A Message from President William F. Messner

The HCC Student Handbook provides important information on college policies, resources, offices and activities. It is your guide to the academic requirements and rules of conduct that apply to everyone in our community. All of us at HCC—faculty, administrators and staff—want you to succeed. Academic advisors, tutors, mentors, special classes for first year students; there are a multitude of people and resources dedicated to helping you achieve your goals.

There is much to do at HCC, both in and out of the classroom. I hope you will take the time to explore all that we offer, from student clubs, athletics, concerts, art exhibits and trips, to community service and internship opportunities that align with your studies.

Whatever your personal circumstances or educational objectives, there is a place for you at HCC. We welcome you to our community, and look forward to getting to know you.

William F. Messner

It is the policy of Holyoke Community College not to discriminate on the basis of age, sex, creed, color, race, religion, sexual orientation, gender identity, national origin, or disability in its educational programs, activities, or employment policies as required by Title IX of the 1972 Education Amendments and other Federal and State anti-discrimination laws.
HCC’s Philosophy of the First Year means that college faculty and staff intentionally cultivate a foundation for college success and are committed to helping first year students:

- successfully transition to college;
- access resources and support services;
- explore and identify academic, career, and personal goals;
- understand academic expectations and apply strategies for academic success; and
- enhance core competencies: critical thinking, quantitative reasoning, information literacy, effective communication, and knowledge of diversity.

Are you a FIRST YEAR student?
First Year Experience offerings are directed toward anyone in their first or second semester at HCC and are focused on ensuring student success.

What are FYE Courses? **FYE Course**
Faculty have designed a variety of course offerings to meet the needs of First Year students to help ensure new student success. What are we offering? Look for courses offered in a variety of formats including Freshmen Interest Groups (FIGs), Learning Communities (LC’s) and traditional stand alone courses all offered as FYE classes.

What are Freshmen Interest Groups? **FYE FIG**
Freshmen Interest Groups or FIGs are a new course option to meet the needs of First Year Students at HCC. Two or more courses are linked with integrated assignments and include FYE content. The same group of students are enrolled in the linked courses but unlike Learning Communities you will have separate faculty for each class in the FIG.

What are FYE Learning Communities? **FYE LC**
Learning Communities are linked classes: the same group of students takes two classes together which are linked around a common theme or question and will also include FYE content.

Speak with your advisor about choosing one of these courses that is best for you. By taking an FYE course and participating in HCC’s programs and services designed for new students, you will experience a great year—the start of a successful college career.
Student Resources & Programs

ABE Transition to College & Careers Program
and Bridge
(413) 552-2852/2245

ABE Transition to College and Careers (ABE TCC) and Bridge to ABE TCC are free, non-credit programs that help adult students prepare for college. Applicants must have completed a GED (anytime) or have a high school diploma from at least four years ago; be at least 18-years-old (there is no maximum age); and be planning to enter college to pursue a certificate or degree after completing the program.

Classroom instruction focuses on math, algebra, reading, writing, development of critical thinking skills, computer skills in a college context and study strategies. The programs offer intensive tutoring, counseling in English and Spanish, and mentoring. Mentors are program graduates as well as volunteers from local colleges and agencies, and serve as assistants in the classroom as well as being available outside of class hours.

Career counseling is an integral part of the ABE TCC program, with a speaker series featuring guest professionals, faculty from different departments and career development workshops and field trips. Staff assists participants with admissions, financial aid, and connecting students to college resources and services.

Programs are offered during spring, summer and fall semesters. Day program classes are held on the HCC campus. Evening Bridge and ABE TCC classes are held at the Picknelly Adult & Family Education Center (PAFEC) in downtown Holyoke.

For more information, or if you are interested in becoming a mentor, please contact Mary Martone, Career Counselor at (413) 552-2245 or mmartone@cepholyoke.org.

Academic Advising
FR 271, (413) 552-2722

Every matriculated student enrolled in credit courses at the college is assigned to a faculty or staff member for the purpose of academic advising. Together the student and advisor plan the student’s program of study during Priority Registration periods in the fall and spring. Priority Registration takes place in March (for the fall semester) and in October/November (for the spring semester). Exact dates are listed in the academic calendar posted on the college’s website. The final responsibility for selecting courses fulfilling graduation requirements rests solely with the student.

ADVISORS
ACADEMIC ADVISORS
Students can stop in the Welcome Center (FR 221) or Academic Affairs (FR 317) to find out their advisor’s name and contact information. Students may also check their student account, available on the HCC website by clicking the My HCC link. All students can receive assistance, if needed, at the Advising Center (FR 273).

ADVISING CENTER
FR 273, (413) 552-2722

The Alumni Council, the governing board of the Alumni Association, sponsors social and educational events and assists with annual fundraising efforts. Alumni contributions fund several scholarships for continuing and transferring students, as well as providing equipment for classrooms and labs. Information regarding scholarships is available through the Financial Aid Office. Graduates of HCC (those who have completed an associate degree or certificate program), automatically become members of the Alumni Association. Former students with nine credits or more may request membership by calling the alumni director at the above telephone number.

**Bookstore**

**CC, first floor, (413) 552-2521**

The HCC bookstore is open Monday-Friday, 8:30 a.m.–3:45 p.m. except during winter break, and after May final exams through the last week of July. Call (413) 552-2521 or check www.hcc.edu/bookstore to confirm hours during these times. Bookstore hours are also posted on the door. Cash, check, Visa, Mastercard and Discover are accepted. Books can also be ordered online at www.ehccbookstore.com.

**Bus Passes and Schedules**

All students pay a $20 per semester transportation fee which provides unlimited service on a regular basis during the fall and spring semesters. HCC students are eligible to receive a PVTA bus pass valid for the entire semester on any bus route in the PVTA system. These passes must be used with a valid HCC student ID card. Students who use the bus must have their ID cards validated every semester in Student Account Services in FR 201. PVTA passes will be provided to each student free of charge as part of the Transportation Fee (there is a $7 replacement fee should the card be lost or stolen). PVTA bus passes can be picked up at the Student Account Services Office, Frost 201. Bus schedules can be found at www.pvta.com and a limited supply is available at the switchboard.

The college operates La Guagua Pa’l College, a free evening shuttle bus service for students between city-center Holyoke and surrounding neighborhoods, and HCC. During fall and spring semesters, the bus runs Monday–Thursday on the half hour, starting at 5:00 p.m. when PVTA service ends, and ending at 10:00 p.m. For schedule and route information, visit www.hcc.edu or pick up a brochure in the Welcome Center.

**Campus Communication**

There are a variety of communication options available on campus:

**BULLETIN BOARDS**

There are bulletin boards in all buildings on campus. Information on social, athletic, academic and other activities are posted on these boards. See the bulletin board policy, page 31, before posting any material.

**EMAIL ACCOUNTS**

All students registered for credit classes at the college are provided a personal email account. The HCC portal contains student email and Online Services (self-service) accounts. The college uses this email account or the messaging system to send communications to the student body. Student email addresses will be recorded in the college’s electronic directories and records. Students are responsible for reading official college email and messages in a timely fashion.

New portal accounts may take up to 24 hours after registration to be created. The MyHCC icon on the HCC homepage (www.hcc.edu) and on the E-Institute website (webtide.hccdl.org) will bring you to the page containing links to online options.

It is extremely important that students log into this system, as it is an essential communication tool between student, professor, and administration. Also, urgent college-wide
information and announcements concerning closings and events are transmitted through this medium.

THE PHOENIX

**Financial Aid**

**FR 201, (413) 552-2150**

The Financial Aid Office is open from 8:30 a.m.–6 p.m., Monday–Thursday; and from 8:30 a.m.–4:30 p.m., on Friday. The staff is available to answer any financial aid questions.

A student at Holyoke Community College may apply for financial aid through a variety of grant programs, as well as for a Federal Direct Stafford Loan and a federally funded work-study job. Financial aid may help not only with the direct expense of tuition, fees, and books, but also with other expenses, such as lunches, transportation, child care, and room and board. High-need students eligible for resident tuition rates may receive more than enough grant aid to cover the cost of tuition, fees, and books, particularly if they qualify for state-funded programs and apply relatively early. If a student does not qualify for enough grant aid to cover direct costs, educational loans are offered to cover the shortfall. A student who needs additional help with out-of-pocket expenses may want to request additional loan funds or a part-time work-study job. Loans of more than $3,000 toward out-of-pocket expenses may require extensive loan counseling.

The HCC Foundation, Inc. offers more than 80 scholarships. Scholarship applications are available from February 1 through the middle of March online at www.hccscholarships.org. For more information, visit the Foundation office (DON 170) or call (413) 552-2182.

Honors Program
DON 170, (413) 552-2197

FIRST YEAR HONORS COURSES
Incoming students who receive scores of 100 or better on their English placement exam will be invited to take Honors ENG 101 in the fall semester. This three-credit course is organized around a theme of the instructor’s choosing. Writing assignments will emphasize critical thinking and interpretation of non-fiction texts; using summary, paraphrase, and quotation; finding, evaluating, and documenting sources; and writing with purpose. Students will produce approximately 3,000 words of formal written work, including a documented research paper of at least 1,250 words. Students who complete any ENG 101 course with a B+ or better may be invited to take a first-year Honors Learning Community in the spring. Eligible students who do not receive an invitation should contact the Program Coordinator.

SECOND YEAR HONORS COURSES
The Honors Colloquium (HON 206) is an interdisciplinary, team-taught course for which students may receive six “B” or “C” credits. A single colloquium is offered each semester. Colloquia are reading and writing intensive, and examine a central theme from a variety of academic perspectives. Past themes have included “Evil,” “Colonialism,” “Biototechnology” and “Value.” The Honors Program provides all required texts for each semester’s fifteen colloquium students. Invitations will be sent at mid-semester to students achieving a B+ or better in ENG 102, and in courses relevant to the upcoming colloquium’s theme. Qualified students who do not receive an invitation should contact the Program Coordinator. Students who plan to transfer to the Commonwealth Honors College at UMass or to a private college or university will find the colloquium an excellent place to hone their reading, writing, and research skills. Students who have completed 24 credits (including ENG 102) and achieved a 3.5 GPA are eligible for the Honors Colloquium.

One or more sophomore-level Honors Learning Communities are offered each semester. Course combinations for these LCs will vary, and recruitment for sophomore Honors LCs will be based upon strong performance in relevant prerequisites.

HONORS PROJECTS
After completing 12 credit hours of work at HCC, a student who achieves a GPA of 3.5 or receives an instructor’s permission may elect to attach an Honors project to any college-level course (with the exception of ENG 101).

An Honors project consists of additional independent work a student chooses to undertake in conjunction with an instructor. Such work may consist of an extra paper, a paper of greater length or complexity, a research project in a practical setting such as a lab or darkroom, or creative work such as painting, sculpture, writing, or performance. A brief essay in which the student reflects upon his/her learning experience must be attached to all completed projects. Project topics are limited only by the student’s imagination or ability, the instructor’s course guidelines, and a regard for the degree of academic rigor expected by the HCC Honors Program.

Students need not complete an Honors project in the semester in which they begin it, but the project must be completed before graduation in order to receive credit. Completed projects must be approved by the participating instructor and by the Honors Committee. Upon successful completion of an Honors project, a student will register for HON 201, a one-credit course. The student’s transcript will list the title of his or her Honors project and the name of the course in which it was undertaken next to the grade received for HON 201.

COMMONWEALTH HONORS SCHOLAR DESIGNATION
The Commonwealth Honors Scholar designation recognizes the achievements of students who have completed at least nine credits of Honors-level work in fulfillment of (or in addition to) their regular degree requirements. This designation may be attached to any of Holyoke Community College’s existing A.A. or A.S. degrees.

To graduate as a Commonwealth Honors Scholar, students must complete nine Honors credits, at least six of which must be earned in interdisciplinary Honors courses (Honors Learning Communities or Honors Colloquia). The remaining three credits may be earned in stand-alone Honors courses or by completion of one-credit Honors Projects. Check “Honors, Academic” in the Glossary of Academic Policies, Procedures and Terms for more information about Honors courses.

Students must complete all Honors courses with a grade of B or better and have earned a 3.5 GPA at the time of graduation to qualify for this designation. Students who meet these criteria will be recognized as Commonwealth Honors Scholars on their academic transcript and in the Commencement Program.

Honors - Dean’s List
Students of superior academic achievement are recognized at the end of each semester. Full-time students who have earned a grade point average (GPA) of 3.2 or better and who have earned at least 12 semester hours of work in a semester will be awarded the distinction of having their names placed on the Dean’s List. Students in the current term carrying fewer than 12 attempted hours are considered part-time students for the Dean’s List. Upon the completion of each increment of 12 semester hours, those part-time students who have a GPA of 3.2 or higher shall be recognized for academic achievement by being placed on the Dean’s List. There can be no carry-over of credits. NOTE: Developmental courses and credits earned in S/U (Satisfactory/Unsatisfactory) courses are not counted towards determination of the Dean’s List.
**Honors - Graduation**

To graduate with honors from HCC, the minimum cumulative GPA required is 3.2. The minimum GPA for high honors is 3.7.

**Honors - Phi Theta Kappa**

**Library**

**DON**

Semester Hours:
- Monday–Thursday, 8 a.m.–8:30 p.m.
- Friday, 8 a.m.–4:30 p.m.
- Saturday, 10 a.m.–2 p.m.
- Non-semester hours: as posted

The mission of the library is to ensure that students become efficient and effective consumers of information. To that end, the library provides a wide selection of books, journals, audiovisuals, and online databases selected to support the academic programs of the college.

Reference librarians are available Monday through Friday and on Saturday during the academic year to assist with student research needs and to provide instruction in information literacy. The HCC library provides access to over 65,000 books and audio-visual items, 21,000 electronic books, and 32,000 online journals through its 100 databases. Students may also request material from the C/W MARS library network and have it sent to the HCC library for pickup. C/W MARS includes over 140 academic, public, and special libraries located in Central and Western Massachusetts.

A valid HCC ID card is required for borrowing HCC library resources, for accessing HCC library databases from home, for borrowing material from CLGS libraries, or requesting material online from C/W MARS libraries. Policies governing the circulation of library materials are available from the circulation desk and are posted on the library webpage.

Overdue materials charges:

- 20 cents a day per item for overdue books
- $1 a day per item for overdue videotapes/DVDs
- 25 cents an hour for two-hour reserve material on the day taken out, $2 per day thereafter.
- $1 a day for one- and two-day reserve materials

**Note:** Not all labs are available on a walk-in basis. Please consult with department office before using.
In addition to the service charges above, a $2 flat fee will be assessed for material more than a month overdue.

It is important to keep student library accounts in good standing because delinquent students are denied borrowing privileges and are not issued grades, diplomas, or transcripts.

In exceptional cases, the dean of library services reserves the right to limit the number of items that a student may borrow if the student has demonstrated a consistent abuse of circulation privileges at the HCC Library or any other C/W MARS library. Full borrowing privileges will be restored at the end of the semester if the student has no outstanding obligations to any C/W MARS library.

Library material is considered state property and any student responsible for its defacement will be treated according to the Student Code of Conduct.

**Online Learning**

**Online Learning**

MRB 229, (413) 552-2272

For students with busy schedules, Online Learning at HCC is the smart choice. Let us help you connect to excellent, con-
Convenient, and flexible online and campus-based opportunities to meet your personal and professional academic goals.

- Complete your degree
- Take a course
- Experience online learning at its best
- Earn the credentials you deserve

How does it work?
Online courses are taught in Moodle, the HCC’s online learning platform. In Moodle, your classroom is a website that can be accessed from anywhere in the world. Online courses are not self-paced. Students are expected to fully participate. Discussions and communication with the instructor and classmates take place online inside the Moodle website. Courses have syllabus and deadlines; they follow the academic calendar for the beginning and end of classes, and they do have time-oriented assignments and projects.

Is Online Learning for you?
To be a successful online student you must be self-motivated, enjoy learning independently, and possess basic computer skills (emailing, attaching files, word processing, etc.).

NOTE: Some courses require on-site exams. Therefore, it is important to review your course requirements as soon as possible and contact Online Learning and/or your instructor to make the necessary arrangements if you cannot come to campus.

Brick & Click courses combine classroom instruction with computer-based learning. Because portions of the course requirements are completed online, Brick & Click courses reduce the amount of time you spend in the classroom. For a complete listing of degree and certificate programs that are 50%, 80% or 100% online, please go to the http://www.hcc.edu/courses-and-programs/college-catalog/areas-of-study

7. All towing resulting from parking violations is done at the student's expense.
8. College records, grades, and transcripts will be withheld from those students who do not pay their fines.

No overnight parking on campus is permitted.

Transfer Opportunities
FR 273, (413) 552-2498
MassTransfer
In June 2008, the Board of Higher Education accepted the Final Report from the Commonwealth Transfer Advisory Group which included a new statewide transfer policy: MassTransfer. MassTransfer seeks to provide a broad population of students with straightforward and understandable options toward the completion of associate and baccalaureate degrees, clearing the way for student access and student success in Massachusetts’ public higher education system.

MassTransfer has two main purposes:

- to provide community college students who complete designated associate degrees under MassTransfer with the benefits of the full transfer and applicability of credit, guaranteed admission, and a tuition discount (each benefit based on the student’s final grade point average) to linked baccalaureate programs; and
- to provide any student in the Massachusetts public higher education system the intermediate goal of completing a portable transfer block (“MassTransfer Block”) which satisfies general education/distribution/core requirements across institutions (with the receiving institution able to add no more than six additional credits/two courses).

