

## HOLYOKE

# HCC summer youth programs open for registration

Registration is open for Holyoke Community College's 2019 summer youth programs.

HCC has 22 summer programs for youth aged 6 to 17 interested in everything from sports and computers to cooking, engineering and art.

For more than 37 years, Holyoke Community College has offered challenging summer education activities for youth, providing early opportunities for students to experience a college environment guided and encouraged by experienced professionals.

The 2019 summer youth programs operate for five weeks, from June 24 through Aug. 2. (There is no programming during the week of July 4.) All of HCC's summer programs run Monday through Friday for one week.

With the exception of sports
