The marital status that your parent(s) reported on your FAFSA conflicts with their reported tax filing status. The U.S. Department of Education requires the Financial Aid Office to determine if their tax filing status is correct and to resolve any conflicting information.

If you feel that the FAFSA application is accurate and does not need to be corrected, please complete and return this form to the Financial Aid Office.

If you need to make corrections, please go to <https://fafsa.gov> and make the corrections to your parent(s)' marital and/or tax filing status.

SECTION 1 - Marital Status

For the parent(s) that you listed on the FAFSA, please indicate their marital status and marital status date below. The correct status is their marital status when you filed the FAFSA.