MassTransfer integrates and replaces the Commonwealth Transfer Compact, Joint Admissions, and the Tuition Advantage Program. The MassTransfer policy for community college students who complete designated associate degrees applies to students who matriculate in or after fall 2009 at a Massachusetts community college. The MassTransfer policy for any student in the Massachusetts public higher education system who completes the MassTransfer Block will apply beginning fall 2010, regardless of initial date of enrollment.

SECTION I: FOR STUDENTS COMPLETING AN ASSOCIATE DEGREE UNDER MassTransfer AT A MASSACHUSETTS COMMUNITY COLLEGE.
A student completing an associate degree program under MassTransfer will have graduated with a minimum of 60 credit hours and will have completed the following 34-credit general education transfer block, exclusive of developmental coursework.

Each associate degree program under MassTransfer is linked to baccalaureate degrees and schools at the Massachusetts state colleges and University of Massachusetts campuses across the Commonwealth. The list of associate degree programs and linked baccalaureate programs under MassTransfer will be available at www.mass.edu, as well as on the transfer websites at the individual public higher education institutions.

Benefits

A student completing an associate degree who seeks admission to a linked baccalaureate program under MassTransfer will be entitled to the following benefits based upon the final cumulative grade point average at the community college awarding the degree:

A. A final cumulative grade point average of a 2.0 or higher
   i. Waives the admissions application fee and essay
   ii. Guarantees the full transfer of college-level credits, including “D” grades, applied to the degree requirements of the linked baccalaureate degree or school at the state college or University of Massachusetts campus such that the MassTransfer student will be required to complete no more credits or courses than a native student with the following stipulations:
   The student changes his or her major.
   If the linked baccalaureate program requires a higher grade point average or specific courses for the major which are required of native students, the MassTransfer student must meet these requirements.
   iii. Satisfies the general education requirements at the receiving institution with the receiving institution able to add no more than six additional credits / two courses in compliance with the New England Association of Schools and Colleges’ Standards for Accreditation. This will apply when the receiving institution already places these requirements on its native students and will determine at its discretion which credits, if any, shall be required.

Note: College-level course credits consistent with the standards set forth in the Undergraduate Experience recommendations are included under
MassTransfer. Credits awarded by the sending institution through CLEP, challenge examinations, and credit for prior learning shall be included when a student qualifies under MassTransfer.

B. A final cumulative grade point average of a 2.5 or higher
   i. Grants all of the benefits outlined in section 1A.
   ii. Guarantees admission to the linked baccalaureate degree or school at a Massachusetts state college or University of Massachusetts campus with the following stipulations:

If the linked baccalaureate program requires a higher grade point average which is required of native students, the MassTransfer student must meet this requirement.

If because of space or fiscal limitations the receiving institution does not admit all qualified applicants to a given major or program, the receiving institution will use the same criteria for MassTransfer applicants as it does for its native students.

Students must be in good academic, fiscal and disciplinary standing with all previous institutions.

C. A final cumulative grade point average of a 3.0 or higher
   i. Grants all of the benefits outlined in sections 1A and 1B.
   ii. Guarantees a tuition waiver equal to 33% of the Massachusetts resident tuition rate at a state college or University campus for two years of undergraduate enrollment with the following requirements:

   Enrollment is continuous at the state college or University campus.

   The student earns a cumulative grade point average of a 3.0 or higher for the first year of enrollment at the state college or University of Massachusetts campus.

   Note: For students demonstrating compelling hardships, institutions may exercise professional judgment regarding the above conditions.

SECTION II: FOR STUDENTS COMPLETING THE GENERAL EDUCATION TRANSFER BLOCK AT ANY MASSACHUSETTS HIGHER EDUCATION INSTITUTION WITH A 2.0 OR HIGHER GRADE POINT AVERAGE.

A student completing the general education transfer block will have earned the following 34 credit hours outlined below, exclusive of developmental coursework.

- Behavioral and/or Social Sciences: 9 credit hours
- Humanities and/or Fine Arts: 9 credit hours
- Natural or Physical Science: 7 credit hours
- Mathematics/Quantitative Reasoning: 3 credit hours

Benefit

Students completing the 34-credit general education transfer block (exclusive of developmental coursework) with a 2.0 or higher grade point average will be entitled to the following benefit:

Satisfies the general education requirements at the receiving institution with the receiving institution able to add no more than six additional credits / two courses in compliance with the New England Association of Schools and Colleges’ Standards for Accreditation. This will apply when the receiving institution already places these requirements on its native students and will determine at its discretion which credits, if any, shall be required. Students enrolled in a specific major or degree program may be required to take additional courses if these courses are specifically required for the major or program and are required of native students.

Financial Information

Financial Aid
FR 201, (413) 552-2150
The Financial Aid Office is open from 8:30 a.m.–6 p.m., Monday–Thursday; and from 8:30 a.m.–4:30 p.m., on Friday. The staff is available to answer any financial aid questions.

A student at Holyoke Community College can apply for financial aid to help cover the costs of tuition, fees and books, as well as other expenses such as lunches, transportation, child care, and room and board. Financial aid consists of grants, loans, and work-study. High need students often receive enough grant (“free”) aid to cover the direct cost of tuition, fees and books, particularly if they qualify for state-funded programs and file by our May 1 priority deadline. If a student does not qualify for enough grant aid to cover direct costs, educational loans are offered to cover the short-fall.

The vast majority of financial aid funds at Holyoke Community College come from federal and state programs for which eligibility is need-based. Students must reapply for this aid each academic year. State-funded programs require the student (and parent) to have been Massachusetts residents for at least one year before the start of the school year. All awards are subject to the availability of funds and changes in federal, state, and college regulations, policies and procedures.

HOW TO APPLY FOR FINANCIAL AID
Financial aid applicants are required to annually submit a properly completed Free Application for Federal Student Aid (FAFSA). This federal application is submitted electronically through FAFSA on the Web (www.fafsa.gov). In order for HCC to receive the application, HCC’s Federal School Code (#002170) must be included on the FAFSA. Applicants are welcome to use the self-service computers in the lobby of HCC’s Financial Aid Office (Frost Building, Room 201) to submit the application.

In order to meet both the HCC and the State MASSGrant deadlines, the student’s FAFSA must reach the federal processor before May 1 for the school year starting in September. In addition to meeting the May 1 deadline, to receive the best possible aid award, applicants should also submit all other required documentation to the Financial Aid Office by June 30. Returning students should also register for classes by June 30. If a student misses the May 1 FAFSA deadline, he/she should apply as soon as possible thereafter in order to receive the best possible aid package, even if not starting school until the following spring.

In addition to completing the general financial aid application requirements described above, applicants should:

• GET ADMITTED to a degree program or to an eligible certificate program.
• PREREISTER for courses as early as possible.
• SIGN and return all award letters offering aid.
• NOTIFY the Financial Aid Office about funding from any other source, such as a scholarship organization.

INCOMPLETE APPLICATIONS
If the financial aid applicant is selected for verification by the federal processor, or the school, additional documentation is required, such as verification worksheets. It is our policy to ask that the documents be submitted to the Financial Aid Office within three weeks of the date we notify the applicant that we need the additional information. If we do not receive the documents within that time frame, we consider the file incomplete and take no further action on the application while it remains in incomplete status. (If the documents are submitted after the 3-week period, we may take action on the application if federal and state rules allow us to do so). If corrections to the application are required after receipt of the requested documents, we make the corrections on our computer system and, submit the corrections to the federal processor.

HOW AID IS AWARDED AND DISTRIBUTED
In general, to receive financial aid students must meet the following requirements:

• Be a U.S. citizen or eligible noncitizen.
• Have a high school diploma, General Educational Development (GED) certificate, or have completed a high school education in a home school setting that is recognized as a home school or private school under the law.
• Enroll in an eligible program of study as a regular student seeking a degree or a financial aid eligible certificate.
• Be registered with Selective Service, if required (in general, this applies to males age 18 through 25).
• Meet satisfactory academic progress standards at the school.
• Are not in default on a federal student loan or owe money on a federal grant.
• Have certified that the financial aid will be used only for educational purposes.
• Have not been convicted of a drug offense that occurred while enrolled in school and receiving federal financial aid.

The types and amount of financial aid that a student is eligible to receive is determined by the Financial Aid Office based on the following factors:
• Date of application
• State of legal residence
• Income and assets reported on the FAFSA
• Number of people in the household as reported on the FAFSA
• Number of college students in the household as reported on the FAFSA
• Enrollment status (full-time, three-quarter-time, half-time or less-than-half-time)

The following packaging policies are also followed at HCC:

• Federal Supplemental Educational Opportunity Grants (SEOG) are normally restricted to students with Expected Family Contributions (EFC) = 0
• Less-than-half-time students are normally restricted to Federal Pell Grants
• College-based grants based on need are not reduced for private scholarships unless required by regulation

Awards to students with bachelor’s degrees or higher are limited to loans and jobs. Also, students who are simultaneously enrolled in high school and HCC are not eligible for any financial aid.

Students enrolled in a study abroad program that has been approved by the college should contact the Financial Aid Office for information about financial aid eligibility for the program.

AID PACKAGING
Holyoke Community College uses a form of “EQUITY PACKAGING” to award financial aid grants. Under equity packaging, an attempt is made to cover a pre-determined target amount through grant aid and the student’s expected family contribution (EFC). The EFC is determined according to a federal formula based on the FAFSA application data and is reported to the family via the resulting “Student Aid Report.” The target amount is determined by the financial aid office based on the amount of funds that are available and the number of students who are expected to apply for these funds.

Listed below is an example of a financial aid grant package that would be awarded to on-time full-time Massachusetts resident students with a pre-determined target amount of $6,600 and an expected family contribution equal to 0:

$5,645 Federal Pell Grant
$200 Federal Supplemental Educational Opportunity Grant
$432 Financial Aid Tuition Waiver
$323 Mass Furcolo Access Grant

The students in this example are receiving a total of $6,600 in grant aid which is the target amount minus their expected family contribution of $0. Since these grants exceed the amount needed for tuition, fees and books, the excess would be available to help with out-of-pocket expenses such as room and board, lunches, transportation, and daycare.

Three-quarter-time and half-time students are packaged with grants that are three-quarters and one-half of the amounts packaged for full-time students with the same EFCs. Their direct costs (tuition, fees and books) are also proportional to enrollment status.

If a student does not qualify for enough grant aid to cover direct costs, educational loans are offered to cover the shortfall.

A student who needs help with out-of-pocket expenses can complete a Loan Request in the Financial Aid Office for additional loan funds for these other costs. Loans of more than $3,000 toward out-of-pocket expenses may require extensive loan counseling.

Work-study funds are awarded to students who met the financial aid priority deadline, have relatively high financial need and who indicated an interest in jobs on their Free Application for Federal Student Aid (FAFSA).

A student’s initial financial aid eligibility for each semester is based on the enrollment status at the end of the add/drop period (for summer this normally means the first add/drop period and for the intersession/spring term this normally means the add/drop period of the traditional spring term).

The college does reserve the right to adjust awards due to changes in students’ eligibility or the availability of funds.

FINANCIAL AID LIMITATIONS

• Financial aid can only be used for up to 30 credits of developmental coursework (not counting ESL courses).
• A student cannot receive financial aid for a course the student never attended.
• Students are restricted to a lifetime limit of 12 full-time semesters of Pell Grants.
• Financial aid cannot pay for health insurance without the student’s written permission.
• A student cannot receive financial aid for audited coursework.
• Financial aid for students with Bachelors Degrees (or higher) is restricted to loans and work-study.
• Subsidized student loans will be limited to 150% of the length of the student’s academic program for new borrowers on or after July 1, 2013.

BOOK ADVANCES
Students who have anticipated financial aid that exceeds their tuition and fee charges are automatically issued a financial aid book advance for the HCC bookstore. Approximately 3 weeks before the start of a semester, a student’s eligibility for the book advance is calculated based on the student’s billed charges minus pending financial aid. Once calculated, it is
posted to the student’s account and electronically forwarded to the bookstore. The amount of the book advance can be viewed on the student's record on the HCC on-line services (“MY HCC”). To use the advance, the student goes directly to the bookstore with his/her class schedule and student ID. Books can be purchased with the advance through the first 3 weeks of the semester. After the 3-week period, the bookstore notifies the school’s Student Accounts Office of the actual amount of book charges that should be placed as a charge on the student’s account. If the student uses the book advance to purchase course materials, the student is considered to have authorized the use of financial aid funds to pay these expenses and no additional written authorization is required.

TIMING OF FINANCIAL AID PAYMENTS
The first aid payment for a term normally occurs on the student’s account around 30 days after classes start. A student with a credit balance resulting from aid in excess of the balance due is issued a check within 14 days of disbursement.

UNEARNED FINANCIAL AID
If a student stops attending classes before completing 60% of the semester, the student is considered to have earned only a percentage of his/her aid equal to the percentage of the term completed. In such cases the school must apply federal and state rules to determine how much unearned aid must be repaid respectively by the student and the school. Until the student repays the unearned aid, he/she is considered to have a financial aid overpayment. Federal overpayments prevent a student from receiving federal or state aid at any school. State overpayments disqualify the student for state aid at any school. In addition, the return of aid by the college can leave an unpaid balance on the student’s college account.

When calculating the unearned aid, the regulations require schools to use the date the student begins the withdrawal process as the “date of withdrawal.” Holyoke Community College defines the date the student begins the withdrawal process as the date the student obtains withdrawal forms from the Student Records Office with the intention to completely withdraw from school.

If a student stops attending, and fails to officially withdraw from classes, the school normally uses the 50% point of the term as the “withdrawal date,” although a different date may be used if the school has received a last date of attendance from an instructor. Federal rules now also require the return of financial aid in cases where a student withdraws from a single course, if at the time of the withdrawal from the course the student is not currently attending other classes.

FEDERAL STUDENT FINANCIAL AID PENALTIES FOR DRUG LAW VIOLATIONS
Students convicted under any federal or state law for the possession or sale of illegal drugs for any offense that occurred while receiving federal student aid are ineligible for aid for a period of time based on the type and number of convictions.

STUDENT LOAN INFORMATION
Holyoke Community College processes student loans through the William D. Ford Federal Direct Stafford Loan Program (Federal Direct Loan Program) administered by the U.S. Department of Education. There are two types of Federal Direct Stafford Loans, subsidized and unsubsidized. A subsidized Stafford Loan is awarded on the basis of financial need. If a student is eligible for a subsidized loan, the government will pay (subsidize) the interest on the loan while the student is enrolled at least half-time (6 credits). Unsubsidized Stafford Loans, on the other hand, are not based on financial need. Interest accrues on an unsubsidized Stafford Loan from the time the loan is disbursed until it is paid-in-full. Eligibility for a subsidized loan vs. an unsubsidized loan is determined by the Financial Aid Office based on the student’s cost of attendance, eligibility for other types of financial aid and Expected Family Contribution (EFC). Both types of Stafford Loans must be repaid six (6) months after the student leaves school or drops below half-time (6 credits).

Applicants are notified of a loan offer on a financial aid award letter. Students have the option of accepting the entire amount offered, reducing the amount offered or declining the offer.

All first-time student loan borrowers at HCC are required to complete a student loan entrance interview. To complete this requirement, the college uses the on-line entrance counseling tutorial provided by the U.S. Department of Education at www.studentloans.gov. First-time student loan borrowers are also required to complete an electronic Master Promissory Note (MPN) at the www.studentloans.gov web-site.

Prior to ceasing enrollment at HCC (or dropping below half-time) all student loan borrowers must also complete a loan exit interview. The exit interview requirement can also be completed on the www.studentloans.gov website.

The disbursement of Direct Loan funds is in two equal payments over the period of the loan. Minimal loan fees are deducted from the loan at the time of the loan disbursement. To remain eligible for the funds, students must maintain at least half-time enrollment (6 credits). In some cases, a student may be eligible for a late disbursement of loan funds after he/she has dropped below half-time, however, a student is never eligible for payment of the second half of his/her loan after dropping below half-time.
After the loan has been disbursed the college notifies the student of the loan disbursement to his/her student account and provides an opportunity for the student to cancel all or a part of the loan.

As required by law, each borrower's specific loan information is reported by the college to the National Student Loan Data System (NSLDS) and is accessible by guaranty agencies, lenders and institutions determined to be authorized users of the data system. Students themselves can track their own student loan indebtedness through the NSLDS website www.nslds.ed.gov.

Additional information on the Federal Direct Loan Program can be obtained at the Direct Loan website www.ed.gov/DirectLoan. At this site information can be downloaded pertaining to such things as repayment plans, deferments, forbearance, cancellation provisions and consolidation opportunities.

Information about a borrower's right to contact the Federal Student Aid Ombudsman to help resolve a problem or dispute related to his/her loan can be found at www.studentaid.gov.

**FEDERAL WORK-STUDY**

Federal Work-Study provides jobs to students, allowing them to earn money to help pay school expenses. To be able to work through the work-study program, a student needs to receive a work-study award by the Financial Aid Office. Applicants are notified of a work-study award offer on a financial aid award letter. If the applicant wants to accept the work award, he/she needs to indicate the acceptance on the letter and return it to the Financial Aid Office.

The number of hours a student can work depends on his/her award and rate of pay. Most students are able to work an average of 10-12 hours per week. Sometimes additional hours are available during the summer or other vacation periods, but rarely would total hours exceed 30 per week.

Hourly rates for work-study positions range from $8.00 to $9.15 and vary depending on the type of position and the length of time the student has been employed in the position.

Receiving a work-study award does not guarantee a job placement for a student. Students must apply for work-study positions and be hired by a supervisor before they can start to earn funds from their award. To begin the job placement process, students obtain a work-study packet from the Financial Aid Office. This packet contains information and instructions about the work-study job hiring process.

