At Holyoke Community College, we want to make sure that everyone has an equal chance to go to college, no matter who they are. We know that getting money to pay for college is important, so we promise to be fair when we give out financial aid. We also want to make sure that trans and gender-expansive students don't face any barriers in accessing financial aid. If you have questions or concerns about this, you can talk to the financial aid office.

Your 2024–2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to HCC’s Financial Aid Office. If you have questions about verification, contact us at 413-552-2150.

B. Student’s Family Information

Step 1 – Instructions: Complete the below chart for your family size according to the FAFSA definition.

Family Size includes the following:

- Yourself (the student)
- Your spouse, if applicable
- Your dependent children, if all the following are true:
  - They live with you (or live apart because of college enrollment),
  - They receive more than half of their support from you, AND
  - They will continue to receive more than half their support from you from July 1, 2024 through June 30, 2025
- Other persons if all the following are true:
  - They live with you,
  - They receive more than half of their support from you, AND
  - They will continue to receive more than half their support from you from July 1, 2024 through June 30, 2025.

Note: Note: The provided criteria for “dependent children” or “other persons” align with the requirement that family size align with whom the student could claim as a dependent on a U.S. tax return if the student were to file a U.S. tax return at the time of completing the 2024-2025 FAFSA. As a result, you should not include any unborn children in the family size.
