# HCC gearing up for spring semester

Registration is open for spring 2025 semester classes at Holyoke Community College.

The HCC spring 2025 semester begins Tuesday, Jan. 21, for full 15-week spring semester classes begin. HCC will also be running three accelerated spring flex start sessions: Flex Start I classes begin Jan. 21 and run for seven weeks. Flex Start II classes begin Monday, Feb. 3, and run for 12 weeks; Flex Start III classes begin Monday, March 24, and run for seven weeks.

Thanks to the state-funded MassEducate program, a community college education is now free for all Massachusetts residents who have yet to earn a bachelor's degree.

“MassEducate provides an exciting opportunity for eligible students to attend college without the concern or weight of how to pay for it,” said Mark Hudgik, HCC dean of strategic recruitment initiatives, admissions, and financial aid. “There has never been a better time to enroll.

Eligible students who want to earn a certificate or degree need only to complete the standard HCC application, complete the FAFSA (Free Application for Federal Student Aid) for the 2024-2025 school year, and register for at least six credits (typically two classes).

“Our admissions counselors, academic advisers, and financial aid staff are available to make sure prospective students get all the assistance they need,” said Hudgik.

Class schedules and information about MassEducate can be found on the HCC website: [hcc.edu](http://hcc.edu).