Available work-study positions are posted on a bulletin board outside the Financial Aid Office. Some of the positions are classified as “community service” jobs because they provide services that are designed to improve the quality of life for community residents, particularly low-income individuals, or to solve particular problems related to their needs. Most of the community service jobs are located off-campus at local non-profit organizations.

Students are not allowed to work during time periods when they are scheduled to be in class, except in the event of a special circumstance (e.g., class cancellation). Any changes to the work schedule that conflict with the student’s class schedule must be documented by the student’s supervisor.

To receive payment for hours worked, time slips are submitted to the HCC payroll office at the end of the student’s employment period for the week. As with other HCC employees, work-study students are paid on a bi-weekly basis. Students can have the wages paid through direct deposit or through a paper check that must be picked up in the HCC payroll office.

Work-study re-hiring is not an automatic process. A work-study student needs to receive a determination of award eligibility from the financial aid office each semester. In addition, the student must be re-hired by the supervisor at the beginning of each new employment period (usually the beginning of the semester).

Because work-study earnings are subject to all federal and state income taxes, students must complete a federal W-4 form and a state M-4 form prior to beginning employment.

**FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS POLICY**

For most Federal and State Financial Aid Programs, students must meet both a qualitative and quantitative standard of academic progress.

**QUALITATIVE STANDARD**

To meet the qualitative standard a student must maintain a cumulative grade point average high enough to avoid academic probation, specified below:

<table>
<thead>
<tr>
<th>Grade Point Hours</th>
<th>Cumulative Financial Aid G.P.A. Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>Below 9</td>
<td>No minimum</td>
</tr>
<tr>
<td>9 – 30</td>
<td>1.75</td>
</tr>
<tr>
<td>Above 30</td>
<td>2.0</td>
</tr>
</tbody>
</table>

A student may have a different financial aid GPA than his or her college GPA due to the inclusion of both pre- and post-Fresh Start grades and the inclusion of final grades from developmental courses in the calculation.

**QUANTITATIVE STANDARD FOR FINANCIAL AID RECIPIENTS**

The quantitative standard, which has two aspects, is based on the United States Department of Education requirement that recipients of federal student aid complete degree or certificate requirements within 150 percent of the “normal time frame.” The limit of the maximum time frame is one aspect of the quantitative standard; the complementary pace standard requires that the student make reasonable progress toward earning the degree or certificate within that time frame as he/she attempts coursework along the way.
MAXIMUM TIME FRAME
The maximum time frame for students in both degree and certificate programs is stated in terms of attempted semester hours. Students must complete their program of study within 150% of the published number of semester hours (credits) required to complete the program at HCC. A student is ineligible to receive financial aid once they have reached the 150% limit or it becomes clear that s/he will not be able to complete degree requirements within the 150% time frame. For example, a student in an Associate Degree program involving 60 semester hours (some may require more) would need to complete degree requirements before attempting 90 semester hours. Likewise, a student in a 24 semester hour certificate program would need to complete certificate requirements before attempting 36 semester hours.

The time frame can be automatically extended without requiring an appeal for up to 36 semester hours of attempted ESL coursework.

PACE TOWARD PROGRAM COMPLETION
For a student to meet the pace standard (calculated at 0.67) he/she must earn semester hours at HCC equal to at least two-thirds (2/3) of his/her cumulatively attempted semester hours. Transfer credits accepted at HCC count toward both the credits attempted and the credits earned.

PREVIOUS ENROLLMENT IN OTHER PROGRAMS AT HCC
Even if a student has been enrolled in one or more previous academic programs, HCC policy is to consider all previous semester hours attempted.

INCOMPLETES, WITHDRAWALS, REPETITIONS, AND NONCREDIT REMEDIAL COURSES
Courses for which a student receives a grade of “incomplete” or “withdrawal” (I, W, WX, AW) are all count as attempted semester hours. Repeated courses are handled according to the colleges current academic repeat policy. Remedial/developmental courses are counted in determining a student’s enrollment status and attempted semester hours, and are considered “earned” if a passing grade is attained. The final grades received in development courses are included in the calculation of a financial aid GPA.

REPEAT POLICY
Financial aid can only pay for one repeat of a previously passed course. This policy applies even if the student did not receive financial aid when enrolled in the course in the past.

REINSTATEMENT OF ELIGIBILITY
Students who do not meet the normal standards of satisfactory academic progress may have their eligibility reinstated once they have brought their record up to standard, or been granted an appeal.

APPEAL
Students who believe that extraordinary circumstances prevented them from attaining financial aid satisfactory academic progress according to this policy may submit a written appeal. Such written appeals should be submitted on the currently approved form and directed to the Academic Progress Appeals Committee through the Financial Aid Office (FR 201).

Reasonable bases for an appeal may include, among other reasons based on the judgment of the Academic Progress Appeals Committee, student illness or injury, death of a relative, or a significant and reasonable change in educational objective.

Failure to follow any recommendations made by the appeals committee may be considered insufficient grounds for the denial of financial aid funds and/or any subsequent appeal, if required.

FINANCIAL AID PROBATION
If a student is granted an appeal, s/he is considered to be on financial aid probation. A student on financial aid probation will be eligible to receive financial aid for one semester. To receive financial aid beyond that point, s/he must meet normal SAP standards and/or fulfill the requirements of an academic plan.

FREQUENCY OF REVIEW
The GPA, maximum time frame, and pace standards are checked after the end of each term and before the beginning of the next term of enrollment for both degree and certificate students.

WARNING PERIOD
The Financial Aid Warning Period is a one-time, one semester, warning period for students who fail to meet the GPA and/or pace standards for the very first time. Students in this category are warned of their failed status but do not lose their financial aid for that one semester.

Tuition and Fees
All tuition, fees, and expenses are subject to state and legislative action. This, and other circumstances, may require adjustments in the tuition and fees stated in this handbook. HCC reserves the right to make such adjustments in these charges as may, from time to time, be required by the Department of Higher Education or the HCC Board of Trustees. HCC reserves the right to change class times or instructors, to cancel or add classes, and to alter any policy statement. Students affected by time changes or cancellations will be notified.

Cash, personal check, Visa, MasterCard, or Discover Card may be used for payment. Information on the rates for out-of-state, international, and Regional Compact students may be obtained from the Bursar’s Office, and is published in the college’s Registration Booklet.

Academic Probation and Dismissal
Academic probation or dismissal is determined by the cumulative grade point average (GPA) and credit. Students who have earned less than nine credit hours have no minimum GPA. Those who have completed between nine and 30 credit hours must attain a GPA of 1.75 or above. Those who have completed more than 30 credit hours must attain a GPA of 2.0.

PROBATION
The first time a student fails the minimum required GPA (grade point average) as listed above, he or she will be placed on Academic Probation.

DISMISSAL
At the end of two semesters of probation, if the cumulative GPA remains below the minimum standard, the student will be dismissed. However, the student will not be dismissed if, during a probationary semester, he or she earns a GPA of 2.0 or better.

GRADUATION
A minimum cumulative GPA of 2.0 is required to graduate in degree and certificate programs.

Attendance and Tardiness
All students are required to report to all classes on time. Persistent absence or tardiness may result in grading penalties or the student’s dismissal from class and a grade of AW (Administrative Withdrawal). Students will be informed in writing of each instructor’s attendance policy at the start of classes and are required to adhere to them. It is the prerogative of the instructor in cases of extended illness or serious accident whether or not the student will be allowed to continue in the course.

RELIGIOUS BELIEF ABSENCES POLICY
Chapter 151 C, Section 2B, of the Massachusetts General Laws allows students who cannot attend classes, take examinations, study or fulfill work requirements on a particular day due to their religious belief, to be excused from such obligations. Students must be provided with opportunities to make up exams, and study or work requirements, provided that this does not create an unreasonable burden upon the instructor. Students may not be charged for such makeup opportunities, or be adversely or prejudicially affected for taking advantage of these provisions. Students should notify instructors in advance so that accommodations can be made if necessary.

Curriculum Change
Students who wish to change their program of study may go to the Office of Academic Affairs (FR 317) before they begin the following semester. Students making such a change may lose credit for courses that are not required in the new curriculum. Students should check on the requirements for the new degree, or their graduation may be delayed because of the change. There are some limited enrollment programs that require a separate application process. They are: Nursing, Radiologic Technology, and Veterinary and Animal Science. Other curricula may also require prior approval by the program coordinator. They are: Art, Early Childhood Education, Music. For assistance in making a program of study decision, contact Career Services or Counseling Services.

Degree Requirements
It is the student’s responsibility to carefully note all requirements for his/her chosen degree or certificate program and abide by them.

Candidates for the degrees of Associate in Arts (A.A.) or Associate in Science (A.S.) must:

1. Complete the requirements of the degree program. In addition to courses pertaining to the major, each program includes a general education core as follows:
   a. Associate in Arts 35 credits (except the A.A. in Music)
      Eng. 101–102 6 credits
      Laboratory science 8 credits
      Mathematics elective 3 credits (minimum)
      Social science electives 9 credits
      Humanities electives 9 credits
   b. Associate in Science 20 credits
      Eng. 101–102 6 credits
      Laboratory science 8 credits
      Social science electives 6 credits
2. Present at least 60 credits, of which at least 30 must be earned at HCC. However, students may request a waiver of this requirement, through the office of the vice president of Academic Affairs.
3. Achieve a cumulative GPA of at least 2.0.
4. Satisfy all financial obligations to the college.
5. Demonstrate basic computational skills competency—applies to all students beginning their studies at
HCC in Fall 2007 or later. This may be demonstrated by:

a. Achieving a score on the arithmetic portion of the Math Placement Exam sufficient to be excused from Basic Mathematics (MTH 075);
b. Completing Basic Mathematics (MTH 075), with a "C-" grade or better;
c. Receiving transfer credit or CLEP exam credit for a college-level math course;

Students completing degree programs in A.A. Arts and Science options may count no more than six credits outside of Arts and Sciences subject areas toward their degree credits (except the Nutrition Transfer Option). For more information on Arts and Sciences courses, consult the College Catalog. Students seeking an additional associate degree must complete all of the requirements for the second degree program, and must earn at least 15 credits beyond the first degree, for a total of 75 credits minimum. Developmental (zero-level) courses are not counted toward degree or certificate credits.

Candidates for certificates must:

1. Complete the requirements of the certificate program in which enrolled.
2. Achieve a cumulative GPA of at least 2.0.
3. Satisfy all financial obligations to the college.

**Developmental Courses**

Developmental courses (courses numbered below 100) do not count toward graduation and are not counted towards a student’s attempted hours, earned hours, credit hours, or grade point average.

**Exams**

There are at least three one-hour exams (or their equivalent) scheduled in every three or four-credit course. There is a final exam period when examinations are scheduled for two-hour periods for each course taken. Some instructors may choose to excuse students from finals if they consistently earned superior grades throughout the semester. Instructors will inform students if that is their policy. Final exam schedules are posted outside the Welcome Center (FR 221), and on the HCC website after the mid-term marking periods.

**Fresh Start Option**

Once in a lifetime, after a three-year minimum absence from HCC, a student with a Grade Point Average of less than 2.0 may elect Fresh Start. All course work prior to Fresh Start is excluded from the GPA. Certain past courses will be accepted into the Fresh Start record in accordance with the college’s transfer credit policy. All previous course work remains on the transcript.

Fresh Start students attending in summer 2008 or later will have one continuous academic record (transcript).
of all courses taken before and after the election of Fresh Start. Earlier Fresh Start students will have two records, Undergraduate and Fresh Start. For more information about Fresh Start, contact Academic Affairs (FR 321, (413) 552-2770).

Incomplete Grades
If a student is temporarily unable to complete final course requirements due to extenuating circumstances (e.g., illness), an instructor may agree to issue a grade of “I” (Incomplete).

It is the student’s responsibility to contact the instructor to make arrangements for completion and submission of the work due.

A student may not take a course if he or she has an “I” grade in the prerequisite course — for example, a student with an “I” grade in ENG 101 may not take ENG 102. Students are urged to finish incomplete work as soon as possible, though the final deadline is the mid-term date of the following semester. If the work is not completed by that time, an administrative failure (“F”) grade will be recorded for the course. Degree candidates with “I” grades must complete all remaining work prior to the date of their anticipated graduation. Otherwise, the graduation date recorded will be the next future date. For more information on incomplete grades or how they affect graduation, contact the Student Records Office in the Welcome Center at FR 221, (413) 552-2319.

Placement Testing
Holyoke Community College assesses all newly admitted students before they schedule classes for their first semester of study. The purpose of these required tests is to assess achievement in the basic skills of reading, writing, and mathematics. Students who do not demonstrate college-level basic skills are required to take developmental courses that are designed to improve the skills needed to be successful in college.

The Admissions Office notifies students of the dates and locations of placement tests after they are admitted to the college. No credit toward graduation is awarded for development in the basic skills of reading, writing, and mathematics.

Students who do not demonstrate college-level basic skills must complete all remaining work prior to the date of their anticipated graduation. Otherwise, the graduation date recorded will be the next future date. For more information on incomplete grades or how they affect graduation, contact the Student Records Office in the Welcome Center at FR 221, (413) 552-2319.

If a student’s English or math placement test scores are more than two years old, and the student has not been enrolled in a related math or English course, a retest is required.

RETEST PROCEDURES
English Placement Test
- Students may retake the reading/writing placement tests only once per academic year.
- Students who have passed the reading portion of the English placement test, but not the writing portion, may write a sample essay that will be evaluated by the English Department. If the readers of the sample essay agree that the sample is of ENG 101 quality, the student will be placed in ENG 101.
- Students who receive lower that a C- in Developmental English may not retake the placement test that semester without the English instructor’s permission.

Math Placement Test
- Students who place just below a cutoff score or those who think they might place higher are encouraged to take the test a second time.
- New Students. Prior to enrolling at HCC and during the Add/Drop period of the student’s first semester, the student may take the math placement test no more than two times (for initial course placement).
- Continuing Students. Any student who is enrolled at HCC (regardless of whether he/she is currently taking a mathematics course) may take the math placement test up to two times during each semester.
- If the math placement test is taken after the end of the Add/Drop period, the results will not become effective for course placement until the following semester.

Registration for Classes
PRIORITY REGISTRATION
There are two advising periods for current students: one in March/April (for the fall semester) and in October/November (for the spring semester). Exact dates are listed in the Academic Calendar posted on the college’s website.

Students are encouraged to meet with their advisor and pre-register for courses when Priority Registration opens. HCC provides academic advising to all students. Students can look up their advisor’s name and contact information online at www.hcc.edu. Select the link labeled “MY HCC” then click on “My Online Services.” Or visit the Welcome Center (FR 221). Students not assigned an advisor can meet with an Academic Advisor in the Advising Center (FR 273).

REGISTRATION AND SCHEDULE CHANGES
USING MY ONLINE SERVICES
Students enrolled in the current term may schedule and add/drop courses online during the Self-Service registration period. Students need to obtain an alternate PIN from their advisor and enter that PIN online to access registration.

Students enrolled in only evening or online courses can access advising and receive an alternate PIN in the Advising Center.

NOTE: Students who have earned 24 or more HCC credits (excluding transfer) and who have a cumulative HCC GPA of 2.5 or higher may schedule, add, and drop courses online without an alternate PIN. For more information, go to MY HCC then My Online Services during the Priority Registration sign-up period.
ADD/DROP PERIOD
Add/Drop is the four-day period at the beginning of each semester when course changes may be made without a formal withdrawal. Courses dropped during Add/Drop do not appear on the student’s HCC transcript. After Add/Drop, students wishing to leave a course must officially withdraw, and the course and withdrawal (“W” grade) are recorded on the transcript.

Students who do not meet the Self-Service registration criteria (see previous section on online services) or have not received an alternate PIN from their advisor must receive written approval from a college advisor or counselor to make course schedule changes. A discussion with an instructor does not constitute an official course change. Section changes within the same course do not require approval. Both course and section changes are subject to availability of seats in the desired course.

Add/Drop for the 2013-2014 academic year will take place on the following dates: September 3-6, 2013 and January 27-30, 2014.

WITHDRAWAL
WITHDRAWAL FROM A COURSE:
Students are withdrawn from a course in the following ways:

- Add/Drop: A student may drop a course during the Add/Drop Period (first four days of the semester) without being recorded as enrolled in that course. Refunds for dropped courses are made in accordance with the college’s refund policy.

  Students registered in a full-semester class that begins after the Add/Drop period has ended may drop the class and add another if they meet the following conditions: they must obtain a signed authorization from the instructor of the class they wish to add, and they must submit this form to the Student Records Office for processing no later than the end of the second week of classes.

- Administrative Withdrawal from Course for Non-Attendance: Instructors will notify the registrar of any student on their class list who does not attend the course during the first two weeks. The registrar will issue a WX grade and consider the student to be withdrawn from the course. A student who is issued a WX grade is not eligible for any refund for that course. In addition, a student who is issued a WX is not eligible for financial aid for that course.

- Administrative Withdrawal from Course for Excessive Absences: Instructors may dismiss a student from a class due to excessive absences, issuing an AW grade. AW is not calculated into the GPA and may not be removed if the student later withdraws from the course.

- Course Withdrawal by Student: Students attending on-campus classes must bring to the Student Records Office a completed Course Withdrawal form. Students taking only online courses have the option of submitting the form to studentrecordsforms@hcc.edu. For on-campus courses that begin before 4 p.m., the form must include the instructor’s signature. An instructor must honor a student’s request to withdraw from a course (provided no previous “WX” or “AW” grade was issued.) For the Fall 2013 semester, a student may withdraw from a course through November 26. For the Spring 2014 semester, a student may withdraw until April 25. The withdraw grade assigned is “W” as the student’s final grade.

