The marital status that your parent(s) reported on your FAFSA conflicts with their reported tax filing status. The U.S. Department of Education requires the Financial Aid Office to gather additional information in order to determine if their tax filing status is correct.

If you feel that the FAFSA application is accurate and does not need to be corrected, please complete and return this form to the Financial Aid Office. Federal regulations require that institutions verify the accuracy of this data and resolve any conflicting information.

If you need to make corrections, please go to https://fafsa.gov and make the corrections to your parent(s)’ marital and/or tax filing status.
