit students. Thereafter, there is a \$7 charge to replace the ID card, paid at Student Account Services located in Frost 201.

Remember: Always carry your HCC Student ID with you whenever you are on campus. You will need your ID to access almost all student services.

Voter Registration

Voter registration forms are available in Student Activities for students to complete and turn in for mailing.

Weather Cancellations

Students will be notified of class cancellations due to inclement weather via HCC's Rave emergency alert system, which sends text, phone and email messages. Cancellations are also posted on the HCC website and Facebook page and announced via local radio and TV stations. Evening class cancellations will be announced by 5 p.m. Information is also available by calling the weather hotline at 413.552.2900, extension 1418.

Benefits, Tuition Waivers, Third Party Billing

All tuition waivers must be received by Student Account Services located in Frost 201 before the start of the semester.

Veteran/National Guard Benefits

FR 232, 413.552.2265

Eligible veterans, active duty personnel, reservists, disabled veterans, and dependents of deceased or 100% total and permanent disabled veterans may qualify for monthly educational benefit payments from the Veterans Administration. Certain eligible veterans who reside in Massachusetts are also entitled to a tuition waiver for classes. Students with only tuition waivers are responsible for all fees other than tuition. Veterans may also be eligible for health benefits to satisfy HCC's requirement of health insurance coverage. Massachusetts National Guard members in good standing are eligible for a tuition and fee waiver for classes.

Senior Programs

413.552.2722

Massachusetts Residents 60 years of age or older have the opportunity to take HCC credit classes on a space-available basis through HCC's senior waiver program. LATINX STUDIES

Latinx Studies is the interdisciplinary study of the historical, social, cultural, political and economic forces that have shaped and continue to shape the development of Americans of Latinx origin and ancestry over the last 500 years. Courses consider the intersections of race, ethnicity, class, gender and sexuality and how they affect the lives of Latinx people. The emphasis is on the experience of Latinx as residents and citizens of the United States and not on their countries of origin or descent.

The curriculum incorporates civic engagement, understanding and appreciation of the language, culture, literature, and creative accomplishments of Latinx communities, and is appropriate for anyone planning to work with diverse communities and cultures. Latinx studies draws from and is informed by the humanities and social sciences and prepares students for jobs in a range of fields and for transfer to four-year baccalaureate programs.

courses two weeks prior to the start of the semester in which they are planning to enroll. Registrations will not be accepted after the end of add/drop week. For information, contact ACT center, 413.552.2722.

State Employee Tuition Waiver

State employees taking credit courses are responsible for Education Service Fees (ESF) and any other fees not covered by the tuition waiver. Day tuition is waived at 100%, evening, weekend, online and Intersession tuition is waived at 50%. HCC reserves the right to charge fees to state employees in special courses involving trips, materials, supplies, etc. Present waivers at the time of registration. Waivers are not accepted by telephone, fax, or mail.

Third Party Billing (Company-Agency Payments)

Third party billing letters should be submitted to Student Account Services located in Frost 201. HCC requires an original letter from the company or agency on their official letterhead including student full name, HCC Student Identification Number, course(s), total or maximum amount being paid by the company or agency, and third party contact information. If you, the student, expect the bill to be partially or fully paid by a third party agency or company, and/or a private scholarship, you must still make payment arrangements with the Student Accounts Office by the due date of your bill. If payment in full is not submitted to Student Accounts Office by the third party within 30 days from the bill date, you will be responsible for paying any outstanding charges. If payment in full is not received by the due date of the billing statement, past due collection procedures will apply as stated on the Student Account Balances/Past Due Bills section, under the Financial Information page. For questions, please email studentaccounts@hcc.edu or call 413.552.2204.

Categorical Waivers

The Categorical Tuition Waivers are designed to provide financial support to individuals who might not have the opportunity to achieve higher education, without such assistance. Please visit hcc.edu/osfa for state detailed information. The tuition waiver should be submitted to Student Account Services located in Frost 201 along with the application for the Massachusetts Categorical Tuition Waiver. The application is available at the Student Accounts Office.

Department of Children and Families (DCF) Adopted Child Tuition Waiver and Fee Assistance Program (subject to state budgetary appropriation)

The program is designed to lessen the financial burden on adopting parents in the Commonwealth. This waiver extends eligibility to all children and young adults, age twenty-four or under, adopted through the Department of Children and Families by state employees or eligible Massachusetts residents, regardless of the date of adoption. Please visit hcc.edu/adoption for state detailed information. The tuition waiver should be submitted in person at Student Account Services located in Frost 201. The waiver is applicable only to State Supported course(s).

Department of Children and Families (DCF) Foster Child Tuition Waiver and Fee Assistance Program (subject to state budgetary appropriation)

The program is designed to provide financial support for higher education to foster children in state custody who were neither adopted nor returned home. The DCF Foster Child Tuition Waiver and Fee Assistance Program provides a valuable resource for them and will help reduce their educational loan debt. Please visit hcc.edu/foster site for state detailed information. The tuition waiver should be submitted in person at Student Account Services located in Frost 201. The waiver is applicable only to State Supported course(s).

SERVING THOSE WHO SERVE

When you're a student at Holyoke Community College, you are a part of a community that always has your back. We offer several campus resources that veterans might find useful:

The Bunker

The Bunker is a student resource center and study lounge for any currently enrolled student with military experience. The area is organized by military or veteran student volunteers, called CQ's (Charge of Quarters), and is open only to military or veteran students as a quiet study space or meeting area. Provided in the area are computer workstations, tables and chairs, a printer and small kitchenette.

HCC Military Club

The HCC Military Club is here to ease your transition to college life. Club membership is open to all veterans of the armed forces, serving members of the National Guard or Reserves, active duty service members, spouses, dependents, and friends.

Veterans & Military Personnel Committee

A collective of staff, faculty & students who identify the needs of HCC student veterans and active military service personnel and create professional development opportunities.

Military Benefits

- Chapter 30 Montgomery GI Bill
- Chapter 31 Vocational Rehabilitation
- Chapter 33 Post 9/11 GI Bill
