

Sample Informed Consent Form #1

(See **Guidelines for Informed Consent Form and Information Sheet**)

[**Insert Title of Project**]

I, _____, hereby consent to participate in research
being

(print name)

conducted by _____. I have been informed about the general purpose of this research (see Guideline #1 attached). [Insert a description of the research method(s) that will be used (see #2).] There are no known risks associated with the study (see #2).

I understand that I may withdraw my consent at any time, and that withdrawal will not affect my coursework in any way (see #3). I understand that I may refuse to answer any question or participate in any part of this research project at any time, and that I do not have to specify any reason for my refusal (see #4). I understand that any data collected and subsequently published or released will not identify me individually, and that all personal identification information will be kept in the strictest confidence by the researcher(s). I understand that the results of this research may be published in books, journals, or other professional publications, and that the research(s) may present their findings at professional conferences or conventions (see #5).

If I have questions about the study, I may contact _____ (see #6).

Please sign next to the statement(s) that you agree with:
