## Tax Filing Resolution for Tax Year 2024

*At Holyoke Community College, we want to make sure that everyone has an equal chance to go to college, no matter who they are. We know that getting money to pay for college is important, so we promise to be fair when we give out financial aid. We also want to make sure that trans and gender-expansive students don't face any barriers in accessing financial aid. If you have questions or concerns about this, you can talk to the financial aid office.*

The U. S. Department of Education requires financial aid administrators to know:

- whether a person is required to file a tax return or is exempt from filing,
- what the correct filing status for a person should be,

Colleges cannot award aid until any such conflicting information has been resolved.

There is conflicting information regarding tax filing status for 2024.

To resolve this, please indicate which document you are submitting:

- I/We have amended my/our return(s). To prove this I/We have attached copies of *both* an "IRS tax return transcript" and a "signed copy of the IRS Form 1040X".
- OR
- I have enclosed documentation that the tax return is correct according to the IRS regulations.