WITHDRAWAL FROM THE COLLEGE
College withdrawals must occur before the last day of classes. The date the Welcome Center receives the completed form becomes the official withdrawal date. A withdrawal grade for each course is determined in accordance with the policy for course withdrawals. AW and WX grades that were previously issued in a course remain on record, even when a student withdraws from the college.

FINANCIAL AID AND WITHDRAWALS
A student’s initial financial aid eligibility for each term is generally based on the enrollment status at the end of the add/drop period (usually the first four days of the term). If the student subsequently withdraws from the college before completing 60 percent of the term, the college must apply a federal and/or state formula to determine how much unearned aid must be repaid respectively by the student and the college. When calculating the unearned aid, the college must use the date the student begins the withdrawal process as the date of withdrawal from the college. Holyoke Community College defines the date that the student begins the withdrawal process as the date the student obtains withdrawal forms from the Student Records Office with the intention to completely withdraw from school. Contact the Financial Aid Office (FR 201) for more detailed information on this policy.

New! Computer Lab & Library Printing Policy
Part of our effort to reduce waste, protect the environment, and keep costs down, HCC’s Computer Lab and Library Printing Policy provides each student with a print allocation in the fall and spring semesters. To learn more, go to www.hcc.edu/policies and look for the Computer Lab & Library Policy.
Bulletin Board Policy

GENERAL

1. General college-related information may be posted on all bulletin boards (see below on campus and community postings) except for those boards designated for department or union purposes. Requests for bids and proposals are posted on a board on the third floor of Frost building and are coordinated by the Business Services Department. Union bulletin boards are located on the second and third floors of Frost, the second floor of Donahue, the first floor of Campus Center, and the second and third floors of Marieb building. Department bulletin boards are designated by the department name placed at the top of the board. No materials are to be posted on walls, doors, or windows.

2. Use only thumb tacks on bulletin boards. Do not use staples, glue or stickers or any other adhesive.

3. Materials will be removed periodically. The College reserves the right to remove postings that are misleading, offensive or fraudulent.

CAMPUS POSTINGS

All materials which members of the college community wish to post must be clearly identified by the name of the originating office or group. Postings should be removed after an event has occurred. Unidentified postings will be removed. The campus postings boards are located in the following locations:

<table>

JOB POSTINGS

Student job postings must be advertised through the Career Services Office, on the third level of the Kittredge Center. The office will identify the prospective employer to the potential student applicant. On-campus student work-study jobs are posted outside the Financial Aid Office, FR201.

College job opportunities are posted on the Human Resources board certain other bulletin boards on campus. These job postings may only be removed after the closing date noted on the posting. Further information on the positions may be obtained from the Human Resources Office.

Campus Closing Notification

If an instructor is late arriving for a class, he/she may be out ill and the class may be cancelled. For cancellations of individual classes, check the bulletin board outside Office Services in FR 225.

If the campus offices will be closed or there will be delayed opening, the announcement will be posted on the college website. The website provides the earliest posting and most detailed information. In addition, the following radio and television stations will carry announcements:

WACE, WHYN, WHMP, KIX 97.9, WGGB-TV and WWLP-TV, WRSI, WSHM TV-3.

Students may also call the HCC Hotline at (413) 552-2900, ext. 1418 for information about cancellation of classes due to bad weather. Please do not call the college switchboard for this information. Students who have not opted out of HCC’s Emergency Notification System will receive texts, email and/ or phone calls alerting them when campus is closed. Note that cancellation of day classes and evening classes sometimes differs.

DELAYED OPENING

Because classes and labs start at different times, the “delayed opening” notices that are run on the television will give a definite time (instead of saying “two hour delay”).

Classes or labs that start at the time of the delayed school opening or thereafter will be held as scheduled. Example: if HCC has delayed classes until 10 a.m. and you have a class
starting at 10 a.m. and another at 11 a.m., both classes will
meet as scheduled. Similarly, a class scheduled for 9-9:50
a.m. will not meet.

Classes or labs that have a starting time prior to the delayed
school opening will begin at the time of school opening if
there are 45 or more minutes remaining in the originally
scheduled class period. Example: If HCC delays opening
until 9 a.m., and you have a class from 8-9:15 a.m., you will
not have that class. Similarly, if you have a laboratory sched-
uled from 8 -10:45 a.m., you should plan on attending.

Note: The closure or delayed opening of the Holyoke Public
Schools does not translate to a closure or delayed opening of
HCC. The radio or television station must announce "Holyoke
Community College."

Children on Campus Policy
Although the college does not discourage the presence of
children if they are under visual and physical control of a
parent or guardian, safety issues have prompted the develop-
ment of a campus-wide policy for college protection.

1. No child shall be on campus unattended by a parent
or guardian. The college and its employees can assume
no responsibility for the care and supervision of visiting
children. Children may accompany a parent or
guardian on campus, but are not to attend classes or
other learning environments (for example, seminars,
laboratories, clinics, field trips, learning centers or
work stations).

2. Children of work-study students shall not be brought
to the job.

3. Children who are sick are not permitted on campus.

Confidentiality of Student Records
The Family Educational Rights and Privacy Act (FERPA)
affords Holyoke Community College students certain rights
with respect to their education records. They are:

1. The right to inspect and review the student's educa-
tion records within 45 days of the day the college
receives a request for access. Students should submit
to the registrar a written request that identifies the
record(s) they wish to inspect. The registrar will make
arrangements for access and notify the student of the
time and place where the records may be inspected. If
the college official to whom the request was submit-
ted does not maintain the records, the registrar shall
advise the student of the correct official to whom the
request should be addressed. Copies may be obtained
at $1 per page.

2. The right to request the amendment of student’s edu-
cation records that the student believes are inaccurate
or misleading or otherwise in violation of the student’s
privacy rights under FERPA. A student who wishes to
ask the college to amend should write the college offi-
cial responsible for the record, clearly identify the part
of the record the student wants changed, and specify
why it should be changed. If the college decides not to
amend the record as requested by the student, the col-
lege will notify the student of the decision and advise
the student of his or her right to a hearing regarding
the request for amendment. Additional information
regarding the hearing procedures will be provided to
the student when notified of the right to a hearing.

3. The right to provide written consent before the col-
dge discloses personally identifiable information from
the student’s education records, except to the extent
that FERPA authorizes disclosure without consent.
The college discloses education records without a stu-
dent’s prior written consent under the FERPA excep-
tion for disclosure to school officials with legitimate
educational interests. A school official is a person
employed by the college in an administrative, supervi-
sory, academic or research, or support staff position
(including law enforcement unit personnel and health
staff); a person or company with whom the college
has contracted as its agent to provide a service instead
of using college employees or officials (such as an
attorney, auditor, or collection agent); a person serv-
ing on the Board of Trustees; or a student serving on
an official committee, such as a disciplinary or griev-
ance committee, or assisting another school official
in performing his or her tasks. A school official has
a legitimate educational interest if the official needs
to review an education record in order to fulfill his or
her professional responsibility. Upon request, the col-
dge discloses education records without consent to
officials of another school in which a student seeks or
intends to enroll.

4. The right to be notified annually by the college of
what student record information the college design-
gates as “directory information,” and the right to
request that no student information be designated as
directory information.

DIRECTORY INFORMATION
The following is considered directory information by
Holyoke Community College and may be released to third
parties without student consent: student name, address,
telephone listing, major field of study, dates of attendance,
enrollment status, participation in officially recognized activ-
ities and sports; height, weight, high school, and hometown
of athletic team member; degrees and certificates awarded,
dates of graduation and official college distinctions such as
Dean’s List and honors.

Directory information may be released by the college to a
requesting third-party without a student’s prior written con-
sent. A student has the right to request that none or only
some of his/her student record information be designated as
directory information. A student must notify the registrar,
in writing, within two (2) weeks of the beginning of each
academic semester if he/she does not wish to have any or some of his/her student information designated as directory information.

**NON-DIRECTORY INFORMATION**
All other information is considered non-directory information and will not be released by the college to anyone, except in cases where FERPA requires or authorizes disclosure without consent. Contact the registrar for more detail about specific FERPA provisions.

**RELEASE OF INFORMATION TO PARENTS**
When a child was in elementary and high school, FERPA gave the parent rights to access his/her child’s educational records. Now that the child is in college, these same laws transfer ownership of the records directly to the son or daughter. According to FERPA, college students are considered responsible adults and are allowed to determine who will receive information about them. Parents are not automatically granted access to a student’s records without written consent of the student. Parents are encouraged to consult with the student if academic information is needed. The son or daughter may give permission for the parent to access his/her records by filing a release form in the Student Records Office.

**RELEASE OF INFORMATION TO THE U.S. MILITARY**
Notwithstanding the college’s definition of directory information, the department of defense (the "dod"), pursuant to the omnibus consolidated appropriations act of 1997 (the “solomon amendment”), identifies the following information as “student recruiting information”: name, address, telephone listing, age (or year of birth), place of birth, level of education (e.g., freshman, sophomore), degree awarded, most recent educational institution attended, and current major(s). If the college receives a request for student recruiting information from the DOD, or one of its affiliated agencies, the college will release the student recruiting information requested. Because the information sought by the DOD may include information not designated as directory information under the college’s policy, compliance with the DOD’s request may result in the release of personally identifiable information. When student recruiting information is released pursuant to a DOD request, notice of the request and the release of the information will be posted in a conspicuous location in the Student Records Office for a period equaling one academic year. If a student has exercised his/her right to request that no information be designated as directory information, then no information shall be released to any third party, including the DOD.

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

**CORI/SORI Policy**
**Criminal Offender Record Information (CORI) and Sexual Offender Registry Information (SORI)**

**INTENT**
Holyoke Community College recognizes the need to ensure a safe environment for those we serve. As one means of providing a safe and credible environment, the college has implemented a Criminal Offender Records Information and Sex Offender Registry Information Check Policy which is reviewed on an annual basis.

**POLICY STATEMENT**
People who provide service and/or support to any state program or facility and whose duties entail the potential for unsupervised contact with persons from a vulnerable population will undergo CORI and SORI checks. Massachusetts law, as well as regulations promulgated by the Commonwealth Executive Office of Health and Human Services (EOHHS), states that individuals convicted of certain crimes pose an unacceptable risk to vulnerable populations (i.e. under age, elderly, disabled or persons receiving care due to illness) and are therefore ineligible to provide services or support in such state programs or facilities.

**POLICY PURPOSE**
Standardized procedures for the review of criminal and sex offender records help ensure that candidates under consideration are appropriate for serving in their positions. The Criminal History Systems Board has authorized Holyoke Community College to receive criminal record information regarding those individuals who need CORI clearance to work and/or provide voluntary services in educational work-sites.

**SCOPE**
As required by law, the CORI and SORI checks apply to employees, volunteers, and/or trainee/students who provide service or support to any state program or facility in either a paid or unpaid capacity whose services entail the potential for unsupervised contact with vulnerable populations. Further, many private facilities also require employees, volunteers, and trainees/students to undergo CORI checks in order to be eligible for placements.

**PROCEDURE**
Students will be subject to a CORI/SORI check prior to being placed or accepted into certain programs in which a clinical, field or any other practical experience working with vulnerable populations is a required part of the program, including but not limited to, Nursing, Radiologic Technology, or Early Childhood Education. Furthermore, students in other programs who may have unsupervised contact with persons from vulnerable populations must complete
CORI/SORI applications and receive clearance prior to beginning their work or service with vulnerable populations. Additionally, candidates for employment, employees, and volunteers who may have unsupervised contact with persons from vulnerable populations must complete CORI/SORI applications and receive clearance prior to beginning their work at the college or their work with vulnerable populations.

The CORI application is sent to the Criminal History Systems Board (CHSB) and the Sex Offender Registry Board (SORB) which generally respond within one week. A college CORI and SORI reviewer examines the confidential CORI and SORI records and makes a determination as to the candidate's eligibility based on the standards established by the EOHHS. The candidate is notified of eligibility. A person who is the subject of CORI and SORI checks is entitled to review the information received by the college.

APPEALS PROCESS
If an individual believes that his or her CORI or SORI report contains an error, the individual should contact the CHSB or the SORB directly. If it is determined that there was an error that was subsequently corrected, the individual should inform the CORI/SORI reviewer who will repeat the CORI/SORI check. If the report is correct, the individual may appeal the decision by providing to the college within thirty (30) calendar days, a written statement from a Criminal Justice Official (CJO) stating that the candidate does not pose an unacceptable risk of harm and reasons for that belief.

This statement should also include a professional assessment of the individual in question and the risk posed to the general population and/or any specific groups or populations. In addition, the statement must include the CJO's current position and position at the time of supervising the candidate, dates during which the CJO supervised the candidate and all relevant information that may assist the college in considering the candidate's eligibility to interact with vulnerable populations in an unsupervised setting.

Upon receipt of this statement from a CJO, the CORI Review Committee or designated official will reconsider eligibility and will notify the candidate of the decision. If still determined to be ineligible, the candidate may submit a final written appeal to the chief CORI officer within ten working days of the issuance of the committee's decision.

Disability Policy and Procedures
Holyoke Community College does not discriminate on the basis of disability in admissions or access to, or treatment of, or employment in its programs, services, or activities. Holyoke Community College strives to provide an effective educational environment so that all students may develop to their fullest potentials. The Americans with Disabilities Act (PL 101-336) is a civil rights law which protects the rights of individuals with disabilities. Specifically, the Americans with Disabilities Act states:

A public entity may not deny the benefits of its programs, activities, and services because its facilities are inaccessible. A public entities’ services, programs, or activities, when viewed in their entirety, must be readily accessible to and usable by individuals with disabilities (Title 11, subtitle A).

In keeping with the federal regulations including the Americans with Disabilities Act Amendments Act (ADA AA) and Section 504 of the Rehabilitation Act of 1973, Holyoke Community College is committed to providing reasonable accommodations to qualified disabled students enrolled in its academic programs.

Individuals protected under the law include those having physical disabilities, sensory disabilities, learning disabilities, medical/mental health conditions and also those recovering from alcohol or drug abuse, etc.

Students with disabilities are enrolled in regular college classes in the programs of their choice. The college supports their right to access the same academic and student life opportunities as other students.

It is the student’s responsibility to make his or her needs known to the college and to provide appropriate documentation of disability if services are requested. Timely self-identification will ensure that the student’s needs are addressed by the beginning of each semester. If accommodations are desired, the student should contact the Office for Students with Disabilities and Deaf Services (OSDDS) immediately upon receiving a letter of acceptance to the college. If a student needs alternative arrangements for the college placement test, he or she must contact the OSDDS to arrange an intake and provide appropriate documentation of disability prior to the testing.

Potential students or their advocates who are uncertain whether the college can provide for their specific needs are invited to contact the director of Admissions prior to applying to the college. All communications are kept strictly confidential and are shared only with the student’s permission.

Discrimination complaints under the ADA should be directed to:

The Vice President of Student Affairs
(413) 552-2390 (FR 224)

Students who need auxiliary aids for effective communications and/or other educational accommodations in programs and services of Holyoke Community College are invited to make their needs and preferences known to:

Office for Students with Disabilities and Deaf Services (OSDDS)
(413) 552-2417 (v/tty) or 536-0602 (TTY) (DON 149)
Dress Code
The official policy of the college is to leave the mode of dress to the good taste and judgment of the student. No bare feet are allowed in any college building.

Emergencies
911
If an emergency situation occurs on campus, including medical emergencies, students should call 911. In addition, emergency telephones are located in parking lots D, K, M, O and Q and are continuously monitored by college staff. Persons in need of assistance may utilize the phones at any time. For more information, contact the Campus Police.

Students are encouraged to familiarize themselves with the “Emergency Guide” posted near the telephone in each classroom throughout campus.

Fire Drills
When the fire alarm sounds, immediately leave the building and walk a safe distance from the buildings (parking areas). During evacuation, each faculty/staff member is charged with the prompt and safe exit of students, visitors, and themselves. The fire alarm will stop only when all buildings are vacated. Once the all clear signal is given, students may re-enter the building.

Health Insurance
Massachusetts General Law Chapter 15A, Section 18 requires that all students attempting nine (9) or more semester hours have health insurance. This charge, currently $1,603 (approximately), accompanies the student’s tuition bill if he or she is carrying nine or more semester hours. The health insurance fee may be waived if the student’s own (or parental/spousal) insurance provides him or her with comparable coverage.

To obtain information about waiving or purchasing the insurance, please contact Student Account Services in Frost 201. HCC cannot accept a waiver of insurance if the student is covered by a non-USA insurance company. The health insurance fee is non-refundable unless the student withdraws from the college before 4:30 p.m. on the last day of add/drop.

For claims and coverage information, please contact the Gallagher Koster Insurance Customer Service team at 1-877-306-9317 or at www.gallagherkoster.com. For general assistance, students may visit HCC Health Services in Frost 105 or contact Mitchell Pysznik, Coordinator of Health Services, at 413-552-2180 or mpysznik@hcc.edu.

ID Cards
HCC students are expected to carry their validated HCC student ID cards when on campus. Cards are issued to new and readmitted credit course students when they register for classes in FR 271. There is a $7 fee for replacement ID’s. Payment is made in the Student Account Services Office (FR 201).

ID cards must be validated each semester upon payment of tuition or presentation of a financial aid extension in the Student Account Services Office. Students who pay by mail may also obtain their validation sticker in the Student Account Services Office. ID cards are validated during normal business hours at no charge. Students use validated ID cards to borrow books from the HCC library and for faculty reserves, to access college computer labs, to attend college-sponsored events, and to use PVTA busses and for all college transactions.

