April 29, 2026, 11:00 am
Frost 265
Agenda

1. Welcome & Opening Remarks

- Olivia Kynard, Chief Impact Officer

2. Inclusive Talent Management Presentation

- The subcommittee presented key objectives they would like to work toward following this year's data analysis and planning.
- The subcommittee also discussed how these objectives could be achieved in collaboration with other subcommittees and departments within the HCC community.

3. Innovation & Community Partnership Presentation

- The subcommittee presented key objectives they would like to work toward following this year's data analysis and planning.

4. Lunch

5. Restorative Practices Presentation

- The subcommittee presented key objectives they would like to work toward following this year's data analysis and planning.
- The subcommittee also discussed how these objectives could be achieved in collaboration with other subcommittees and departments within the HCC community.

6. Student Success Committee Presentation

- The subcommittee presented key objectives they would like to work toward following this year's data analysis and planning.
- This subcommittee also spoke about how some of these objectives are already taking shape on the college campus.

7. Next Steps

- This is the last meeting of this academic year.
- The Tapestry Alliance will begin meeting again in the Fall 2026 semester.
- Chief Impact Officer and the Chair of Tapestry, Alliance, Oliva Kynard shared with the committee that she would like the objectives presented during this meeting to be shared with other college stakeholders, including the President's Cabinet and the Board of Trustees to show the work the committee has done during the year and how it aligns with the College's Strategic Plan 3.0.

8. Adjournment