Immunization Requirements
Massachusetts law (Chapter 76, Section 15C) requires that all students carrying 12 or more credits must submit proof, within 30 days of registering for courses, of immunization against the following: measles, mumps, and rubella (need two MMR shots), pertussis-containing tetanus shot called Tdap (administered after 2005), hepatitis B (need 3 shots), and varicella (chickenpox, need 2 shots or documentation by an MD of date of history of disease). Official documentation of positive antibody titers for measles, mumps, rubella, hepatitis B, and varicella is acceptable. Immunization records can be obtained from the student’s high school, physician’s office, military records, or other colleges attended, and must be submitted to HCC Health Services (Frost 105) for review. Students may request the transfer of immunization records from HCC to another college by requesting it in writing from HCC Health Services. The fee for this request is $1; please allow five business days to process. Students with incomplete or outdated immunizations are required to receive updated vaccinations and are invited to receive them, contingent upon availability, at HCC Health Services for a nominal fee; please call (413) 552-2401 for an appointment and more information. Students in the following majors must supply complete immunization records...
upon application to the program, regardless of the number of semester hours carried: Elementary Education (prior to classroom labs); Nursing (ADN and PN programs); Radiologic Technology; Medical Assistant; Certified Nursing Assistant; Pharmacy Technician; and Veterinary and Animal Sciences. Note: Career students in the Veterinary and Animal Science Program must have proof of vaccination against rabies, in addition to all of the immunization record requirements listed above, upon acceptance to the program.

**Weather Hotline**
*(413) 552-2900, ext. 1418*

The HCC Hotline at (413) 552-2900, ext. 1418 reports college closings due to inclement weather. Please do not call the college switchboard for this information.

Academic Integrity Policy

Holyoke Community College is committed to academic integrity—the honest, authentic and independent pursuit of knowledge. As members of the academic community, students are expected to be responsible for all of their own academic work without dishonesty or deception; joint work is legitimate only when assigned or approved by the instructor. HCC faculty members will take reasonable precautions to eliminate opportunities for academic dishonesty.

Violations of academic integrity include, but are not limited to, the following general categories:

**USING OR OBTAINING UNAUTHORIZED ASSISTANCE IN ANY ACADEMIC WORK:**
- Copying from another student’s examination.
- Communicating with another student or using electronic communications devices during an examination.
- Using notes, books or aids of any kind during an examination when prohibited by the instructor. (Students with disabilities should discuss educational accommodations with the Office for Students with Disabilities and Deaf Services.)
- Obtaining prior knowledge of examination questions or obtaining or possessing a stolen copy of an examination.
- Using another student to take an examination for oneself.
- Submitting another student’s class assignment as one’s own.

**PROVIDING FRAUDULENT ASSISTANCE TO ANOTHER STUDENT:**
- Completing an academic assignment, paper or project or taking an examination for another student.
- Giving answers to or sharing answers with another student during an examination.
- Sharing answers during an examination by using a system of signals.

**SUBMITTING THE WORK OF OTHERS AS ONE’S OWN (PLAGIARISM) OR REPRESENTING PREVIOUSLY COMPLETED WORK AS CURRENT:**
- Submitting a paper, lab report or other academic work for credit, which includes words, sentences, ideas, data or creative work of others without enclosing them in quotation marks, without paraphrasing them or without acknowledging the source.
- Submitting work copied in any medium from another individual or from the Internet.
- Submitting the same paper or academic assignment to other classes without the permission of the instructors.

**FURNISHING FALSE INFORMATION TO ANY OFFICIAL OR FACULTY MEMBER OR FABRICATING DATA IN SUPPORT OF AN ACADEMIC ASSIGNMENT:**
- Forging a signature or falsifying or altering an academic or college record or document in any way.
- Falsifying bibliographic entries.
- Submitting academic materials, reports or projects containing falsified or fabricated facts, data or results.

**AVOIDING ACADEMIC DISHONESTY**

Academic dishonesty is a serious offense. Careful attention to academic responsibilities is the best way to avoid allegations of academic dishonesty. Students are reminded that material obtained from the Internet is subject to the same principles of submission as materials obtained from any other media. HCC faculty members will provide students with specific expectations about academic integrity in the course syllabi. Students are referred to their course instructor for clarification of these expectations and can also seek assistance from the college library or CAPS Writing Center.

**CONSEQUENCES OF ACADEMIC DISHONESTY**

A Holyoke Community College faculty member who concludes that a student is in violation of the academic integrity statements set forth in the course syllabus will determine the appropriate response which may include a lower or failing grade for the examination, paper, project, or for the course. If a student wishes to appeal the outcome of an instructor’s finding of academic dishonesty, he or she is directed to the Grievance Procedure.

If a faculty member believes that the seriousness of an incident warrants additional action beyond a grading consequence, he or she may also file a charge of academic dishonesty under HCC’s student code of conduct that can result in sanctions ranging from a warning through suspension or dismissal from the college. Such a charge will be filed with the dean of Student Services.

Students enrolled in online courses should also review the online Academic Integrity Policy at webtide.hccdl.org.

**Acceptable Use Of Information Systems**

This section explains the college’s policies governing computer use, email, and the Internet.

1. **GENERAL PRINCIPLES**

Access to computer systems and networks owned or operated by Holyoke Community College imposes certain responsibilities and obligations and is granted
subject to college policies, local, state and federal laws. Acceptable use is always ethical, reflects academic honesty, and shows restraint in the consumption of shared resources. It demonstrates respect for intellectual property, ownership of data, system security mechanisms, and the individuals’ rights to privacy.

Holyoke Community College owns all computer accounts and grants to the user the privilege of using such accounts. Students may access computer resources, including the Internet and the World Wide Web, at no charge, from campus-based machines. Wifi is also available across the campus.

2. GUIDELINES
In making acceptable use of resources remember:

- Never place hardware or software from an outside vendor or private party on the network. All computers accessing the campus network from on campus must be purchased, maintained, screened, secured and set up for operation by ITD.
- Individual end users are personally responsible for their data backups and storage. ITD plays no role in the management of end-user data, but will provide training during orientation and other course offerings.
- Use resources only for college business and for purposes authorized by the college.
- End users are responsible for all activities on your user ID or that originate from your system that result from your negligent failure to protect your user ID or to protect against such unauthorized use.
- Access only files and data that are your own, that are publicly available, or to which you have been given authorized access.
- Use only legal versions of copyrighted software in compliance with vendor license requirements.
- Be considerate in your use of shared resources. Refrain from monopolizing systems, overloading networks with excessive data, or wasting computer time, connect time, disk space, printer paper, manuals, or other resources.

In making acceptable use of resources you must not:

- Visit obscene sites. College resources may not be used to access them.
- Use another person’s system, login, password, files, or data.
- Use computer programs to decode passwords or access control information.
- Download or display obscene material.
- Circumvent, subvert—or attempt to circumvent or subvert—system or network security measures.
- Engage in any activity that might be harmful to systems or to any information stored thereon, such as creating or propagating viruses, disrupting services, or destroying files.
- Use college systems for commercial, personal or partisan political purposes, such as using electronic mail to circulate advertising for products, for political candidates, or for any profit-making company, an enterprise, or yourself.
- Make or use illegal copies of copyrighted software, store such copies on college systems, or transmit them over college networks.
- Download any on-line software without authorization of the director of Information Technology Operations or the chief information officer.
- Use the network for purposes that place a heavy load on scarce resources (e.g., dial-in phone lines).
- Waste computing resources, for example, by intentionally placing a program in an endless loop or by printing excessive amounts of paper.
- Use the college’s systems or networks for personal gain; for example, by selling access to your login or to college systems or networks, or by performing work for profit with college resources in a manner not authorized by the college.
- Use the college’s systems or networks to transmit any material in violation of United States or Massachusetts laws or regulations.
- Engage in any other activity that does not comply with the general principles presented above.
- Use Holyoke Community College’s computers or networks to libel, slander, or harass any other person. The following shall constitute computer harassment:

  (1) Intentionally using the computer to annoy, harass, terrify, intimidate, threaten, offend or bother another person by conveying obscene language, pictures, or other materials or threats of bodily harm to the recipient or the recipient’s immediate family.

  (2) Intentionally using the computer to contact another person repeatedly with the intent to annoy, harass, or bother, whether or not any actual message is communicated, and/or where no purpose of legitimate communication exists, and where the recipient has expressed a desire for the communication to cease.

  (3) Intentionally using the computer to contact another person repeatedly regarding a matter for which one does not have a legal right to communicate, once the recipient has provided reasonable notice that he or she desires such communication to cease (such as debt collection).
(4) Intentionally using the computer to disrupt or damage the academic research, administrative, or related pursuits of another.

(5) Intentionally using the computer to invade the privacy, academic or otherwise, of another or the threatened invasion of privacy of another.

3. ENFORCEMENT

College officials will review alleged violations of Acceptable Use policies on a case-by-case basis. Violations of policy will result in appropriate action, such as: loss of electronic mail privilege, loss of computer privilege, consideration of appropriate disciplinary measures and/or referral to appropriate authorities responsible for enforcing state and federal laws concerning computer use.

Users who breach this code of practice may, after due process, be refused access to the college's computer and communications networks and may be subject to further disciplinary action. In an emergency, in order to prevent further possible unauthorized activity, the college may temporarily disconnect that user from the network. If this is deemed necessary by college staff, every effort will be made to inform the user prior to being disconnected, and every effort will be made to re-establish the connection as soon as the college determines it is appropriate.

The college considers any violation of acceptable use principles or guidelines to be a serious offense and reserves the right to copy and examine any files or information residing on college systems allegedly related to unacceptable use. Violators are subject to disciplinary action as prescribed in student and employee policies, handbooks, or contracts.

If you have reason to believe that this policy is being violated, you should report it as follows:

- Student violations: report to the vice president for Student Affairs.
- Faculty violations: report to the vice president for Academic Affairs.
- Staff violations: report to the vice president for Administration & Finance.

4. USE PRIORITY

While supporting the general principle of open and universal student access, eligibility for systems access will be determined by the following priorities if insufficient resources are available:

1. The highest priority is awarded to students where network access is a mandatory requirement of a course in which they are currently enrolled.

2. At the next level, access will be granted where there is a demonstrated, but non-mandatory requirement for network access as described in a course guide.

3. The lowest or non-essential level of access will be based upon the general principle of universal access and support for academic pursuit while not directly stipulated within a prescribed course of study.

5. PRIVACY

Computers owned by the college are provided for business and educational use only. Note that the college retains ownership of all communications as business records and these records may be subject to discovery in litigation. Any information on a college computer may be subject to the state's public records law and may, therefore, be subject to disclosure on request. By using computers on campus, employees and students are waiving their right to privacy and are consenting to college review and monitoring of communication and of their computer use.

The college does not routinely monitor computer files or content unless it has received notice of possible misuse, security incident, or violation of policy. But in the course of routine maintenance, the content of your computer files may become visible and an apparent violation may be reviewed. The authorization to review files and computer logs rest with the president, who may delegate this responsibility to the Chief Information Officer or chief financial officer.

Private communications across the college's data networks will have the same protection as private communications via telephone. Unauthorized interception, reading, copying or modifying of private electronic data by a student or an employee will be in breach of this policy and subject to disciplinary or legal proceedings. The college will not guarantee this privacy as a result of routine maintenance, technical fault or criminal activity. See also comments under the Electronic Mail Policy. Note that any electronic mail message may be forwarded by the recipient or printed and distributed. The privacy of email, therefore, cannot be guaranteed.
Further:

- Except in the course of investigation of an alleged violation of policy or a security incident, no college employee will be permitted to intercept, read, copy or modify private electronic data (either in transit across a network or stored within a computer system) without the written consent of the President or the consent of the addressee or sender.

While the college will endeavor to maintain the privacy of personal communications, it will monitor traffic load, and where necessary, take action to protect the integrity and operation of its networks. Further the college will:

- Collect utilization statistics based upon network address, network protocol, and application use.
- Progressively restrict non-essential users where network utilization results in performance degradation. Such restriction will be publicized to users through appropriate means.

6. SECURITY

The college does not permit the transfer of logins and passwords between authorized and non-authorized persons. Such action is deemed unacceptable and will be the subject of disciplinary action. Further:

Persons requiring systems access may not borrow another person’s login. That person must request his/her own login from the appropriate staff member i.e. product manager, CIO or vice president.

If it is necessary to allow an authorized third person to access a user’s files or data, as in the case of illness or changing of positions, this information will be transferred by the system administrator rather than via the transfer of the login and password. Network and email accounts are administered by ITD.

Student user accounts and all data found in student user accounts will be removed at the end of each academic year.

7. ELECTRONIC MAIL POLICY

General

Electronic mail (email) is an official method of communication at the college, delivering information in a convenient, timely, cost-effective, and environmentally sensitive manner. Printing and manual distribution of emails is highly discouraged and cost prohibitive. It is the policy of this institution that:

- All students, faculty and applicable personnel have access to email.
- The college may send official communications via email and electronic mailing lists.

- No permission to forward email to a private account is authorized.

Student Email

All students registered for classes at the college are provided an email account. The college may use this email account or the messaging system to send communications to the student body. Student email addresses will be recorded in the college’s electronic directories and records. Students are responsible for reading official college email and messages in a timely fashion.

Privacy Issues

While email is personalized and relatively confidential, there is no guarantee of absolute privacy in a computer system. Computer users should be aware that state law applies to records stored in computers as well as on paper. Recent rulings indicate that the public has a right to review any documents created on email by government officials and that companies who own the media on which email is implemented have the right to read that email. Federal and state law may require the college to examine email under some circumstances including provision of messages to outside agencies. However, employees of Information Technology Division (ITD) at the college are prohibited from accessing information for which they have no job-related “need to know.” They are also expected to maintain the strictest confidentiality regarding any information obtained during the course of fulfilling their job function.

Appropriate Use of Email

Use of electronic mail is to be consistent with the Acceptable Use Policy of Holyoke Community College. Use of HCC computers for electronic mail that is not consistent with HCC’s Acceptable Use Policy may result in termination of electronic mail privileges. Electronic mail should be used as a source of information and efficient communication by students, faculty and staff.

Email Guidelines

Sending email messages:

- Create single subject messages whenever possible.
- Exercise caution: The confidentiality of your message cannot be guaranteed. Messages can be misdirected and/or be forwarded by recipients to other electronic mail addresses.
- Because messages can be saved on storage media or be forwarded to recipients at other electronic mail addresses, assume that any message you send is permanent.
- Separate opinion from non-opinion and clearly label each.
- If emotion is included in a message, clearly label it.
• Identify yourself clearly.
• Be selective in sending messages to listserves, interest groups, bulletin boards, etc.
• Do not insult or criticize third parties without giving them a chance to respond.

Receiving email messages:
• If you receive a message intended for another person, notify the sender.
• Avoid responding while emotional.
• If a message generates emotion, look again.

8. PASSWORD POLICY

General Policy Provisions:

Passwords are an essential aspect of computer security, providing important front-line protection for electronic resources by preventing unauthorized access. Passwords help the college limit unauthorized or inappropriate access to various resources at HCC, including user-level accounts, web accounts, email accounts, screen saver protection, and local router logins.

A poorly chosen password may result in the compromise of HCC systems, data or network. Therefore, all HCC students, faculty and staff are responsible for taking the appropriate steps to select appropriate passwords and protect them. Contractors and vendors with access to HCC systems also are expected to observe these requirements.

Creation of Passwords:

Passwords created by users of college systems, should conform to the following guidelines:
• Must be different than the user’s login name or the reverse of the name and must avoid use of knowable personal information (names of family, etc.).
• Consist of more than four characters and contain a combination of upper and low case letters
• Contain a least one number

These provisions will be enforced electronically whenever possible.

Changing Passwords:

Passwords should be changed once a semester. The new password must differ from the old password by at least three characters. Passwords are not allowed to be repeated within one year.

Protecting a Password:
• Passwords should be treated as confidential information.
• Passwords should never be written down or posted for reference.
• Passwords should not be included in email messages or other forms of electronic communication.

Sharing a Password:

• Sharing or allowing another person to use an individual account password is a violation of this policy, unless the person is an information technology professional assisting you with a technical problem. Departmental account passwords should be shared only with appropriate departmental personnel.
• It is recommended that passwords be changed after allowing use as permitted in this section.
• Approval of ITD is required prior to sharing a password with a vendor (approval may be granted on a one-time or continuing basis), and this vendor access may require implementing the appropriate technology infrastructure to accommodate the access (depending on the circumstance, and as determined by ITD).

Reporting a Password Compromise:

• Suspected compromises of passwords must be reported immediately to the Helpdesk at (413) 552-2075
• The password in question should be changed immediately.

Responsibilities of Information Technology Division

• The ITD may require a more restrictive policy, such as stronger passwords, in some circumstances.
• The ITD or its delegates may perform password assessments on a periodic or random basis. If a password is guessed or cracked during one of these assessments, the ITD will promptly notify the listed contact and require that the password be changed.

Consequences:

Any individual who violates this policy may lose computer or network access privileges and may be subject to disciplinary action in accordance with acceptable use policy of the college, which may result in a range of sanctions up to and including suspension or dismissal for repeated or serious infractions.

Affirmative Action Policy

It is the policy of Holyoke Community College not to discriminate on the basis of age, sex, creed, color, race, national origin, sexual orientation, gender identity, religion, or disability in its educational programs, activities, or employment policies as required by Title IX of the 1972 Education Amendments and other federal and state anti-discrimination laws. Inquiries regarding compliance with Title IX may be directed to:
The following specific policies are established:

1. Affirmative Action and equal opportunity shall apply to all segments of the college; full- and part-time employment; day, evening and online; the curriculum and offerings of the college.

2. Equal opportunity and Affirmative Action shall be applied to the recruitment process for employment and/or access to education.

3. Students will have access to the college, programs of study, activities, and other resources intended to serve them, according to the policies of the individual colleges.

4. Affirmative Action and equal employment opportunity will be realized in all personnel employment, including recruitment, application for employment, hiring, compensation, training, promotion, and termination.

5. All policies, procedures, privileges, and conditions of the college will follow and incorporate applicable Affirmative Action and equal opportunity rules and regulations.

Community colleges truly committed to equal employment opportunity and Affirmative Action can go beyond developing policies and practices that prohibit employment discrimination on the basis of race, color, age, gender, sexual orientation, religion, national origin, or disability. They can take meaningful steps to recruit, hire, transfer, promote, and train women and minorities to enhance their representation.

Affirmative Action requires the college to do more than ensure employment and education neutrality. As the phrase implies, Affirmative Action requires the college to make positive efforts to educate, recruit, employ, and promote qualified members of the protected group who may have been excluded, even if that exclusion cannot be traced to particular discriminatory actions on the part of the college.

The premise of the Affirmative Action concept is that unless positive action is undertaken to overcome the effects of systemic institutional forms of exclusion and discrimination, a benign neutrality in employment and education practices will tend to perpetuate the status quo ante indefinitely.

The above stated policies are intended to be broad on behalf of the protected group and the goal of promoting diversity in community colleges. The community colleges pledge to apply all policies consistently, fairly, and vigorously. Attempts to subvert or abuse these policies will not be tolerated. Appropriate action will be taken in the case of infraction. All policies are made in compliance with applicable laws and executive orders promulgated by the federal and state governments and other appropriate agencies and authorities.

OVERALL POLICY STATEMENT

The community colleges affirm the commitment to Affirmative Action and equal opportunity. The efforts are on behalf of women, minorities, the disabled, and persons at least 40 years of age, known as the “protected group.” Affirmative Action will include those with veteran status when such status is considered part of the “protected group.”

Community colleges truly committed to equal employment opportunity and Affirmative Action can go beyond developing policies and practices that prohibit employment discrimination on the basis of race, color, age, gender, sexual orientation, religion, national origin, or disability. Holyoke Community College reserves all rights to social media accounts, sites and applications bearing the college name and/or marks. This includes photo, audio and video sharing sites; blogging and micro-blogging platforms; wikis and social networking applications/sites including but not limited to: Facebook, Google+, Twitter, YouTube, Vimeo, Flickr, Picasa, LinkedIn, FourSquare, Pinterest, Wordpress and Tumblr.

College accounts, sites, pages and applications may only be created by authorized representatives of the college. No student may establish an account on behalf of the college. With special permission of the college's director of marketing and communications, a student may be authorized to admin a page or post on behalf of the college for a specified term. Students who post comments, upload photos or video or in any manner participate on college social media sites agree to conduct themselves in a civil manner and observe the college code of conduct. Specifically:

HCC asks that participants show respect for others by refraining from profane speech. While social media administrators monitor college sites/pages to ensure compliance with this code of conduct, Holyoke Community College is not responsible for comments/postings made by visitors, nor do they reflect the opinions or policies of the college. We reserve the right, but assume no obligation, to remove comments that are racist, sexist, abusive, profane, violent, obscene, spam, that advocate illegal activity, contain falsehoods or are wildly off-topic, or that libel, incite, threaten or make personal attacks on HCC students, employees, guests or other individuals. The college does not permit messages selling products or promoting commercial, political or other ventures.

Holyoke Community College also reserves the right to block and ban users as appropriate.

Comments are also subject to the site/application's Terms of Use and Code of Conduct. Facebook, Twitter and other sites/applications encourage users to report to the outlet when they find abusive content.

Gender Identity/Expression Policy

Every student and employee of the college shall be responsible individually and collectively for promoting and main-
taining a safe environment which is conducive to learning and which embraces the accords of civility and of human dignity. The college regards discrimination on the basis of gender identity/expression to be inconsistent with the establishment of an atmosphere that supports the full engagement of HCC students, faculty, and staff. Gender identity is an individual’s personal sense of being male, female, or elsewhere on the spectrum of gender (including those who identify as transgender, or are non-traditional in their gender identity). Gender expression includes external characteristics and behaviors of gender identity such as dress, mannerisms, speech patterns, and social interactions. HCC will take reasonable measures to prevent and discourage all acts of intolerance and harassment on the basis of gender identity/ expression and will act positively to investigate alleged harassment or discrimination and to affect a remedy or resolution when an allegation is determined to be valid.

Grievance Procedure for Students

POLICY GOAL: CONFLICT RESOLUTION

Before invoking the Student Grievance Procedure, a reasonable effort shall be made by those involved in a dispute to resolve it amicably. A dispute is most effectively handled and resolved by those closest to the problem, having the best understanding of the issues, and having the ability to formulate a mutually acceptable resolution. Therefore, it is in the best interest of the student, the potential subject of a Grievance, and the College to resolve disputes through open and cooperative dialogue. Only when such efforts are unsuccessful should the Student Grievance Procedure be invoked. Throughout all phases of the Student Grievance Procedure, all reasonable efforts shall be made to maintain confidentiality in accordance with applicable law.

DEFINITIONS

1. COMPLAINT: the informal, unwritten stage of an allegation of mistreatment.
2. DAY: as used in this policy, shall mean a calendar day.
3. GRIEVANCE: a written grievance filed by a student with the person designated by the President as the Student Grievance Officer specifically alleging an abridgment of his or her rights as a student.
4. GRIEVANT: the student filing the Grievance. The Grievant must have been a registered student of the College at the time of the alleged mistreatment.
5. INSTRUCTIONAL PERIOD: the academic semester, summer session or intersession when a grievable act or omission occurs. The Instructional Period shall end on the last day of final exams.
6. RESPONDING PARTY: the person against whom a complaint or Grievance is directed.
7. SENIOR OFFICER: senior level employee who reports to the President for the Responding Party’s work area.
8. STUDENT GRIEVANCE OFFICER: a College employee assigned responsibility for administering the Student Grievance Procedure, including the maintenance of specified records. The Student Grievance Officer shall ordinarily be the Senior Student Affairs Officer. If this individual is the person against whom the Grievance is filed, the President shall designate another College official to act as the Student Grievance Officer.
9. substantial evidence of error or injustice: for purpose of Grade Appeals, substantial evidence of error or injustice is defined as:
   a. The assignment of a course grade to a student on some basis other than performance in the course; or
   b. The assignment of a course grade to a student by resorting to unreasonable standards different from those which were applied by the same instructor to other students in that course; or
   c. The assignment of a course grade by a substantial, unreasonable and unannounced departure from the instructor’s previously articulated standards.
10. TIME: the number of days indicated at each level shall be considered as a maximum. All reasonable efforts shall be made to expedite the process, but the President or his/her designee may extend the time limits in extenuating circumstances with notice to both parties in writing, or by mutual written agreement between the Grievant and the Responding Party.

UTILIZING THE STUDENT GRIEVANCE PROCEDURE

The Student Grievance Procedure may be used by a student to address alleged abridgment of the student’s rights, as stated in the College’s Student Handbook and/or Policy Guide. The student Grievant or the Responding Party may consult with the Student Grievance Officer at any time. The College’s Student Grievance Officer is the dean of Student Services (FR 224), (413) 552-2390.

The Student Grievance Procedure may not be used to address allegations of discrimination, including sexual harassment. When a student believes that he/she has been discriminated against due to his/her race, creed, religion, color, sex, sexual orientation, gender identity, age, disability, veteran status, genetic information or national origin, the College’s Affirmative Action Grievance Procedure is a mechanism for resolution. The College’s Affirmative Action Grievance Procedure is contained in the College’s Affirmative Action Plan. The College’s Affirmative Action Officer is Idelia Smith (FR 317), (413) 522-2228.

If a Grievance involves a grade dispute, a student shall process the Grievance in accordance with the Student Grievance Procedure. However, if a grade dispute raises issues of discrimination or sexual harassment, the
Grievance should be processed in accordance with the College's Affirmative Action Grievance Procedure and the Affirmative Action Officer shall conduct the process in collaboration with the Senior Academic Officer or designee.

Claims of physical or sexual assault shall not proceed under the Student Grievance Procedure. A claim of physical assault alleged against a student shall be reported to the Code of Conduct Officer. A claim of physical assault alleged against an employee shall be reported to the Human Resources Office. In both cases, law enforcement authorities shall also be notified. A claim of sexual assault shall be reported to the College's Affirmative Action Officer and/or Title IX Coordinator and law enforcement authorities and shall proceed under the College's Affirmative Action Plan. In matters involving physical or sexual assault, alleged victims are strongly encouraged to independently report the incident to the law enforcement authorities. The College's Campus Police/Security Department can assist with the reporting process.

At any Level of the Student Grievance Procedure, either party may request mediation by contacting the Student Grievance Officer. Mediation shall be mutually agreed upon, and not unreasonably refused by either party. The Student Grievance Officer shall select an impartial mediator who shall be mutually agreed upon and not unreasonably refused by either party, make the arrangements, determine the timetable for the mediation process, and inform the parties of the timetable in writing. Where practicable, a mediation session shall be conducted no later than thirty (30) days after requested and agreed to by the parties. The purpose of mediation is to resolve the dispute to the satisfaction of both parties. If a resolution cannot be achieved, the grievant may proceed with the grievance process.

A claim of physical or sexual assault shall not proceed under the student grievance procedure. A student claiming physical or sexual assault by an employee of the college shall report the incident to the college's security department and/or the director of human resources. A student claiming physical or sexual assault by another student or an employee claiming physical or sexual assault by a student shall report the incident to the college's police department and/or the dean of Student Services. Further, in matters involving physical assault, students and employees are strongly encouraged to report the incident to the local authorities.

Except for under extenuating circumstances, as determined by the president or his/her designee, failure by either party to comply with the student grievance procedure during the course of a grievance shall result in the waiving of the non-compliant party's rights under the procedure.

LEVEL I: INFORMAL PROCEDURE
This is the informal stage where most complaints are resolved. The Grievant and the Responding Party should consult with the Student Grievance Officer at this time.

A Grievant initiates the informal phase of the Grievance process. The Grievant shall first present his/her complaint orally and informally to the Responding Party. This shall be done in a reasonable period of time, not exceeding thirty (30) calendar days following the instructional period when a grievable act or omission occurs.

The Responding Party must respond to the Grievant's complaint within ten (10) days. Though this phase of the process is informal, the parties may present their positions in writing. If the matter is not resolved informally within ten (10) calendar days from the date a response to the complaint was due, the Grievant may proceed to Level Two.

LEVEL II: FORMAL PROCEDURE
Prior to filing a written grievance at level two, a grievant must consult with the Student Grievance Officer. The Responding Party should also consult with the Student Grievance Officer at this phase of the process.

L2 - STEP ONE
The Student Grievance Officer shall notify the parties in writing when a complaint is not resolved informally at Level One.

The Grievant may, within ten (10) calendar days after receipt of the Student Grievance Officer's written notice, file with the Student Grievance Officer a Grievance. The Grievance shall contain the following information: the name and title of the person(s) against whom the Grievance is directed, a statement of all known facts, documents and materials supporting the grievance, a list of individuals who have information pertinent to the grievance, and the relief sought by the Grievant. All supporting documents, if any, shall be attached to the grievance as part of the Grievance. The Grievance shall also state the date it is filed and that it is being filed at "Level Two, Step One."

The Grievance may be filed with the Student Grievance Officer by email, regular mail, certified mail, or in hand. Thereafter, the Student Grievance Officer shall deliver the Grievance, and all supporting documents, if any, to the Responding Party within five (5) calendar days. If the Responding Party is unavailable at the time the Grievance is filed, the Student Grievance Officer shall use reasonable means to deliver the Grievance within a reasonable period of time.

The Responding Party shall forward a written Level Two - Step One response to the Student Grievance Officer within ten (10) calendar days of his/her receipt of the Grievance. The Student Grievance Officer shall deliver the written response to the Grievant within five (5) calendar days of receipt.

L2 - STEP TWO (Supervisor Level)

If the Grievance is not resolved to the satisfaction of the Grievant within ten (10) calendar days after his/her receipt of the Step One response, or if no written response is submitted, the Grievant may within ten (10) calendar days after the written response was received or due, request the Student Grievance Officer to forward the Grievance and response, if any, to the supervisor of the Responding Party, with a copy to the Senior Officer of the work area of the Responding Party.

The supervisor shall investigate the Grievance and confer with the Senior Officer. The supervisor shall forward his/her written decision to the Student Grievance Officer, within ten (10) calendar days after receipt of the Step Two Grievance. Thereafter, the Student Grievance Officer shall deliver the decision to the Grievant and the Responding Party within five (5) calendar days.

At any time before the issuance of the Supervisor's Step Two decision, the Senior Officer may request that the parties meet to discuss the issue and attempt to resolve it.

Grade appeals do not go beyond this Step (Level Two - Step Two) per the section on Grade Appeals.

No new issues or allegations may be raised by either party after Step Two.

L2 - STEP THREE (Student Grievance Committee Level)

If the Grievance is not resolved to the satisfaction of the Grievant within the period allowed at Level Two - Step Two, the Grievant may request a hearing before a Student Grievance Committee. Such a request must be in writing and presented to the Student Grievance Officer within ten (10) calendar days from the issuance of the Supervisor's Level Two - Step Two decision.

Within ten (10) calendar days of the Student Grievance Officer's receipt of the Grievant's request for a hearing, the Student Grievance Officer shall arrange a hearing before a Student Grievance Committee. The Student Grievance Officer shall use reasonable efforts to schedule the hearing at a time mutually convenient to the parties. At least twenty-four (24) hours prior to the hearing, the Student Grievance Officer shall provide each member of the Committee and all parties to the Grievance with copies of the Grievance, responses to the Grievance, decisions issued, and all relevant supporting documentation and materials. The Committee's make-up and hearing rules are discussed later in this policy.

The Committee shall deliver its findings and recommendations to the Student Grievance Officer within ten (10) calendar days following the hearing. A copy of the Committee's findings and recommendations shall be delivered to the President or his/her designee, within five (5) calendar days of receipt.

Within ten (10) calendar days of the President's receipt of the Committee's findings and recommendations, the President or his/her designee, shall issue a written statement accepting, modifying or rejecting the Committee's recommendations.

The decision of the President, or his/her designee, shall be final and binding on all parties.

GRADE APPEALS

Complaints or Grievances filed in connection with assigned grades represent a special case within the Grievance procedure. Grading reflects careful and deliberate assessment of a student's performance by the instructing professional(s). As such decisions are necessarily judgmental the substance of those decisions may not be delegated to the Grievance process. Nevertheless, the College recognizes that in rare cases the process of grading may be subject to error or injustice.
Except as otherwise provided by a separate appeal procedure for a clinical program as approved by the President of the College, a student who alleges an error or injustice in the grading process may file a Grievance under the Student Grievance Procedure. A grade appeal Grievance shall proceed no further than Level Two, Step Two. For purposes of a grade appeal, the Senior Academic Officer of the College, or his/her designee, shall serve as the Student Grievance Officer throughout the grade appeal process.

If the faculty member who assigned the challenged grade is no longer employed by the College or is not available within the timelines specified (see "Time" definition), the student may initiate his/her Level One complaint with the chief administrator of the appropriate instructional division (who shall be identified by the Senior Academic Officer).

If at any level substantial evidence of error or injustice is produced, the grading process may be remanded to the instructor of record for reassessment. If after reassessment, the dispute remains unresolved, the matter shall be referred to the Senior Academic Officer, or his/her designee, for final review. If the instructor of record is no longer available, the Senior Academic Officer or his/her designee shall instead reassess the grading process.

**MEMBERSHIP OF THE STUDENT GRIEVANCE COMMITTEE**
The composition of the College’s Student Grievance Committee shall consist of five members: one student, one unit professional, one faculty member, one non-unit professional and one unit classified employee. The President or his/her designee shall appoint each member from among the recommendations submitted by the Student Grievance Officer.

Service on the Committee shall be voluntary, provided that a member who has a personal interest in a particular Grievance shall be ineligible to serve on the Grievance Committee. All College employees serving on the Student Grievance Committee, and acting within the scope of their official duties on the Committee, shall be protected from liability to the full extent provided under Massachusetts General Laws, Chapter 258, and eligible for indemnification as provided for pursuant to M.G.L. Chapter 258, Section 9.

All Student Grievance Committee members, as well as all others in attendance at a student Grievance proceeding, shall maintain the confidentiality of the proceedings. The Student Grievance Officer shall attend all Committee hearings but shall not vote.

**STUDENT GRIEVANCE COMMITTEE HEARING & DECISION GUIDELINES**
The following guidelines provide the framework for conducting a Student Grievance Committee Hearing:

1) Prior to the hearing, the newly impaneled Committee shall meet to elect a Committee Chairperson. The Chairperson shall be selected by a simple majority vote.

2) The Chairperson on the Committee shall be responsible for conducting the hearing and drafting the decision of the Committee, but shall vote only in the event of a tie.

3) All hearings shall be closed and deliberations of the Committee shall be confidential and conducted in private.

4) The Grievant and the Responding Party shall be in attendance at the hearing. Each party may be accompanied by an advisor at the hearing. The advisor, however, may not participate in the hearing or question witnesses. Either party may at anytime during a hearing consult in private with his/her advisor.

5) Witnesses may be asked by the Committee to remain outside of the hearing room until they are called to testify.

6) The Grievant will address the Committee first. The Grievant will state the nature of his/her Grievance and may present relevant evidence and/or witnesses in support of the Grievance.

7) The Responding Party may respond to the Grievant’s allegations and present relevant evidence and/or witnesses in opposition to the Grievance.

8) Once the parties have presented their respective positions, the Committee may question the parties and/or witnesses.

9) After the Committee has questioned the parties, each party will be given the opportunity to question the other party and their respective witnesses. All questions must be directed through the Committee. If the Committee determines that a question is relevant to the Grievance, the party or witness to whom it is addressed will be asked to respond.

10) Following the parties’ questioning of each other, the Committee will have another opportunity to question the parties and witnesses.

11) Hearings before the Committee shall not be subject to the formal rules of evidence. In all cases, the hearing shall be conducted in a fair and impartial manner.

12) If a party to a Grievance fails to appear for a scheduled hearing, the Committee has the discretion to proceed with the hearing and issue its findings and recommendations in the party’s absence.

13) The decision of the Committee shall be based on the relevant evidence presented at the hearing. The decision shall be in writing and include: a list of all documentary evidence and witnesses presented; a summary of the testimony offered by both parties and their respective witnesses; the findings of the Committee and its recommendations. Copies of the decision and recommendations of the Student Grievance
Committee shall be forwarded by the Student Grievance Officer to the President or his/her designee for review and final disposition. The President or his/her designee shall accept, reject or modify the Committee’s decision and/or recommendations and issue a final written decision.

14) All findings and decisions reached under this Procedure shall be based on a “preponderance of evidence” standard (i.e.; more likely than not). Any action taken hereunder shall be reasonable under the circumstances, in accordance with applicable College rules and procedures and be grounded in fundamental fairness.

WITHDRAWAL
A student may withdraw his/her complaint or Grievance at any time. Withdrawal must be accomplished in writing or by oral agreement confirmed in writing.

RETIALLATION
No member of the College community shall retaliate or threaten to retaliate against, interfere with, restrain, or coerce any student in the exercise of his/her rights under the Student Grievance Procedure or his/her participation in any Grievance proceedings.

COLLATERAL RIGHTS OF PERSON GRIEVED BY STUDENT
If the recommendations made at any level of the Grievance procedure result in sanctions against a college employee, the sanctions shall be regarded as administrative actions subject to all conditions of applicable collective bargaining agreements and College or Board of Higher Education personnel policies.

ALTERNATIVE FORUMS
Filing a Grievance in accordance with the Student Grievance Procedure in no way abrogates a student's right to file a complaint with an appropriate state or federal agency or in another forum.

The Board of Higher Education, and, in the case of secondary institutions, the Board of Education, shall promulgate regulations governing the content and frequency of such reports, and shall, forthwith, report to the attorney general and any institution which fails to make such report.

**Life and Health Threatening Behavior**

Holyoke Community College is committed to providing a safe and healthful environment to support the success of students. It recognizes that certain life threatening behaviors that include but are not limited to suicide threats or attempts, eating disorders, or self-mutilation are signs of personal distress. The college will help students by providing support or appropriate medical and mental health referrals, but also recognizes that the college must take action when any student demonstrates life threatening or self-destructive behavior while on the campus.

Any student who demonstrates such behavior will be referred to the Behavioral Intervention and Threat Assessment Team (BITAT) and the Dean of Students.

A decision to allow a student to return to his or her studies at Holyoke Community College will be based on concern for the safety and welfare of the student and members of the college community. If it is determined that the student poses a threat to him or herself or the college community, he or she may be temporarily removed from the college and referred to appropriate services until such time as he or she is no longer a threat.

The dean of Student Services may establish certain conditions for the student being allowed to return to the college. Such conditions may include but are not limited to:

- A psychological or medical assessment by professional community mental health or medical personnel.
- Documentation by the professional mental health or medical personnel establishing that the student does not pose a threat to him or herself and can function in the college environment.
- Regular monitoring by the dean of Student Services Office.

In instances where a group or groups of students on the campus or within classes were disturbed or upset by the life threatening or disruptive behavior of an individual student, counseling services and other appropriate resources will be offered to the affected students individually or in groups.

**Pluralism Policy**

The community colleges have historically been a major contributing element to the emergence of our nation as one of the most technologically and economically advanced societies of the world. The important role that the community colleges can play is profoundly dependent upon the extent to which they may draw from the full collective of intellectual resources within each college's community of scholars, students, and administrators. Any condition or force that impedes the fullest utilization of the human and intellectual resources available represents a force of destructive consequence for the development of our Commonwealth and, ultimately, our nation.

Community college students, faculty, staff and visitors must be free from conduct that has the purpose or effect of interfering with an individual’s academic or professional performance and creating an intimidating, hostile or demeaning educational or employment environment. Therefore, the community colleges establish a policy of unequivocal condemnation of all forms of ethnic, religious, cultural, or racial intolerance within the 15 college communities.

This policy condemns all conditions and all actions or commissions, including all acts of verbal harassment or abuse, which deny or have the effect of denying to an individual his/her rights to equality, dignity and security in violation of his/her rights guaranteed under the law. The policy reaffirms the doctrine of civility, appreciation for pluralism and the pre-eminence of individual human dignity as preconditions to the achievement of an academic community that recognizes and utilizes the resources of all persons, while recognizing and reaffirming the tenets of academic freedom. The community colleges recognize their obligation to protect the rights of free inquiry and expression, and nothing, herein, shall be construed or applied so as to abridge the exercise of rights under the Constitution of the United States and other federal and state laws.
The community colleges will vigorously strive to achieve diversity that is sufficiently reflective of our society. However, diversity alone will not suffice. There must be a unity and cohesion in the diversity which we seek to achieve, thereby creating an environment of pluralism.

The community colleges bear a responsibility, by edict, and an obligation, by social morality, to promote understanding and acceptance of ethnic, cultural, religious and racial diversity as we strive to create an atmosphere of dignity for all individuals and groups within our system of public higher education. The president will take reasonable measures to prevent and discourage harassment and will act positively to investigate alleged harassment and to effect a remedy or resolution when an allegation is determined to be valid.

Sexual Assault Policy and Procedures
Holyoke Community College is committed to providing an atmosphere for learning that is free of any conduct that could be considered harassing, abusive or disorderly. In order to assure that the college meets its obligations to all members of the community, the procedures and programs have been established and are available in the offices of: the director of facilities, vice president for Student Affairs, dean of Student Services, Affirmative Action officer, and dean of human resources.

Sexual assault is a criminal offense. Sexual assault in any form, including acquaintance rape, will not be tolerated. Sexual assault, as defined in the Federal Bureau of Investigation Uniform Crime Reporting System, includes forcible and nonforcible offenses.

The Crime Awareness and Campus Security Act of 1990 Section 485 (f) (1) (F) of 20 U.S.C. 1092 (a) (1) (Public Law 101 -542) requires that the college collect information with respect to sexual assault on campus and, beginning in September 1993, to include such information in an annual security report. The Higher Education Amendments of 1992 (Public Law 102-325) provide further that as part of the annual security report the college shall include, develop, and distribute a statement of policy regarding the college’s sexual assault programs and the procedures to be followed once a sex offense has occurred.

When an allegation of sexual assault is made, the college will encourage the alleged victim to pursue criminal prosecution under the Massachusetts criminal statutes. In addition, appropriate campus disciplinary action may be pursued. Sanctions for sexual assault violations may include, in addition to criminal charges, suspension, dismissal or expulsion from the college.

All allegations of sexual assault will be handled confidentially and will be investigated. Both the accuser and the accused will have equal opportunity for hearing.

WHOM TO CONTACT
In the event that you are the victim of sexual assault on the campus, first and most importantly get yourself into a place of safety if at all possible where you are able to call one or more of the following:

1. The Campus Police at (413) 552-2211(ext. 2211 on campus phones) to report the incident and receive prompt assistance.
2. The local police at (413) 536-0111.
3. A friend or family member.
4. Abuse and Rape Crisis Hotline (Western Mass.) (413) 733-7100 or (800) 796-8711

STUDENT RIGHTS AND RESPONSIBILITIES
1. If a student receives a report of or discovers a possible sexual assault on campus, he/she must immediately notify the campus police or the dean of Student Services. It is extremely important that these procedures are followed to ensure that appropriate medical and administrative services are provided. The campus police or dean of Student Services will be responsible for implementing the procedures.
2. The college and/or the alleged victim may initiate college disciplinary action against the person accused of rape, acquaintance rape, or other sex offenses, forcible or nonforcible. Possible sanctions to be imposed following the final determination of an on-campus disciplinary procedure regarding rape, acquaintance rape, or other sex offenses, forcible or nonforcible, may include the following: restitution, disciplinary probation, suspension, dismissal for an indefinite period, or expulsion.
3. If on-campus disciplinary action is instituted, the college shall follow its disciplinary procedures. The student code of conduct and student disciplinary sanctions are stated in this handbook.

Sexual Harassment Policy
Sexual harassment is a form of illegal discrimination which is defined as “unwelcome sexual advances, requests for sexual favors and/or other verbal or physical conduct of a sexual nature which has the effect of denying equal educational or employment opportunities.” There are two types of sexual harassment:

1. Quid pro quo, in which educational or employment benefits are conditioned on the granting of sexual favors. An example would be a request by an instructor for sexual favors in return for a passing grade; and,
2. Hostile Environment claims abusive, intimidating or harassing verbal or expressive behavior which is directed toward an individual based on a protected characteristic, such as sex.
Federal and state standards for determining whether a sexual harassment claim is actionable vary. There are five fundamental guidelines:

1. The individual belongs to a protected category (sex).
2. The individual was subjected to unwelcome sexual harassment.
3. The harassment complained of was based upon sex.
4. The harassment complained of affected a term, a condition or a privilege of education or employment.
5. The institution or its representatives knew, or should have known, of the harassment and failed to take prompt, effective, remedial action.

Students’ rights are protected under Title IX. It states “no person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal financial assistance.” [20 U.S.C. 1681 (1982)]

Smoking Policy
Smoking is prohibited everywhere on the Holyoke Community College campus, both indoors and outdoors. Educational opportunities about the benefits of smoking cessation and assistance with smoking cessation for smokers who are members of the HCC community are available through HCC Health Services (FR 105, 413-552-2180) throughout the academic year. Disciplinary measures will be taken for repeat infractions or infractions that interfere with the College’s academic or workplace needs or responsibilities, consistent with applicable collective bargaining agreement procedures or the student Code of Conduct. Visitors who fail to comply with the policy may be prohibited from remaining on or returning to campus.

Student Code of Conduct

DISCIPLINE IN THE CLASSROOM OR ON
COLLEGE PROPERTY
Students are expected to follow all college rules and regu-
lations while in the classroom. Disrupting or interfering in the
educational process is prohibited under this policy. If a stu-
dent engages in disruptive conduct in the classroom or any-
where on campus, a faculty member or other college employ-
ee may address and informally resolve the matter without fil-
ing a complaint under the Code. A faculty member or other
college employee may exercise his/her right to immediately
remove a disruptive student from a class meeting or other
college area. On the first occasion when a student is removed
from a classroom or other college area the faculty member or
other college employee is strongly encouraged to notify the
Dean. In all subsequent cases of removing a student from a
classroom or other college area, the faculty member or other
college employee shall notify the Dean of Student Services.
A faculty member or other college employee may seek the
assistance of the campus police if necessary to remove the
student from the class meeting or other college area. If the
removal of a student from the classroom is intended to be

the Dean of Student Services by the faculty member. The
Dean can exercise his/her discretion to allow the accused
student to attend class during the disciplinary process
upon consultation with the faculty member and the Chief

OFF-CAMPUS BEHAVIOR

against a student for off-campus conduct when such conduct
adversely affects the college community, poses a threat of
harm to the college community; interferes with the college's
pursuit of its objectives and mission, and/or if a student is
charged with a violation of state or federal law. Proceedings
under this Student Code may be carried out prior to, simul-
taneously with, or following civil or criminal proceedings
off-campus.

CODE OF CONDUCT DISCIPLINARY PROCESS
The Disciplinary Process is initiated once a complaint is filed
against a student by a member of the college community or
by the Dean of Student Services. This policy is not intended
to prevent members of the college community from attempt-
ing to resolve matters informally. Failure to cooperate with
the College's investigation of an alleged Code of Conduct
violation will result in the student forfeiting his/her rights to
a hearing or appeal and/or may result in disciplinary action.

1. Disciplinary Process
   a. All complaints under the Code of Conduct shall
be filed with or by the Dean of Student Services
or designee.
   b. When the Dean of Student Services files or
receives a complaint alleging that a student has
acted in a manner which may be in violation of
the Code, the Dean initiates the disciplinary pro-
cess by meeting with the accused student, putting
him/her on notice of the alleged violation and
providing him/her an opportunity to respond to
the allegations. The Dean may conduct a further
investigation if necessary.
   c. If the Dean determines that a violation exists,
three (3) procedural options are available. (1)
Verbal or written warnings - For low-level offens-
es, the Dean may issue a verbal or written warn-
ing to the accused student. Warnings shall not be
subject to a hearing before a judicial board or an
appeal. (2) Administrative Disposition - Under
an administrative disposition, the accused student
and the Dean mutually agree upon a disciplinary
remedy. By accepting the administrative disposi-
tion, the accused student waives his/her right to a
hearing before the judicial board or an appeal. (3)
Judicial Board Hearing - When an administrative
disposition cannot be reached, the Dean shall refer the alleged violation to a judicial board for a hearing. Failure to cooperate with the college’s investigation of an alleged Code of Conduct violation, which includes appearing before a judicial board or college official if summoned to do so, will result in the student forfeiting his/her rights to a hearing or appeal and/or may result in disciplinary action.

Appointment of a Judicial Board:

If the accused student is to appear before a judicial board, the Dean of Student Services or designee will appoint a judicial board consisting of two (2) members of the faculty/professional staff (one unit and one nonunit) and one (1) member of the student body with no member having a vested interest in the matter. This board shall elect its own chairperson. The Dean or designee may extend the time frame for each step in the hearing process.

2. Judicial Board Hearing
   a. A hearing with the judicial board shall be scheduled by the Dean not later than thirty (30) days following an accused student’s request for a hearing.
   b. A written statement of charges shall be presented to the accused student not less than five (5) days prior to the hearing.
   c. A judicial board hearing is an administrative hearing. The rules of evidence do not apply.
   d. In a matter involving more than one accused student, the judicial board may permit at its discretion individual hearings for each accused student.
   e. The accused student has the right to be accompanied by any advisor of his/her own choosing and at his/her own expense. The advisor may be an attorney. An advisor’s role is limited to advising the accused student directly. An advisor is not permitted to participate directly in the hearing.

3. Conduct of Hearing
   a. A hearing is normally conducted in private.
   b. There shall be a record created of all hearings. The record shall be the property of the college.
   c. All procedural questions are subject to the final decision of the judicial board.
   d. Admission of any person(s) to the hearing shall be at the discretion of the judicial board.
   e. A hearing shall proceed as follows:
      The Dean presents the statement of charges on behalf of the college. The Dean may present documents, materials and/or witnesses in support of the statement of charges.
      The accused student responds to the statement of charges. The student may present documents, materials and/or witnesses in response to the statement of charges.
      Following the parties’ presentations, the judicial board may question each party, their witnesses and/or review all information presented. The judicial board has the discretion to request additional documents, materials or information from either party.
      While direct cross-examination by the parties is not permitted, each party will be given the opportunity to question the other by presenting questions through the judicial board. If the board determines a question is relevant, the other party will be asked to respond.
      The board shall have a final opportunity to question the parties.

f. After the hearing, the judicial board shall determine by majority vote whether the statement of charges has been proven.
g. In reaching its decision, the judicial board shall determine whether it is more likely than not that the accused student violated the Student Code of Conduct based on the information presented.
h. Within fifteen (15) days of the conclusion of a hearing, the judicial board shall issue a written decision outlining its findings and disciplinary action, if any, to the parties.

4. Disciplinary Sanctions
   A student found in violation of the college’s Student Code of Conduct shall be subject to one or more of the following sanctions:
   • Verbal or Written Warning
   • Restrictions/Loss of Privileges
   • Community/Educational Service
   • Restitution
   • Probation
   • Suspension
   • Expulsion
   The intent of the college is to impose sanctions in a progressive manner, beginning with the least punitive sanction. However, depending on the nature and severity of a student’s violation, the college reserves the right to impose any of the above referenced sanctions at any time.

5. Appeal
   a. Within five (5) days of receiving the judicial board’s decision, either the Dean or the accused
student may appeal the judicial board’s decision to the college’s Appeals Officer.

b. An appeal must be in writing. An appeal is permitted only to consider new evidence, which was not presented at hearing because it was not reasonably known to the accused student at that time, and which is sufficiently relevant such that it could alter the judicial board’s decision.

c. The Appeals Officer shall issue a written decision within ten (10) days of receiving the appeal. The Appeals Officer may accept, reject or modify the judicial board’s decision or sanction.

d. The Appeals Officer's decision shall be final.

RECORDS AND CONFIDENTIALITY
The Dean of Student Services or designee shall maintain disciplinary records and a disciplinary tracking system, which shall include, but not be limited to, the student’s name and related identifying information, parties involved, description of the incident, sanction(s), expiration dates, agreements or restrictions, and any other data deemed relevant. Disciplinary records and related information shall be made available to disciplinary boards and college personnel. Students may arrange to view their own disciplinary records and related information by contacting the Dean of Student Services. Except as provided in the college’s FERPA policy, the college shall not communicate a student’s disciplinary record and related information to any person or agency without the prior written consent of the student. Disciplinary proceedings shall be confidential.

Student Groups and Organizations
Student clubs, organizations and groups are expected to adhere to student conduct standards. Disciplinary offenses as stated in the Student Code of Conduct may lead to disciplinary action. Sanctions such as the following may be imposed upon student groups or organizations:

- Warning: A notice in writing to the group/organization that the group/organization is violating or has violated institutional regulations.
- Probation: A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the group/organization is found to be violating any institutional regulation(s) during the probationary period.
- Loss of Privileges: Denial of specified privileges for a designated period of time.
- Fines: Previously established and published fines may be imposed.
- Restitution: Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.
- Deactivation: Loss of all privileges, including college recognition, for a specified period of time.
- Other Sanctions: Other sanctions may be imposed instead of, or in addition to, those specified above. Examples include discretionary assignments such as college service, mediation, or educational sessions.

Student Gatherings
Holyoke Community College is committed to creating an environment where issues and opposing views are openly expressed and discussed. Freedom of expression and freedom of assembly are essential to the pursuit of the college's academic mission. The open expression of ideas and diverse perspectives is encouraged. Each member of the college community is free to express his/her point of view on any issue of public interest individually or as a group. Each member is also expected to respect the right of others to freely express themselves.

Freedom of expression and assembly, however, are subject to reasonable guidelines related to time, place, and manner so as to promote civil discourse and inquiry, protect the academic function from disruption, and ensure the safety of all members of the college community. Rights are properly exercised only when due respect for the rights of others is assured. Therefore, at Holyoke Community College, students and staff are expected to maintain a free and respectful learning environment.

GUIDELINES FOR AUTHORIZED STUDENT GATHERINGS
Student gatherings are authorized campus events that include, but are not limited to, meetings, public forums, rallies, and demonstrations.

Sponsor
All student gatherings need a faculty/staff sponsor and a specifically designated responsible student. If this is a college club(s) or organizational activity, the advisor(s) and a club officer(s) will serve as the sponsor(s) and responsible student(s). If no faculty or staff sponsor is available, the responsible student may request that the coordinator of student activities or dean of Student Services assist in obtaining a sponsor. The sponsor and responsible student will:

- Develop the goals and program for the event.
- Complete and submit a Student Gathering Authorization Form.
- Collaborate with the coordinator of student activities to reserve the event location and equipment.
- Outline procedures to encourage civility during the event.
- Publicize the event in accordance with established college procedures.
- Attend the event in its entirety.
THE STUDENT GATHERING AUTHORIZATION PROCESS

1. Complete and submit to the student activities office a Student Gathering Authorization Form at least four business days prior to event. (Can be obtained from Student Activities Office or dean of Student Services.) The authorization form must be completed in full and signed by the faculty/staff sponsor and responsible student.

2. All details about the event (time, place and manner) must be approved by the coordinator of student activities or dean of Student Services at least two days prior to the event. A location will be reserved by the student activities coordinator with the college scheduling office. No scheduled campus event will be cancelled due to a student gathering.

3. Once approval is obtained, the following are notified of the event: scheduling office; public relations; vice president for student affairs, dean of Student Services, chief of police, switchboard operator.

4. The sponsor of the event may make arrangements for approved microphones directly with the technical operations manager once the gathering is approved.

5. Arrangements for other equipment should be made with the scheduling office.

DURING THE STUDENT GATHERING

- Civility is expected at all student gatherings.
- Student gatherings are expected to be respectful and peaceful. An authorized event may not:
  1. Interfere with the normal operation of the college and its instructional programs and services;
  2. Interfere with the normal flow of students in and out of campus facilities;
  3. Jeopardize the safety, welfare or rights of of themembers of the college community, their guests or visitors;
  4. Cause damage or destruction to campus, public or private property.
- An event may not interfere with regularly scheduled classes and events. Bullhorns or other unauthorized amplification equipment are prohibited.
- All college practices governing the posting and distribution of printed or other materials and solicitation on campus will apply.
- The college recognizes that various persons or groups may be opposed to certain viewpoints expressed during an authorized student gathering. While respectful disagreement may be expressed, the college will not tolerate any behavior that amounts to physical assault, threats of physical assault or harassment.
- Event sponsors will be responsible for the actions of gathering participants whether those participants are HCC students or not.
- Persons who violate college rules and regulations will be subject to disciplinary action under the HCC student disciplinary policy.

DISCIPLINARY PROTOCOL

- Student groups will be educated on the policy, along with student group advisors and other key personnel of the college.
- Where feasible, student groups will be reminded of the policy on student gatherings in a pro-active fashion.
- Students who are acting in violation of the student gatherings policy will be notified by the vice president of Student Affairs, the dean of Student Services, or a designee. The students will be clearly requested to cease the violating activity.
- If appropriate, students in violation of this policy will be clearly directed to disperse by the vice president of Student Affairs or a designee. Students will be warned that they face on the spot disciplinary action if they do not comply.
- If appropriate, students who do not comply with a request to disperse will face immediate disciplinary action by the vice president for Student Affairs, the dean for Student Services, or a designee.
- If students remain in violation of this policy they are subsequent to disciplinary action, up to and including interim suspension. The vice president of Student Affairs and the vice president of Administration and Finance will confer and determine the risk of continued violation to the college campus. The dean of Student Services and the director of Public Safety (or designees) will confer if the appropriate vice president is not on campus.
- If a risk to safety or to college business is determined, then the Campus Police will be notified by the vice president of Finance, the director of Public Safety, or a designee. Massachusetts State law stipulates that the placing of hands on campus police can be considered assault and battery upon public employees and subject to penalty under Chapter 265: Section 13D of Massachusetts law.

The cooperation of the entire college community is needed to support free expression and assembly while respecting the rights of others to engage peacefully.

**Substance Abuse Prevention Policy**

On December 12, 1989, Congress amended Title XII of the Higher Education Act of 1965. This amendment, known as the "Drug-Free Schools and Communities Act of 1989," requires that every educational institution receiving federal funding certify its adoption and implementation of programs designed to prevent use of illegal drugs and abuse of alcohol by students and employees. Prior federal law applicable to the college regulated only criminal drug activity of federally grant-funded employees and recipients of federal aid.

Holyoke Community College, in accordance with legal mandates and its philosophy of establishing and maintaining an environment of learning and a supportive environment in which to conduct the business and mission of the college, will enforce the following policies:

1. The unlawful manufacture, distribution, dispensing, possession or use of alcohol or of a controlled substance is prohibited on the campus of Holyoke Community College or as part of any college-related activity. Students or employees who violate these restrictions shall be subject to appropriate disciplinary action, up to and including suspension, expulsion or discharge, and shall also be subject to referral for criminal prosecution. Where students or employees are convicted of violating a criminal drug or alcohol statute related to a college activity, the college shall ordinarily expel or discharge the offender, absent of mitigating circumstances. Mitigating circumstances shall include, but shall not be limited to, considerations of handicap under federal and state law.

2. Holyoke Community College shall cooperate in the enforcement of federal and state laws concerning illegal drugs and alcoholic beverages. Massachusetts statutes pertaining to illegal drugs and alcohol include:

   Massachusetts General Laws, Section 32L of Chapter 94C (Controlled Substances Act) enacted in 2009, changed penalties for possession of one ounce or less of marijuana to civil action, which may be a fine of $100 and forfeiture of the substance. However, possession of marijuana remains a violation of the HCC Student Code of Conduct.

   Massachusetts General Laws, Chapter 272, Section 59 (Public Drinking)

   Massachusetts General Laws, Chapter 90, Section 24 (Operating Under the Influence, Open Containers)

Prescribed penalties under Chapter 94 range from mandatory probation for a first conviction for possession of a class E substance, e.g. marijuana, to a period of imprisonment of up to two years and a fine of two thousand dollars for each subsequent conviction related to sale or distribution. Prescribed penalties under Chapter 90, Section 24, range from a fine of one hundred dollars to one thousand dollars. Federal judicial guidelines also exist which suggest penalties for violation of federal criminal statutes related to drugs and alcohol.

3. Alcohol is prohibited at Holyoke Community College functions and on any part of the campus.

4. Prescription drugs are highly regulated and are only legal and safe for the person for whom they are pre-
scribed. Sharing of drugs is illegal and also dangerous. Legal possession of a prescription drug exists only when in a prescription bottle labeled with appropriate information.

5. Employees working under federally funded grants are additionally subject to the Drug-Free Workplace Act of 1988. The Act creates the following obligations:

a. Employees convicted of any criminal drug statute violation occurring in the workplace must notify the director of human resources of Holyoke Community College, no later than five (5) days after such conviction. Such notification must be in writing.

b. The college shall notify the appropriate federal agency, within ten (10) days after receiving notice from the employee, regarding such conviction. Such notification will be in writing.

c. The college, within thirty (30) days of receiving notice, with respect to any employee who is convicted, will:

i) Take appropriate disciplinary action against the employee, up to and including termination of employment; or

ii) Require such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement or other appropriate agency.

5. The college will present campus-wide drug and alcohol education programs on an annual basis. This is in addition to other educational opportunities available in current or future academic offerings.

6. The following medical risks are associated with drug and alcohol use:

a. Overdose

An overdose can happen due to uncertain purity, strength or even type of drug one gets illegally. It can also happen due to increased tolerance, because one needs increased dosages to achieve the same effect. An overdose can cause psychosis, convulsions, coma or death. While the risks of drug overdose are more common, frequently more severe, extreme quantities of alcohol can similarly result in psychosis, convulsions, coma or death.

b. Dependence

Continued use of drugs or alcohol can lead to a psychological and/or physical need for them.

c. Ill Health

Long-term drug or alcohol use can destroy a healthy body and mind. Generally, drug or alcohol abuse can lead to organic damage, mental illness, malnutrition, failure to get treatment for existing diseases or injuries, and even to death.

Chronic drinking also has been associated with increased rates for heart disease, liver damage, ulcers and gastritis, and adrenal and pituitary gland damage. Injection of drugs presents special risks of getting AIDS, hepatitis and other infectious diseases.

Drugs and alcohol use can also affect the health of a child in the womb and result in birth defects, fetal alcohol syndrome, drug dependency or death.

Because the quantity of alcohol likely to injure a developing fetus is unknown, the United States Surgeon General has specifically counseled women not to drink any alcohol during pregnancy.

d. Accidents

When drugs or alcohol affect an individual’s perception and/or reaction time, accidents become more likely.

7. For any member of the college community who is experiencing substance abuse problems, Holyoke Community College stands ready to offer supportive services and referral for treatment, as appropriate and available. Information concerning substance abuse and rehabilitation counseling programs is available through Counseling Services (FR 233). These include 24-hour crisis services, outpatient treatment, and other resources. Assistance and information related to substance abuse issues for employees can be obtained through the Employee Assistance Program, accessible through Human Resources.

8. Treatment Covered by Required Student Medical Insurance:

Massachusetts General Laws, Chapter 15A, 7B (St. 1988, Chapter 23, 22) and 117 Code of Massachusetts Regulations Section 3.04 require that students certify their participation in a qualifying student health insurance program, or in a health benefits program with comparable coverage. Full-time students who do not possess adequate medical insurance must purchase the Massachusetts Regional Community Colleges’ Student Accident and Sickness Insurance plan. This plan provides benefits related to drug and alcohol abuse, including hospital confinement and non-hospital (outpatient) confinement benefits. A full list of the benefits are available in the student insurance brochure.

9. The college shall conduct a biennial review of these policies and programs and implement changes as necessary.

Use of Copyrighted Materials

- The college recognizes that accomplishment of its mission may be facilitated by the use of works owned or created by others. All faculty, staff and students
shall recognize those accomplishments by respecting the intellectual property of others and using such works only to the extent such use is permitted by law.

This policy shall apply to students, employees, and other individuals who use college equipment and/or facilities and to students, employees, and other individuals who use off-campus non-college facilities and/or equipment in connection with college related activities or on behalf of the college. For example, this policy applies when photocopying is undertaken at a commercial copying center, at a self-service coin-operated machine in the library, or on any other reproduction equipment owned or leased by the college or used in connection with college activities or on behalf of the college.

Students, employees and other individuals subject to this policy who use material originated by others shall not, as a matter of policy, when using such materials, infringe on those rights of the originator which are protected by copyright laws and shall secure permission to use or reproduce copyrighted works when such permission is required under copyright law and/or pay royalties when such payment would be required. Students, employees and other individuals subject to this policy are expected to obtain permission from the copyright owners unless the intended use is clearly permitted under the doctrine of “fair use.”

"Fair Use" shall not be abused. The college will not tolerate copying instead of purchasing copyrighted works where such copying would constitute copyright infringement.

For purposes of this policy copyrighted material means any work or intellectual property which may be subject to copyright under the laws of the United States. This includes but is not limited to literary works, including computer programs and compilations; musical works, including any accompanying words; dramatic works, including any accompanying music; pantomimes and choreographic works; pictorial, graphic, and sculptural works; motion pictures and other audiovisual works and sound recordings. For example, this policy applies to photocopying for classroom use, use of computer software, use of videocassettes, and off-air videotaping.

This policy is not intended to waive any rights, remedies, immunities or defenses available to the college in the event of an infringement or alleged infringement of the copyright law and such rights, remedies, immunities and defenses are specifically reserved.

Student Right-to-Know Graduation and Transfer Rates
The federal government mandates that all institutions participating in Title IV or HEA programs disclose to current and prospective students graduation and transfer-out rates of first-time, full-time, degree/certificate seeking (FTFTDS) students. In compliance with these mandates, HCC followed 1,431 first-time, full-time students who enrolled in one of HCC’s degree or certificate programs in Fall 2009. As of Fall 2012, 18% of these students had graduated; 16% transferred to another institution prior to graduating from HCC; and 15% are still enrolled at HCC. In sum, 49% of the first-time, full-time degree/certificate seeking college students entering HCC in Fall 2009 have, as of Fall 2012, graduated or continued their studies at HCC or at another public or private university in the United States. Rates are based on status at 150% “time-to-credential” (i.e. 1.5 years for certificates and 3 years for degrees).

Graduation and transfer-out rates disaggregated by gender, race/ethnicity and financial aid received can be found online on the Consumer Information page of the HCC website, www.hcc.edu.

Privacy
HCC complies with the Family Education Rights and Privacy Act (FERPA), which is designed to protect the privacy of student educational records. The law governs access to records maintained by educational institutions and the release of information from those records. FERPA affords parents and students certain rights with respect to their records. For more information, see page 27.

Campus Safety and Crime Statistics
see next page
Campus Safety and Crime Statistics

The Jeanne Clery Disclosure of Campus Security Police and Campus Crimes Statistics Act (formerly the Campus Security Act) requires HCC to prepare and distribute an annual report which gives statistics on the number of specific crimes (murder, rape, robbery, aggravated assault, burglary, motor vehicle theft, sex offenses, and hate crimes) which have occurred on campus and the number of arrests on campus for liquor law violations, drug abuse violations and weapons possessions (statistics are reported for the calendar year).

Crime statistics for calendar years 2009, 2010, and 2011 are published here, but may also be obtained through the Campus Police Station, Building E, room 214. These statistics cover crimes that were committed on campus, off-site campus buildings, and those committed on public property in the surrounding area. For more information on campus security and safety, or to view these statistics online, you may visit the Campus Safety page of the HCC website, www.hcc.edu/campus/safety.html. The Annual Security Report is available to download at: www.hcc.edu/asr.

Sex offender information will be provided to any person who is seeking the information for his or her own information, or for the protection of a child who is under 18, or for the protection of another person for which requesting person has the responsibility, care, or custody. Sex offender information can be requested at either the Holyoke Police Department by appearing in person or filling out a form, or from the Sex Offender Registry Board by mail. Sex Offender information request forms are available online at www.state.ma.us/sorb/forms.htm. Please note that sex offender information is available to the public by Massachusetts law only if the party has a duty to register and has been finally classified by the Sex Offender Registry Board as a Level 2 or Level 3 offender. Hard work pays off for former pipe welder

By CHRIS YURKO

When Stephen Delude graduated from Chicopee Comprehensive High School, going to college seemed unlikely. For one thing, his parents had never gone to college. Secondly, he had not been a good student. Instead, he decided to learn a trade and went to welding school.

“I really enjoyed welding,” says Delude. “I liked that I was learning a craft.”

He worked as a pipe welder for four years before being laid off for the first time when the economy tanked. He lost his next job as foreman for a company that built collapsible, mobile homes when the business moved to California. Then he landed another job with a demolition company.

After a while, though, he began to reevaluate his future.

“I felt like I was stagnating, and I wanted to try something completely new,” says Delude. “I felt I had gone as far as I could as a strictly blue-collar, hands-on kind of person. I took that as far as I needed to for my own personal growth.”

Delude enrolled at HCC. He attended classes at night for 2 1/2 years while also working 40 to 55 hours a week during the day doing demolition.

All that hard work paid off. On June 1, Delude received his associate degree, graduating with high honors and a 3.94 GPA. The former pipe welder is giving up his day job now to pursue his bachelor’s degree at Amherst College.

“I did so badly in high school and I had been out of school for so long, if it weren’t for HCC, my odds of getting into a four-year school would not have been too great,” says Delude, who is now 26 and lives in Holyoke. “At HCC, I was able to establish myself as a serious student.”

At HCC, Delude’s academic achievements gained the attention of professors. One in particular, Aimee Loiselle, his instructor for “History of World Civilizations,” encouraged him to look at transferring to one of the top private schools in the country.

“I took her suggestion, went up and looked at Amherst, and I really liked it,” Delude recalls.

He finished the spring semester as president of the school’s Green Key Honor Society and a member of Psi Beta, the national honor society for psychology majors.

He plans to study neuroscience at Amherst College with the idea of one day working as a therapist for young adults.

He would also like to teach, a talent he discovered back in welding school, where his instructors often asked him to help his classmates.

“My friends say I have a knack for listening and giving an honest opinion, so I figure that might be a good career path for me,” he says.

Delude is among the first generation in his family to go to college. He has six brothers and sisters and the third among them to go to community college.

Come September, he will be the first to attend a four-year college and seek a bachelor’s degree.
